Sour Milk Will Help To Make You Beautiful

FOR AN INFREQUENT HOUSEWIFE

Sue Brown, a housewife who lived in the Palisades, N. Y., is now known as "Sour Milk Job," because she has been using sour milk for the past two years. She found that it gave her more energy, and she was so happy with the results that she decided to continue using it. She also found that it made her skin look younger, and she was so pleased that she decided to write a book about her experience.

Sour Milk is an excellent source of protein, and it is also rich in minerals and vitamins. It is a good source of calcium, and it is also a good source of iron.

Sour Milk is also a good source of vitamin C, and it is also a good source of vitamin D. It is also a good source of vitamin A, and it is also a good source of vitamin B.

The sour milk that Sue Brown used was made by her own family, and it was made by mixing fresh milk with a little bit of fresh sour dough. She mixed the two together, and then she let it sit for a few hours before using it.

Sour Milk is a very healthy food, and it is also an excellent source of protein. It is also a good source of calcium, and it is also a good source of iron.
