Catarrh of the nose and throat should lead you to at least ask us for a free trial box of Dr. Shoop's Catarrh Cure. Nothing so surely proves merit as a real, actual test—and Dr. Shoop to prove this, earnestly desires that we let you make that test. This creamy, snow white healing balm soothes the throat and nostrils, and quickly purifies a foul or feverish breath. Call and investigate. E. A. Billingslea & Co.

INSURANCE.

Each man owes it to himself and those dependent on him to provide against contingencies. The ravages of fire, the horror of an accident, may shut off the present means of living. An insurance policy at this time would be a comforter in the time of trouble, etc.

Francis E. Nichols

PASTOR TIRED OF BEGGING.

Resigns Rather Than Collect for His Living Expenses.

TRENTON, N. J., Dec. 5.—Because he has been forced to collect his salary as well as money for the running expenses of his church, the Rev. J. B. Whitton, of the Warren Street Methodist Church, announced that he will not stay with the congregation after Jan. 1.

He says he should not be compelled to be a collecting agent for the parish. Besides gathering money to pay the coal bills and the interest on the church mortgage, the minister says he has been compelled to collect money for even the necessities of life.

The church is one of the oldest in the city, and stands on the hill where Washington planted his cannon for the battle of Trenton. Time has changed the character of the neighborhood, and the church is in straits.

It is estimated that the new waterways in course of construction in Germany will cost \$75,000,000.
