

GNAWS AWAY THE BONE

Blood Wine Checks Catarrh

"If you are not careful you will have Ozoena!" This remark is made to the writer of this article on a day by a specialist who was treating him for catarrh. Few people know what Ozoena is. Well, it is an advanced stage of catarrh—the point where the bone bordering the nasal passages—the posterior cavities—commences to decay, and where comes from the head a steady discharge of yellow mucus which smells dreadfully. When one has Ozoena you can't stay in the room with him on account of the smell. Catarrh if it remains in the head will invariably run into Ozoena in time. If it goes down the bronchial tubes it will terminate in consumption. Which would you prefer? Catarrh is a diseased condition of the mucous membranes, and is caused by poor nourishment of the membranes by the blood—in other words, a diseased condition of the blood.

Local applications wouldn't cure catarrh in a hundred years. You must use internal means and reach it through the blood. As a safe little cure for catarrh, "Blood Wine" is a milder yet the newest and most reliable form of treatment. It quickly stops all those aggravating features of the annoying and fatal disease, such as dropping in the throat, sore throat, excessive secretions from the nose, spitting up of hard clumps, watery eyes, etc., and cleanses the nasal passages. Mrs. Annie Kreechubel of 424 F Street, Louisville, had catarrh so bad and so far advanced that she was on the verge of passing away. She made a hard fight and won. Now she can't say enough for "Blood Wine." Listen:

"For fifteen years I think of it—and the best years of my life I suffered with it. It was a stomach trouble. I grew worse and worse, and could hardly walk across the room. As I had taken all kinds of medicines with no result, I had almost given up hope. When "Blood Wine" came to my attention in Louisville I sent for a sample bottle, and after purchasing three more, I have now finished my third bottle, and can walk around without getting tired. My strength is returning and I feel like a new woman. I will say to all sufferers with catarrh that "Blood Wine" is the medicine to take if they want to be cured."

If you have catarrh, depend upon it. Mrs. Kreechubel has not overdrawn its value one bit. You can rely on "Blood Wine" doing just as much for you.

Send your name to the Louis Daudelin Co., Worcester, Mass., and receive, free of charge an expert examination of your blood. "Blood Wine" costs fifty cents.

ANDREW'S DRUG STORE,
C. F. SIMONDS, SAXTONS RIVER.

Indigestion Causes Catarrh of the Stomach.

For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the glands to secrete mucus instead of the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat Make the Stomach Sweet. Bottles only. Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. O. DEWITT & CO., Chicago, Ill.

Constipation

Does your head ache? Pain back of your eyes? Bad taste in your mouth? It's your liver! Ayer's Pills are liver pills. They cure constipation, headache, dyspepsia, 25c. At druggists.

Dr. Emmons'

Monthly Regulator has brought happiness to hundreds of anxious women. There is positively no other remedy known to medical science that will so quickly and safely do the work. Longest and most obstinate irregularities from any cause relieved immediately. Success guaranteed at any stage. No pain, dizziness, or interference with work. Have relieved hundreds of cases where others have failed. The most difficult cases successfully treated by mail and beneficial results guaranteed in every instance. No risk whatsoever. We treat hundreds of ladies whom we never see. Write for further particulars and free confidential advice. Do not put off too long. All letters truthfully answered. Remember, this remedy is absolutely safe under every possible condition and positively leaves no after effect upon the health. Sold by mail securely sealed, \$2.00. Money letters should be registered. DR. J. W. EMMONS CO., 170 Tremont St., Boston, Mass.

Bellows Falls Times

THURSDAY, MAY 7, 1903.

Vermont News

Guy Bentley of Sandgate recently shot a bald eagle, which measured 5 feet, 10 1/2 inches between the tips of its wings. The bird was brought to Manchester and was sold at the Equinox house where it will be mounted for exhibition. Mr. Bentley is a veteran trapper and hunter of Sandgate, and captures annually many foxes, raccoons, and other fur-bearing animals.

The city of Montpelier has brought mandamus proceedings against the Barre & Montpelier Traction and Power Co., to determine the legality of the increase in fare from five to ten cents, and whether the company is not compelled to give transfers. The case will be brought before the May term of the supreme court. The city has asked the co-operation of the Barre city council.

The postoffice at Wilder was entered by forcing a window at midnight last Thursday night and the door of the safe was blown off. A quantity of postage stamps and money to pay money orders and cash were abstracted including \$75 which was the property of J. M. Quimby, postmaster. The full value of all the property removed is about \$250. There is no clue to the burglars.

A valuable document has been found among the effects of the late Isaac W. Sanborn of Lyndon. It is the original grant of the town of Lyndon, dated in 1781, the 27th of June, and bears the signature of Vermont's first governor, Thomas Chittenden. It bears the old state seal. Also a pin is used in confining the papers, showing the quaint style of that useful article over 125 years ago. This will be placed among the cherished relics of the town and ought to occupy a conspicuous place in the new town library building.

A large real estate transaction was consummated at Swanton Wednesday night of last week. Fletcher D. Proctor of Rutland for the Barney Marble company and Col. N. W. Fisk of Isle La Motte met there, and the result of their negotiations is the transfer of all the quarry rights of Fisk & Bradley, on the C. E. M. Bullard farm at Swanton Junction to the Barney Marble company. This gives the Barney Marble company the sole control of all the variegated marble ledges in the vicinity. The rent on these quarries is \$300 per annum.

George Bennett of Barre, aged 17 years, was last week sentenced to the state industrial school at Vergennes for the remainder of his minority, or until September 8, 1904. About four months ago Bennett was arrested in Barre for forgery in raising a check given by Jones Brothers from \$3.85 to \$10.85 which he cashed at the Barre National bank. The bank subsequently recovered this money and an information against Bennett was filed by the state's attorney. He pleaded guilty. The court added in the sentence that if Bennett's behavior in the state industrial school is not exemplary he is sentenced to the house of correction at Rutland for not less than three nor more than three and one-half years and to pay a fine of \$1.

Hugh Henry, president, with Messrs. Meacham, Peck and Kenfield, trustees, were at the soldiers' home at Bennington recently, and concluded the arrangements for additions to the farm department of the home. One of the barns will be rebuilt so that it will furnish accommodations to ten more cows. It is the intention to make what butter is used at the home instead of purchasing it, as soon as the proper facilities can be had. It was also decided to put in a 100-ton silo. The fountain and pool at the bottom are to be put in first-class condition. The deer that was recently sent to the surroundings and is quite an attraction. The trustees say that no special appropriation from the state will be needed to pay for the contemplated improvements.

The Citizens' Telephone company has leased for a term of years the New England Telephone company instruments and the business of the exchanges at Morrisville, Hardwick and Jeffersonville will be under the control of the Citizens' company, which is owned by parties in Stowe and Morrisville. This is the first time in its history that the New England

NO HUMBURG HERE.

Bellows Falls Endorsement is What Counts With the Bellows Falls Public.

You can't fool the public all the time. They will find you out at last.

Every time a man is fooled.

Another skeptic is made.

Many the remedy that makes the skeptic because it fails to keep its promises.

Doan's Kidney Pills bring renewed reward.

They cure the skeptic.

Plenty of proof of this at home.

Bellows Falls proof for Bellows Falls people.

Mrs. John Carr, (Mr. T. Carr, farmer) residing in District No. 11 says:—"I had a constant dull aching in my back and down in my side for a long time. If I stooped or bent over or exerted myself in any way I felt twinges in the small of my back. At night I was afraid to turn in bed for fear of stitches taking me across the loins. If I did turn over pain set in compelling me to lie awake for hours and to arise in the morning tired and exhausted. I tried different remedies I saw advertised but they brought very little if any results. As a last resort I went to Andrew's drug store for Doan's Kidney Pills. They helped me from the first. I could sleep well nights and felt better in every way."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

This face cleared off quick by "D.D.D."

Case of Mrs. J. M. Daniels of Winchester, Ky., completely cured by D. D. D. after 7 weeks' application. She had suffered fifteen years.

Fifteen years' tortures of her terrible skin disease stopped in a few weeks. Not a blemish remains on the patient.

This is a FACT

Andrew's Drug Store BELLOW FALLS.

We hereby certify that full particulars shown as regarding this case conclusively prove that the sufferer as shown in this photo, taken before treatment, was cleared of all taint of the disease by D. D. D., the wonderful new prescription for skin affections.

We have never known anything more wonderful in medicine than the work of this remedy. Cases cured since we have been handling it have fully equalled the record of it shown us before taking it for sale.

It can be depended upon fully. Price, \$1 per bottle. Money refunded in all cases if not satisfied with results after trying a bottle of it.

Telephone company has given up any of its territory to a private line and this has only been brought about by E. H. Vanceor, who for the past year has been connected with the Citizens' company. Mr. Vanceor is a native of Burlington and from his early boyhood has been in the telephone business, and in this new enterprise he will be the general superintendent of the system by this change. It will be a great benefit to the telephone patrons of that county, as the Citizens' company has expanded to such proportions that it has become necessary for business men to have both instruments, and now all will be under one management and only one instrument required. It is understood that the rates will remain the same as heretofore. The contract will commence on June 1 and new lines will be pushed on every direction throughout the district.

A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetter of Shepherdstown, W. Va., says, "I had a severe case of Bronchitis and for a year tried everything I ever heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by The Corner Drug Store. Trial bottles free. Regular size 50c. \$1.

Smallpox at Putney.

Dr. H. D. Holton, secretary of the state board of health, last week quarantined the house of John Whitney, a Putney farmer, for smallpox. Mr. Whitney's brother, Harley, called on a physician while on his milk route, and was told that his illness resembled smallpox. Doctor Holton confirmed the physician's opinion. A number of people were exposed. Doctor Holton also quarantined Willis Ray's house in Dummerston for the same disease. Mr. Ray was visited recently by his daughter, who lives in Fisher's Island. While there she received word that the house in Fisher's Island was under quarantine restrictions. The daughter has not been ill, so it is probable the disease was brought in her clothes.

Quick Arrest.

J. A. Gullidge of Verblena, Ala., was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It cures aches and kills pain. 25c at The Corner Drug Store.

Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my teens again," writes D. H. Turner of Dempsytown, Pa. They're the best in the world for Liver, Stomach and Bowels. Purely vegetable. Never gripe. Only 25c at The Corner Drug Store.

Supreme Court Will Decide.

In order to test the validity of the action of D. L. Morgan, superintendent of the house of correction, in refusing admittance of second offense drunks sent to Rutland to work out their fine, habeas corpus papers were served on Sheriff John Deane of Montpelier as he was taking Andrew Rogers to the train bound for Rutland Thursday. Rogers having been sentenced to 102 days as alternative sentence. He was brought here Judge W. P. Stafford, and the matter was continued until the next term of supreme court which convenes May 12, when the question as to the validity of the commitment can be determined. Rogers was unable to pay a fine of \$15 and costs. Bail was fixed at \$100.

A Startling Test.

To save a life, Dr. T. G. Merritt, of North Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "A patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles. I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at The Corner Drug Store.

Grand Bodies of Odd Fellows at Enosburgh.

The annual session of the grand bodies of Odd Fellows will be held at Enosburgh Falls, beginning Tuesday, the 18th, and closing Friday, the 21st. The grand encampment will meet Tuesday morning at 9 o'clock and in the afternoon will occur the parade of the Patriarchs Militant. In the evening the banquet of the past grand masters and past grand patriarchs will be held.

The grand lodge will convene Wednesday morning and their proceedings will occupy the entire day. It is expected that prominent officers of neighboring grand lodges will be present. The Rebekah assembly will be held Thursday, and in the evening Rebekah lodge, No. 38, of Hyde Park will exemplify the Rebekah degree.

The headquarters of the grand lodge and grand encampment will be at the opera house of the Rebekah assembly at the Quincy house.

The X-Rays.

Recent experiments, by practical tests and examination, by the aid of the X-Rays, establish as a fact that catarrh of the stomach is not a disease of itself, but that it results from repeated attacks of indigestion. "How Can I Cure My Indigestion?" Kodol Dyspepsia Cure is cured thousands. It will cure you of Indigestion and dyspepsia, and prevent or cure catarrh of the stomach. Kodol digests what you eat—makes the stomach sweet. Sold by The Corner Drug Store.

License Paper at Lyndonville.

Undaunted by the solid front which Caledonia county presented against high license at the March elections, the license advocates of St. Johnsbury propose to continue the fight, and feeling the necessity of a newspaper committed to high license, four leading license men have purchased the subscription list of the Lyndonville Journal and that paper will be devoted to bringing "hilly white" towns into the license fold.

The gentlemen mentioned are: Frank N. Carr, defeated candidate for senator on the local-option ticket last fall; M. J. Caldwell, owner of the Avenue House; H. H. Hovey, a prominent democratic lawyer, and Fred Gilman, a well known horse dealer. The purchase was made at an opportune time as the Journal, which is edited and managed by E. O. Leonard, formerly of the St. Johnsbury Republican, and previous to that treasurer of the defunct Bradford Savings bank and Trust company, has been in sore financial straits for some time. The former owner, H. H. Wells now of Glover, holds a mortgage of \$2000 on the presses and printing materials.

Relief

From Headache and Neuralgia

In a Few Minutes After Taking

Dr. Miles' Anti-Pain Pills.

Chronic Case Cured.

"I cannot speak to highly of your remedies and I will always tell my friends how much they have done for my husband and myself for sudden attacks of headache, neuralgia and rheumatic pains. There is nothing equal to Dr. Miles' Anti-Pain Pills. They are simply splendid and give relief in fifteen or twenty minutes. I used to be subject to attacks of headache, which had become chronic, and I took a course of Nerve and Liver Pills in connection with the Anti-Pain Pills. The result is I now have very little trouble in that way. My husband has also taken these remedies and praises them very highly. We always have some of both kinds of pills in the house, and do not feel that we could get along without them." Mrs. KATE K. JOHNSON, McClellandville, Delaware.

There are many reasons why you should take Dr. Miles' Anti-Pain Pills, but the best reason is that they will give you almost instant relief from headache, neuralgia, rheumatism, chronic headache, when the sufferer knows an attack is coming on, a Pain Pill will usually prevent it entirely. In cases of extreme nervous exhaustion, when the brain is too tired and the body too nervous to rest, an Anti-Pain Pill will soothe the nerves so that sleep may come. They never fail, yet contain no opiates and are non-addictive.

All druggists sell and guarantee Dr. Miles' Anti-Pain Pills. They are non-addictive, contain no opiates, never sold in bulk, 25 doses, 25 cents. Dr. Miles Medical Co., Elkhart, Ind.

rial, so that Editor Leonard's only available space in the establishment was the subscription list. The new owners have ordered Mr. Wells to remove his property and they propose to establish a new plant, installing type setting machines, etc. The parties interested were at Lyndonville recently and it is possible that some arrangement may be made to purchase the mechanical apparatus from Mr. Wells. If this is not done it is rumored that John B. Chase, who succeeded to the proprietorship of the Vermont Union on the death of his father, C. M. Chase, may secure the Journal equipment and move the Union from Lyndonville to Rutlandville. In case this is done it is altogether likely that the new license paper will be published at St. Johnsbury. It is not yet known who will be editor of the Journal under the new ownership.

Messrs. Carr, Calbeck, Howe and Gilman, will proceed at once to form a stock company among license advocates in this town and vicinity, and a strong effort will be made to change the sentiment of this section of the state in regard to the liquor question.

The Wastes of the B. dy.

Every seven days the blood, muscles and bones of a man of average size loses two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions, the strength lets down, health gives way, and disease sets in. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures indigestion, dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by The Corner Drug Store.

Employers' Meeting at Rutland.

About 250 people attended the lecture which was given to the members of the employers' association by A. C. Marshall, secretary of the employers' association of Dayton, O., in Baxter hall at Rutland Thursday afternoon. The gathering was for the purposes of leading up to the formation of a state employers' association. Although Mr. Marshall was the principal speaker of the day, short remarks were made by Col. J. C. Baker of Rutland and Elias Lyman of the employers' association of Burlington. About 200 people were in the hall when the meeting was called to order at 3:56 o'clock by President J. F. Manning of the Rutland employers' association. More came in at various times during the afternoon. About 150 members of the other employers' associations of the state were present.

In introducing the speaker Mr. Manning said that the employers of Vermont must organize in order to have some means of protection, and said that the purpose of this meeting was to hear what benefit the employers' association has been to the people of Dayton, O. He said that it has been reported that this association was organized for the express purpose of crushing organized labor, and he wished to state that this was absolutely untrue and that this meeting was for the purpose of hearing the views of prominent men on the question of bettering the relations between employer and employe. Mr. Marshall's address was of considerable length and he told of his interest in the employers' association and the benefits derived from the association and expressed opinions concerning the present conditions existing between labor and capital.

Col. J. C. Baker said he did not know very much about the question involved in the discussion, but that there is no doubt in the mind of any intelligent citizen that there are differences between capital and labor and the question is, "What is the remedy?" Colonel Baker said that a man's labor is his property and he has a right to dispose of it as he likes so long as he does not infringe on the equal rights of others, and that here is where organized labor has overstepped the bounds. Colonel Baker spoke of the labor troubles in Rutland. He said that bribery, corruption and intimidation had been resorted to and that there had been even threat of personal violence by men who were paid by the union to do such work. He said that it is a disgrace to the city that men should refuse to sell goods to certain persons because they were requested to do so by strikers or their representatives.

In referring to the barbers' union Colonel Baker said that the boss barbers were not exempt from the dirtiness of the union. He said that by a rule of the union the boss barbers were fined \$5 if they did any work for a "scab" and that one of them was fined last summer for cutting the hair of John Woodfin.

Colonel Baker said that there was one thing which had not occurred there and that was violence making it necessary to call out the militia. He said: "Organized labor has given out a fiat that no member shall belong to the militia. Why? Because the militia supports the law." He considered that this action of the unions in entering the members not to join the militia was treason.

Stops the Cough and Works Off the Cold

Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure no pay. Price 50 cents.

GASSETTS.

[Deferred.]

Mr. and Mrs. George Boynton went to Boston Friday to be absent a week. Mrs. Carrigan of Springfield is in charge of her daughter's household while she is away.

Mr. and Mrs. Owen Johnson have begun housekeeping in Charley Aldrich's house, the late home of the A. P. Tobey family.

Mrs. W. M. Carlisle and Frank attended the funeral in Bartonville Monday of a nephew, Adalbert Carlisle.

Waldo Stevens of Bellows Falls was in town over Sunday visiting friends.

Mrs. J. E. Putnam is in very poor health this spring.

Mrs. Gertrude Fuller came Monday from Bellows Falls for a few days' stay here with her parents, Mr. and Mrs. J. H. Marsh.

Miss Susie Spafford is happy in the possession of a new piano.

Mrs. P. R. Earle was in Bellows Falls last week Tuesday.

Fred and Bert Carlisle are able to be out having nearly recovered from their recent illness.

A prominent club woman, Mrs. Danforth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains and misery by Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Life looks dark indeed when a woman feels that her strength is fading away and she has no hopes of ever being restored. Such was my feeling a few months ago when I was advised that my poor health was caused by prolapsus or falling of the womb. The words sounded like a knell to me, I felt that my sun had set; but Lydia E. Pinkham's Vegetable Compound came to me as an elixir of life; it restored the lost forces and built me up until my good health returned to me. For four months I took the medicine daily and each dose added health and strength. I am so thankful for the help I obtained through its use."—MRS. FLORENCE DANFORTH, 1007 Miles Ave., St. Joseph, Mich.

A medicine that has restored so many women to health and can produce proof of the fact must be regarded with respect. This is the record of Lydia E. Pinkham's Vegetable Compound, which cannot be equalled by any other medicine the world has ever produced. Here is another case:—

"DEAR MRS. PINKHAM:—For years I was troubled with falling of the womb, irregular and painful menstruation, leucorrhoea, bearing-down pains, backache, headache, dizzy and fainting spells, and stomach trouble.

"I doctored for about five years but did not seem to improve. I began the use of your medicine, and have taken seven bottles of Lydia E. Pinkham's Vegetable Compound, three of Blood Purifier, and also used the Sative Wash and Liver Pills, and am now enjoying good health, and have gained in flesh.

I thank you very much for what you have done for me, and heartily recommend your medicine to all suffering women."—MRS. EMMA SNYDER, 218 East Center St., Marion, Ohio.

"FREE MEDICAL ADVICE TO WOMEN."

Women would save time and much sickness if they would write to Mrs. Pinkham for advice as soon as any distressing symptoms appear. It is free, and has put thousands of women on the right road to recovery.

Mrs. Pinkham never violates the confidence thus entrusted to her, and although she publishes thousands of testimonials from women who have been benefited by her advice and medicine, never in all her experience has she published such a letter without the full consent, and often by special request of the writer.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.
