Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves — re-establish them as needed, with

SEND LIST OF WEST VIRGINIANS OUT OF STATE TO WHEELING BOARD OF TRADE.

Plans for West Virginia Home Coming Week, September 8-15, are progressing rapidly, and Secretary Naylor, of the Board of Trade, is preparing to send out the invitation souvenir postal of the city. In speaking of the matter yesterday, he said:

"We are desirous of distributing the postal, which are really very handsome, and contain a latest view of Wheeling, as widely as possible over the country. The co-operation of the public in this will be needed, and lists of former West Virginians now living without the State should be prepared and sent to us in order that these people may all be sent a postal. This applies not only to Wheeling but persons from all parts of the State who have relatives living without the State should send their names and addresses in.

"Indications are that Home Coming Week will surpass anything of the kind ever attempted by Wheeling, and from all sides the most flattering of reports are received, while many prominent people within and without the State have accepted invitations to be present, and several will make addresses welcoming dcy."—Wheeling Intelligencer.

Catarrh Cannot be Cured

with local applications, as they cannot reach the seat of the diesase. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

Killed by Engine At Smithfield

SYLVESTER HORNOR STRUCK WHILE STANDING ON SHORT-LINE TRACK AT SMITHFIELD.

CLARKSBURG, July 11.—Sylvester Hornor was killed by the Short Line passenger train at Smithfield Tuesday night, as the train slowed up for the station. Hornor was standing on the track and for some reason did not get off when the train approached and the engine struck him before it could be stopped. His arms and legs were cut off and his body mangled. He died instantly. Hornor had just gone from the mountains in the interior of the State to Smithfield, and intended to board the train for Robinson as he had purchased a ticket for that point.

The remains were taken to Robinson. It is stated that the dead man is a relative of William Hornor, druggist, at West Union. His age was about 40 years and nothing is known at Smithfield of his family.

Boston Plans Old Old Home Week

THE HUB MEANS TO HAVE GREAT REUNION OF SONS AND DAUGHTERS.

BOSTON, July 11.—For seven days Boston, the historic capital of Massachusetts, will be "at home" to all her sons and daughters, no matter where they reside. The entire time will be given to a series of midsummer festivities and observances such as no other city in the world is in a position to off its guests.

The programme for the week is as follows:

Sunday, July 28—"Founders' Day." Special religious services in the churches. Band concert on the Common.

Monday, July 29—"Patriots' Day." Mass meeting of patriotic societies in Mechanics' Hall, afternoon; reception in the evening. Dedication of historical tablet on School street.

Tuesday, July 30—"Homecomers' Day." Muster and playout of New England Veteran Firemen. Public meeting in Symphony Hall. Open-air horse show and races. Dedication of new Cambridge Bridge. Special observances in the various local districts. Fairbanks family reunion. Reception on board the United States frigate Constitution.

Wednesday, July 31—"New England Day." Grand civic and trades parade. Banquet to visiting governors, mayors and other distinguished guests.

Thursday, August 1—"Massachusetts Day." Automobile parade. Fishermen's race. Athletic games on the Common. Reunion of old-time baseballists. Orchestral concert. Evening, electrical parade.

Friday, August 2—"Women's Day." Reception by various women's organizations. Children's entertainment. Wheelmen's outing.

Saturday, August 3—"Military Day." Mobilization and parade of the State militia. Rowing regatta. Yacht races. Centennial anniversary celebration in Brighton. Amateur athletics.

The arrangements for the great reunion are in the hands of a committee of one thousand, made up of citizens representing practically every industry, pursuit and activity in the city, assisted by an auxiliary committee of women. Mayor John F. Fitzgerald is chairman of this committee, and the executive committee is composed of some 75 of the most active and influential residents of Boston.

Irrigation has probably been practiced more extensively in Australia than anywhere else on the globe. In New South Wales alone more than 2,000,000 acres have been reclaimed by the development of the ground water.
