MOTT'S CHYBEATE RESTORATIVE PILLS OF IRON.

An aperient and Stomachic preparation of IRON purified of Oxygen and Carbon by combination in Hydrogen, sanctioned by the highest Medical Authorities both in Europe and the United States, and prescribed in the Hospitals.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case.

Invaluable in all maladies in which it has been tried it has proved absolutely curative in each of the following conditions, viz:—

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Dropsies, Dysentery, Incipient Consumption, Scrofulous Tuberculous, Salt Rheum, Menstruation, Rashes, Chlorosis, Liver Complaints, Chronic Rheumatism, Remittent Fevers [illegible] *Pimples on the Face, &c.*

In cases of General Debility, whether the result of acute disease, or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of the restorative has proved successful to an extent which no description, nor written attestation would render credible. Thankful—so long lost—hidden to have become forgotten by their own neighbors, have suddenly re-appeared in the busy world as positive examples of unexpected travel from distant shores, and of returning health from the very gates of hopeless misery, emaciating victims of dyspepsia, nervous exhaustion, critics endure all the complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In Nervous Affections of all kinds, and for reasons identical to all medical men, the operation of this preparation of iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and overbearing, and gently, regularly aperient, even in the most obstinate cases of costiveness without ever being a gastric purgative, or inducing a disagreeable sensation.

It is this latter property, among others, which ask it as a remarkable difference and permanent a remedy for [illegible] also appears to exert a distinct and specific action in dispersing the focal tendency when formed.

In Dyspepsia, one medicine rarely causes a single dose of these Chalybeate Pills has often subdued the most habitual [illegible] including the attendant [illegible]

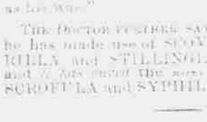
A WONDERFUL CURE OF SCROFULOUS WHITE SWELLING!!!

Read the Statement of Martin Robbins, Jr.

One of the Worst Cases ever Recorded!

[illegible], O., Feb. 16, 1858.

Mr. A. L. SCOVILL:



Dear Sir:—I will with great pleasure give my testimony as to what your SARSAPARILLA AND STILLINGIA, or Blood and Liver Syrup, has done for me. Some three and a half years since, I [illegible] with a SCROFULOUS WHITE SWELLING, which was attended with very painful [illegible] I tried two of the best Physicians in the [illegible] one of them a Professor in the Medical College,) and they Failed to give me any Relief! I was so reduced that I was confined to my bed for over three months. The nerves and muscles of one leg were so contracted and drawn up, that I COULD NOT WALK. I had MORE THAN A DOZEN RUNNING ULCERS on my legs, from which I took from time to time, more than ONE HUNDRED PIECES OF BONE, some of them from three to four inches long. I was reduced to almost a skeleton, and my friends had given up all HOPES of my RECOVERY! I was in this condition when I commenced the use of your **Blood and Liver Syrup**. I have used altogether some two dozen bottles. I am now ABLE TO ATTEND TO BUSINESS, and my legs have become so strong that I walk without any difficulty—AND HAVE ENTIRELY RECOVERED MY HEALTH. Yours, truly,

MARTIN ROBBINS, Jr.

Dealer in Coal Oil and Lamps.

Report extract from the *Cincinnati and Eclectic Medical Journal*, Vol. 5, page 310, by its editor, Prof. R. S. NEWTON, in regard to this **Remarkable Cure**!

While Martin Robbins was in the very worst imaginable condition, we were called to attend him for a fracture of the leg, produced by a fall. The indications of a reunion of the bone, under the circumstances, were very unfavorable, for he would sit day after day PICKING OUT SMALL PIECES OF THE BONE, which would slough off. I found him using **Scovill's Preparation**, *which he continued to use until in each case operated*. We gave him no constitutional treatment, being in attendance only as a surgeon; yet we confess we had much curiosity to see what could be done in a system so **extensively diseased as his was**."

The Doctor further says, since that time he has made use of SCOVILL'S SARSAPARILLA and STILLINGIA in his practice, and finds that the same cures in cases of SCROFULA and SYPHILITIC DISEASES.

A WHOLE FAMILY AFFLICTED—COVERED WITH SORES AND BOILS.

COLUMBIA, Hamilton Co., O., Jan. 20, '58.

MR. A. L. SCOVILL.

Dear Sir:—This is to certify that my wife, children, mother, and myself, about two years and a half ago, were sorely afflicted. My wife, children, and mother, were first taken with a dreadful itching on the skin over the whole body; and I was covered with running boils. I employed several physicians, and tried their prescriptions for about six months, and found that, *instead of getting better, we grew worse and worse*; and *finally* the disease *overpowered* [illegible] *each running sores over the whole body*. My brother called and got eight bottles of your BLOOD SYRUP, and strange to tell, before we had one half of it used, we were all well. I had spent over one hundred dollars before I got your medicine.

Yours, with respect,
HAMILTON M'ADAMS.

Will the afflicted call on the agent and get a pamphlet containing certificates of cures from well KNOWN CITIZENS OF CINCINNATI?

See Scovill's Blood and Liver Syrup is COMPOSED ENTIRELY OF VEGETABLES, and is perfectly SAFE for CHILDREN to use, as one of MOTHERS VALUE the health of their children, they should eradicate the seeds of the disease before it is too late.

WOMAN'S GREATEST BOON.

LADIES' MORNING PILL.

A prompt and positive Specific for "Morning Sickness" or the Nausea of Pregnancy and other Female Complaints.

Every lady who has herself been a sufferer from or witnessed the distressing effects, for months together, of the almost universal complication of pregnancy, known as "MORNING SICKNESS," will hail with delight a Remedy which cannot fail to be regarded as a most INESTIMABLE BOON to woman.—While all other modes of treatment for the NAUSEA AND VOMITING OF PREGNANCY have been simply *palliative*—directed only to the temporary *mitigation or suspension* of the attack, not to its *radical cure*—the "MORNING PILLS" possess the specific power of *subduing the Uterine Irritability which is the chief proximate cause of the disturbance*. The relief which it affords, therefore, is not superficial and *temporary*, but PERMANENT AND PERMANENT. The specific action of the "Morning Pill" being to *allay* Uterine Irritation, *not to stimulate it*, its administration is not attended with the slightest danger of *aborting*, even in the most delicate and sensitive organization, or at any period of the pregnancy.

IN OTHER FEMALE COMPLAINTS,
such as Suppression and Painful or Excessive Menstruation, the "MORNING PILL" is the *most effective Remedy known to Medical Science*. No woman should be without this medicine.

PRICE $1 *per Box—Six Boxes for* $5, *to be sent by mail.*

THE SPECIFIC PILL.

A prompt, radical, and Specific remedy for Spermatorrhœa, or Seminal Weakness, Involuntary Emissions, and Genital Irritability in either Sex.

This latest application of Medical science to the treatment and cure of wide-reaching and obstinate malady, has proved the GREATEST BOON to thousands who were rapidly declining, in bodily and mental powers from the DEBILITY OF EXHAUSTION, which is the INEVITABLE CONSEQUENCE of this disorder. From one to three boxes will effect a radical cure in the most aggravated cases, whether *constitutional*, or arising from *Abuse or Excesses*.

MEDICAL TESTIMONY.

"We believe it to be, in the treatment of *Spermatorrhœa*, as near a SPECIFIC as any medicine can be.—We have *cured many severe cases* with from six to TEN DOSES."—R. KEITH, M. D., *Am. Jour Indigenous Med. Medicus*.

A physician writes to the American Journal and Repertory of Medical Science as follows: About four years ago I was badly afflicted with SPERMATORRHŒA, and had nearly despaired finding relief, for I had tried every plan of treatment suggested by my medical friends, under whose care I had placed myself. * * * I had taken but FOUR DOSES of this medicine before the emissions ceased, and in continuing its use my appetite returned, the peculiar and dangerous heat in my face yielding to a more healthy color. As eight months have passed, I was CURED OF MY DISEASE. This being a *positive fact*, I mention the result in my case, that others may try the same.

Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people:

Messrs. HENRY P. WILSON & Co.—My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied, does not soil in the least—has no disagreeable odor, increases the growth of hair, prevents it falling off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. *Respectfully, &c.*,

Rev. JACOB STEVENS, Newburyport, Ms.

"*I most cheerfully recommend it to all persons.*"

Rev. C. RUSSELL, Littleton, N. H.

November 1.

Messrs. HENRY P. WILSON & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now [illegible]. I shall continue to use them with pleasure.

Rev. H. H. HARTWELL, Lawrence, Mass.

November.

Messrs. HENRY P. WILSON & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who wish to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable itching of the head, or humors, or to those whose hair is falling from the head.

Rev. G. W. H. CLARK, Great Falls, N. H.

Messrs. HENRY P. WILSON & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these benefits.

Rev. HENRY HILL, Manchester, N. H.

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty.

Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

IS precisely what its name indicates, for, while pleasant to the taste, it is a [illegible] and strengthening to the vital powers, and at the same time so [illegible] rein [illegible] and restores the [illegible] in all its original purity, and thus assists to tone and renders the system [illegible] attacks of disease.

It is the only preparation ever offered to the world so chemically and skillfully combined as to be the most powerful tonic and yet so perfectly adapted as to act in perfect accordance with the laws of nature, and hence [illegible] stimulate, and tone up the digestive organs, and allay all nervous and other irritations. It is also perfectly exhilarating and at the same time it is composed entirely of vegetables and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. Such a remedy has long been felt to be a desideratum in the medical world; for it needs no medical skill or knowledge even to see that debility follows all attacks of disease, and indeed lays the system open to the insidious attacks of many of the most fatal, such, for example, as the following: Consumption Bronchitis, Indigestion, Dyspepsia, Loss of Appetite Faintness, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hypochondria, Nightsweats, Languor, Giddiness, and all that class of cases so fearfully fatal if unattended to in time called *Female Weaknesses and Irregularities*.

Also, Liver Derangements or Torpidity, and Liver Complaints, and Diseases of the Kidneys, Scalding or Incontinence of the Urine, or any general derangement of the Urinary Organs. Pain in the back, side and between the shoulders, prostration to slight exertion, Hacking and confirmed Cough, Exacerbation, Difficulty of breathing, and indeed we might enumerate many more evils, but we have space only to say, it will not only cure the debility following Chills and Fever, but prevent all attacks arising from Miasmatic Influences, and cure the disease at once, if already attacked. And as it acts directly and persistently upon the biliary system, arousing the Liver to action, promoting, in fact, all the excretions and secretions of the system, it will infallibly prevent any deleterious consequences following upon change of climate and water; hence all travelers should have a bottle with them, and all should take a table spoonful at least before eating. As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits, students, ministers, literary men. And all ladies not accustomed to much out door exercise should always use it. If they will they will find an agreeable, pleasant, and efficient remedy against those ills which rob them of their beauty; for beauty cannot exist without health, and health cannot exist while the above irregularities continue. Then again, the Cordial is a perfect Mother's Relief. Taken a month or two before the final trial she will pass the dreadful period with perfect ease and safety. *There is no mistake about it, this Cordial is all we claim for it. Mothers, try it!* And to you we appeal to detect the illness or decline not only of your daughters before it be too late, but also your sons and husbands, for while the former, from false delicacy, often go down to a premature grave rather than let their condition be known in time, the latter are often so mixed up with the excitement of business that if it were not for you they too would travel in the same downward path, until too late to arrest their fatal fall. But the mother is always vigilant, and to you we confidently appeal; for we are sure your never failing affection will unerringly point you to Prof. Wood's Restorative Cordial and Blood Renovator, as the remedy which should be always on hand in time of need. O. J. WOOD, Proprietor, 444 Broadway, New York, and 114 Market street, St. Louis, Mo., and sold by all good Druggists. Price, One Dollar per bottle. Pond & Morse, Agents. 3515meow

FOR FEMALES
DR MATTISON'S INDIAN EMMENAGOGUE.

This celebrated female Medicine possessing virtues unknown of any thing else of the kind, and proving effectual after all others have failed, is designed for both *married and single ladies*, and is the very best thing known for the purpose, as it will bring on the monthly *sickness* in cases of obstruction after all other remedies of the kind have been tried in vain.

OVER 200 BOTTLES have now been sold without a single failure when taken as directed, and without the least injury to health in any case. It is put up [illegible] of three different strengths, with full directions for using, [illegible] to all parts of the country.

PRICES—[illegible] $5, Quarter [illegible]

☞ REMEMBER—[illegible]

☞ BEWARE OF IMITATIONS. None genuine [illegible] MATTISON'S INDIAN EMMENAGOGUE FOR SPECIAL DISEASES. Sold [illegible] Providence, R. I. CAUTION.—It has been estimated, that over *Two Hundred Thousand Dollars* are paid to swindling quack-nostrum in New England alone, without one cent to those who get it. Most of the sum comes out of the pockets of persons [illegible] able to lose it, but often [illegible] have never got it back, and they are compelled to suffer the wrong in silence, not daring to expose the cheat for fear of *exposing themselves*. All this comes from trusting *without inquiry*, to men who are [illegible] destitute of honor, character and skill, and whose only recommendation is their only [illegible] and extravagant assertions, in praise of themselves. It therefore, you would *avoid being humbugged*, take no man's word, *no matter what his pretensions are*, but MAKE INQUIRY—it will cost you nothing, and may save you many regrets, for, as advertising physicians, in nine cases out of ten are [illegible] there is no safety in trusting *any of them*, unless you know [illegible] and what they are.

☞ DR. M. will send FREE, by enclosing one stamp as a fee, a Pamphlet on DISEASES OF WOMEN, and on *Private Diseases* generally, giving full information with *the most undoubted references and testimonials*, without which no advertising physician or medicine of this kind is deserving of ANY CONFIDENCE WHATEVER.

☞ Orders by mail promptly attended to. Write your address *plainly*, and direct to DR. MATTISON, as above. 39-1y
