Black Face Minstrels Contradict Scientists

The Black Face Minstrel—
1. Presents an exaggerated and derogatory portrait of the Negro.
2. Offends the sensibilities of most Negroes and others who are sensitive to such portrayals.

Bread on the Waters

Our Neighborhood Department, under the leadership of John E. Blake, has just completed two series of radio programs aimed at giving a different view of the Negro.

Job Clinic

Our Job Clinic, held on Monday nights at 8:00 p.m. at the U.S. Post Office, Portland, has already attracted a large and appreciative audience.

Mass Attack On Bigotry

We, along with other community groups, are planning a mass appeal.

Church and Civil Rights

The concept upon which Civil Rights is founded is the recognition that the world of the individual, the majority of Negroes, is the thing of humanity.

Sports

The largest crowd ever to see an Oregon Negro play basketball was at the Portland Armory last week. The Portland Armory, a Negro school, has just completed their basketball season and the teams have been invited to the league for the upcoming season.

Our Salute

We offer our congratulations to all of our Negro students who are working hard and making progress.

New Leaders

Great strides have been made in the Negro community, especially among the youth. These youth are setting a new example for all to follow.
