ON FIRE WITH ECZEMA

Terrible Sufferings of Little Baby. Seven Doctors and Two Hospitals. Fall. Cured by Cuticura.

My baby boy, 5 months old, broke out with eczema. The itching and burning was intense, the eczema spread to his limbs, breast, face, and head, until he was nearly covered; his torturing agonies were pitiable to behold; he had no peace and but little rest night or day. He was under treatment in two hospitals and by seven doctors in this city without the least benefit; every prescription of the doctors was faithfully tried, but he grew worse all the time. For months I expended about \$3 per week for medicine, and was directly discouraged. I purchased CUTICURA, CUTICURA SOAP and CUTICURA REMEDY and followed the directions to the letter. Relief was immediate, his sufferings were eased, and rest and sleep permitted. He steadily improved, and in nine weeks was entirely cured, and has now as clear a skin as was ever a boy as any mother could wish to see. I recommend every mother to use it for every baby.

MR. J. P. BLAIZE, an extensive real estate dealer in Des Moines, Iowa, narrowly escaped one of the severest attacks of pneumonia while in the north part of Vermont during a recent blizzard, says the Saturday Review. Mr. Blaize had occasion to drive several miles during the storm, and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia or lung fever. Mr. Blaize went to the nearest drug store and got a bottle of Chamberlain's Cough Remedy, of which he had often heard, and took a number of large doses. He says the effect was wonderful in a short time he was breathing quite easily. He kept on taking the medicine, and the next day was able to come to Des Moines. Mr. Blaize regards his cure as simply wonderful. For sale by C. Blakely, druggist, Montpelier.

"LECTURE ON FOOLS! ADMIT ONE!"—A gentleman who lectured on fools printed his tickets as above. Suggestive, certainly, and even sarcastic. What fools they are who suffer the torments of disease when they might be cured. Dr. Pierce's Golden Medical Discovery is sold under a positive guarantee of its benefiting or curing in every case of liver, blood and lung disease, or money paid for it will be cheerfully refunded. In all blood taints and impurities, of whatever name or nature, it is most positive in its curative effects. Pimples, blotches, eruptions, and all skin and scalp diseases, are rapidly cured by this wonderful medicine. Scrofulous disease may affect the glands, causing swellings or tumors; the bones, causing "fever-sores," "white swellings," "lip-joint disease," or the tissues of the lungs, causing pulmonary consumption. Whatever its manifestations may be, "Golden Medical Discovery" cures it.
