COAL FLEET IS ON WAY SOUTH

THE BEN HUR DETAINED IN AT-TACHMENT SUIT AT NEW ORLEANS.

The Lizzie Bay Being Dismantled at Jeffersonville—River is Rising and Good Stage is Promised.

Loaded with thousands of tons of coal, a number of coal boats and barges left Pittsburgh yesterday on the crest of the present barge stage, and they are expected to pass down the Ohio river at this point this afternoon. Operators are anxious to get as much out as possible while the stage exists. The steamer John A. Wood and the Vallant, with several tows in charge, are for Louisville, Ky., while the steamers Monitor and Helen White, each with a tow of barges, are hauling for the Diamond Coal company and the United Coal company.

The Ben Hur, a former well known packet on the Ohio river, has been attached at New Orleans for wages due the crew amounting to \$500. The Ben Hur was built at Marietta in 1887 and was formerly in the Pittsburgh-Wheeling-Parkersburg trade, was sold to St. Paul parties and was later engaged in the St. Louis trade.

The packet Lizzie Bay, for several years in the Pittsburgh-Charleston trade, has been towed to Jeffersonville to be dismantled.

With a stage of 10 feet 9 inches registered at the local wharf yesterday afternoon, the Ohio river was rising slowly, due to the recession. A still greater rise is expected to mature soon.

MOUNDSVILLE

Frank Yost Injured in Sewer Cave-in. Frank Yost, an employe of the B. F. Switzer Construction Company, who is engaged in the sewer work in this city, was buried alive yesterday morning while at work on the corner of Fourth street and Myrtle avenue. Yost was in the ditch when the braces gave way and he was driven into the earth. Fellow workmen quickly came to the aid of the injured man and released him from the dangerous position and had him removed to his home on First street. A physician was summoned and upon examination it was found that no bones were broken or serious injuries had been sustained.

Yost to Be Brought Back.
Prosecuting Attorney, Chas. E. Carrigan and Deputy Sheriff William Nolte of Benwood left last evening on the 4 o'clock train for Lansing, Mich., where they will take up the matter with Gov. Osborne of securing requisition for Gus Yost, the Benwood saloon keeper who was found guilty of being in his bar room on Sunday.

A NEW STOMACH

Stuart's Dyspepsia Tablets Restore Lifeless Organs to Normal Condition.

A Trial Package Free.

Many a sufferer from Dyspepsia, indigestion and kindred ailments of the digestive organs carries around an absolutely useless stomach a dead load, and a constant foe even increasing disorders. The muscles are seemingly worn out, the mucous lining has lost its sedative power, and food taken into the stomach lies there and ferments, causing sour eructations, belching, heartburn, dizziness and other distressing conditions. Many sufferers have given up in despair until they have been induced by some interested friend to try a box of Stuart's Dyspepsia Tablets.

Stuart's Dyspepsia Tablets are the dyspeptic's hope. They are a natural restorative of healthy action to the stomach and small intestines, because they supply the elements that the weak stomach lacks—pepsin, golden seal and other digestives. If you are afflicted with any of the symptoms above described, be assured that your digestive organs are losing power—they need help and there is no more sensible help to be given them than to supply elements which will do the work of digestion for them.

Stuart's Dyspepsia Tablets have been found by test to have digestive powers, one grain of the active principle of these tablets being sufficient to digest 3,000 grains of ordinary food. It is plain that no matter what the condition of your stomach, or how far your disease has progressed, one of Stuart's Dyspepsia Tablets taken at meal time will do the work—give your stomach an opportunity to regain its lost powers, the muscles will be strengthened, the glands invigorated, and you will be a new man.

It costs nothing to prove the effectiveness of this cure. Send for a free sample package today. F. A. Sturtz Co., 150 Stuart Bldg., Marshall, Mich. All druggists sell Stuart's Dyspepsia Tablets, at 50 cents a box.

Is it any wonder she looks for the Hancher tiger—the mark of highest quality—on every gift box or silver roll?

COWAN FAVORED FOR PROSECUTOR

ANNOUNCEMENT MEETS WITH APPROVAL IN BELMONT CO.
Confident of the Nomination and Election—Has Friends in Both Parties.

Quite a number of Belmont county citizens yesterday expressed themselves as being very much in favor of W. W. Cowan's candidacy for the office of prosecuting attorney of Belmont county since his formal announcement several days ago, and it is their opinion that the well known attorney of eastern Ohio will be nominated and elected by a large majority, as he has many friends in both the Republican and Democratic ranks. From the fact that Mr. Cowan served one term of two years in the office of prosecutor and made a splendid record, he is believed to be the man for the place. Because of this he was re-nominated two years ago, but, as will be remembered, he was defeated in the Democratic landslide along with many other capable men in his class.
