FREE TO THE SICK!

Prof. Wm. Fletcher Hall of Boston
REPRESENTING
Dr. J. Fraser Barbrick and Prof. Wm. Fletcher Hall, F. Sc. S.,
Boston's most Celebrated Specialist. The Marvelous Magnetic Healer and Lecturer.

WILL BE IN
Bellows Falls, Vermont
AND HAVE OFFICES AT
WINDHAM HOTEL
FOR ONE WEEK ONLY!
BEGINNING
MONDAY, MAY 25, to and including SATURDAY, MAY 30.

FREE FOR THIS VISIT. To introduce this system of healing, to become quickly acquainted with the sick and to attract public attention to the wonderful power of Magnetism in alleviating pain and curing disease, Prof. Hall will give to all who call on them during this visit, **HIS WONDERFUL SIGHT EXAMINATION AND READING OF DISEASE** (whereby he diagnoses your disease without looking at the tongue, feeling of the pulse or asking questions) **AND ALL MAGNETIC TREATMENTS REQUIRED BY THE PATIENT**

ABSOLUTELY FREE OF ALL CHARGE!

The marvellous cures made by Dr. Barbrick and Prof. Hall have attracted the attention of thousands of people in every walk of life and given to the sick and suffering new life and hope. That the deaf are made to hear, the blind to see, and the lame to walk; that the unsightly tumor is made to waste away and the foul cancer cleansed and dried up simply by the touch of the hand and the applications of their treatment seems beyond belief, but such are the claims made by those who have been treated by them and you are given the chance to test for yourself whether such things are true. The barbarous, unnatural and unnecessary operations, the harsh and painful treatments, the needless exposures in examinations and the old methods used by the ordinary practitioner are all done away with. The treatment is at once scientific, sensible, and progressive, safe in its application and positive in its results. Although they treat all forms of chronic, long standing, obscure and difficult cases, and cure many so-called incurable cases they wish it thoroughly understood that if after a careful examination of your case they are in doubt as to the curability of it, they will frankly tell you so, and they reserve the right to reject any or all cases.

ALL DISEASES AND DEFORMITIES TREATED.

CATARH CURED.—Consumption in the incipient stage, bronchitis, asthma, rheumatism, diseases of the nose, throat, lungs, stomach, liver, kidneys, scrofula, sores, ulcers, and all chronic blood troubles, eczema, psoriasis, pimples, blotches and all skin troubles treated and cured.

NERVOUS DISEASES.—Nervous debility from any cause, hysteria, neurasthenia, chorea, St. Vitus' dance, epilepsy, locomotor ataxia, palsy and all such diseases successfully treated by their "Tissue Cell Building" treatment.

DISEASES OF WOMEN.—Ladies examined without exposure and all diseases peculiar to their sex cured without rings, pessaries, Supporters, etc., by new and pleasant home methods.

DISEASES OF MEN.—The weakness arising from indiscretions, excesses, overwork, causing weak or failing memory, lost vitality, pimples, impure blood, falling hair, etc. By their improved methods such sufferers are certain of immediate relief and perfect cure.

CANCERS, malignant tumors, and growths, all enlargements and glandular swellings, removed and cured without the use of a knife. No pain. No matter what disease you are suffering from or how long standing, no matter how many physicians have failed to cure you, call on them. It will cost you nothing and you may profit by it.

Are You Sick? Are You Suffering? If so, Call on Them!

Not only will you be surprised at their wonderful knowledge of disease, their plain, concise explanation of every cause and effect, but at the marvelous rapidity of their new common sense, rational treatment which goes to the very seat of the trouble, giving almost instant relief, and in all cases that have not progressed too far, absolute and permanent cure. No person should doctor any further or take any more medicine before consulting them.

IF YOU ARE DISEASED AND HAVE LOST HOPE, IF YOU HAVE FAILED OF A CURE NEVER DESPAIR.

Remember the dates and call early to avoid disappointment and the crowded last days. At the WINDHAM HOTEL (Ladies' Entrance and Parlor) from Monday, May 25, 9 A. M., to Saturday, May 30, 9 P. M. Office hours, 9 A. M. to 12 M., 2 to 5 P. M., and 7 to 9 evenings.

The New Hampshire Old Home Week association has, since its annual meeting April 28, sent out circulars urging the early organization of local associations for 1903.

The date has been fixed for August 15-21. From the circular we quote the following: "Once in a while I hear the remark made that it would be better to have celebrations every other year, or once in a few years, but I want to emphasize the fact that the real object of Old Home week is best observed by an annual celebration, the object being to make the absent sons and daughters feel certain that by planning to come home in a certain week each year they can always find their old friends and companions. If towns do not attempt the celebration too elaborate and too expensive, it is a very simple matter to keep them up annually."

The I. O. O. F. had a social dance at their hall Saturday night.
