POSTER MASK WAS SUCCESS

MEMBERS OF MERCANTILE CLUB IN ADVERTISEMENT MASQUERADE.

Social Events of Interest in and Near the City—Brides-elect Are Honored.

The Mercantile Club was the scene of a most delightful and unique event on Wednesday evening, when their poster masquerade was given. There were nineteen of the members in appropriate dress to represent the most famous advertisements or advertised articles. The representations were fine, and everyone tried to outdo the other in representing something known to all, and it was with difficulty that the judges selected the prize winners.

Composer Known Here. Two of New York's latest song hit successes, which are being sung by the leading vaudeville artists of that city, "Daddy Has a Sweetheart, Mother is Her Name," and "Some Boy," are composed by a gentleman who has visited Wheeling frequently and who is known to a number of our people. He is David Stamper, a nephew of Mrs. Leon B. Stein.

Arion Card Party. The members of the Arion Society will enjoy a card party at the hall this evening from 8 to 11 o'clock. Prizes will be awarded, and the affair is for ladies and gentlemen.

Department of Music. The department of music of the Woman's club gave a most delightful recital in the A. O. U. W. rooms on Wednesday afternoon at 3 o'clock, and Mrs. J. Don Merriman is to be congratulated upon the selection of so fine a program.

WOMEN, LOVELY WOMEN. "Fair Tresses Man's Imperial Race Enhances," Says Pope. The greatest of feminine attractions is a beautiful head of lustrous hair. Glorious hair! Great poets have sung its praises; artists have endeavored to portray it accurately, but have seldom succeeded.

Are you a woman? Would you crown yourself with glorious hair? Would you add doubly to your present attractiveness?

Then go to the drug store counter and ask for a bottle of Parisian Sage—the great hair tonic and beautifier. A large bottle costs but 50 cents, and in one week's time it will change harsh, lusterless, untidy hair into soft, silky and luxuriant hair.

Parisian Sage is fully guaranteed to stop falling hair, cure dandruff and itching of the scalp in two weeks or money back.

It kills the microbes, that's how it cures dandruff. It is a pleasant and invigorating hair dressing, and is not sticky or greasy.

"I have used Parisian Sage two weeks only, yet in that time I find my hair has wonderfully increased in beauty, thickness and luxuriance. But what surprised me most was the disappearance of all dandruff. It pleases me to recommend such an efficient remedy to all my friends. Gratefully yours, Mrs. Maud Hazen, 517 West 136th St., New York City."
