SECRETARY TAFT IN KENTUCKY

ALLAYS FEARS OF COLORED VOTERS IN A VERY HAPPY SPEECH.

LEXINGTON, Ky., Aug. 23.—When William H. Taft, secretary of war, and candidate for the Republican nomination for President, arose to speak in the Woodland park auditorium here yesterday afternoon, cheers such as Kentuckians only can give greeted him.

Secretary Taft's immense fame was the first thing to catch the attention of the audience. They sat for a minute sizing him up and then again cheered loudly. He complimented Lexington and Kentucky. His first sentences brought smiles to the faces of his audience, but these were soon lost.

Congressman Edward Denby, of Michigan, shaking hands with Judge Taft, remarked on the tall appearance of the Kentuckians. Judge Taft said: "Yes, they seem to grow up down here while us northerners grow out."

BELL LINEMAN ELECTROCUTED

CHARLES SNYDER MEETS DEATH ON ISLAND TELEPHONE POLE.

WHEELING, Aug. 13.—Another lineman yesterday was electrocuted while working at the top of a Bell telephone pole on the island.

Yesterday morning Charles Snyder, Lee Carter and M. J. Kennedy, three Bell linemen, were sent to the island to remove an old wire which had become grounded, that extended from North Broadway and Zane avenue to York street.

Continuing the inquiry the coroner brought out more information to the effect that David McElree and C. W. Griffin, working upon a broken water pipe in a ditch about 20 feet from the pole on which Snyder had been working, heard a sizzling noise and looked up just in time to see him falling through the tree that stood next the pole.

This makes the second accident of the kind to happen in the city within a short time, the other victim being young Rose, a lineman for the National Telephone Company, who met death but a couple of square away from where yesterday's accident happened.
