PAPES! BREAKS A COLD AT ONCE

FIRST DOSE OF PAPER'S COLD COMPOUND ENDS ALL GRIPPE MISERY.

You can surely end Grippe and break up the most severe cold either in head, chest, back, stomach or limbs, by taking a dose of Paper's Cold Compound every two hours until three consecutive doses are taken.

It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, mucous catarrhal discharges, running of the nose, soreness, stiffness and rheumatic twinges.

Take this wonderful Compound as directed, without interference with your usual duties and with the knowledge that there is nothing else in the world which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Paper's Cold Compound, which any druggist can supply—accept no substitute—contains no quinine—belongs in every home. Tastes nice—Adv.
