ELECTROCUTED

Foreigner Comes in Contact With Live Wire in Elm Grove Mine and is Instantly Killed.

Frank Ventrobe, a Polish lad, about twenty years old, well known in Elm Grove, residing in the boarding house known as the German House, Elm Grove, was instantly killed yesterday afternoon about 4 o'clock, by coming in contact with a live wire in the Elm Grove coal company's mine in that town. He was operating a large coal cutting machine, which is run by electricity and in some manner the machine stalled and when he reached across to start it, his hand and arm came in contact with a heavily charged wire, which was exposed, killing him instantly.

The body was removed to the undertaking pariors of D. N. Walters, on Main street, where is was prepared for burial. A sad feature of the case is that his father met death in the same mine about a year ago, under a heavy fall of slate. The young man was working in place of a fellow workman, who was on the sick list, and only had five minutes more to complete his days work. It is not known at present what arrangements will be made in regard to the funeral.

Mrs. Henderson's Waist.

Mrs. Henderson isn't going to wear that pretty white waist of hers again, because it came from the wash all streaked and spotted by the rosin that was in the common yellow soap.

If Mrs. Henderson will have it washed again with Easy Task soap, which has no rosin in it to streak and rot the fabric, ten to one it will look like new. Easy Task does wonders for the clothes and for the women who work. Costs no more than poor soap.

BENWOOD

Foreigner Will Be Given Hearing.

Pedro Iranovich, the demented foreigner who was arrested about two months ago on a charge of loitering, and given ten days in the city jail, and who afterwards was re-arrested on a charge of lunacy and taken to Moundsville, and afterwards was released after having been confined in the county jail for thirty days, was arrested on Thursday afternoon and placed in the city lockup. Pedro was sent to Moundsville to have his condition more thoroughly learned, and he was released on orders of the prosecutor and was put on a Moundsville car, which he rode for several round trips during the evening and was finally put off the car by the conductor. He was standing on the street car track in front of the office of the Riverside guard when arrested the last time. He will likely be given a hearing before Squire Paul Reidel to-day and sent to the insane asylum.

Board of Education to Meet.

The board of education of Union district will meet in special session this evening at the Central school building on Water street. The report of the board on the trip to Chicago last week will be filed and read. Many matters of importance will be up for consideration and all members are requested to attend.
