PUNY CHILDREN

Who would prosecute only a puny child? Its muscles and sinews are not yet developed, and it is handles that they cannot be subdued by the ordinary means of activity. This is a puny child. It needs a bloodstained flesh and muscle-building food.

Scott's Emulsion

Cod Liver Oil is all of this, and fish liver oil is the fish that has had a large growth, strength, and stamina to the tune. But you get Scott's Emulsion.

TUESDAY.

The Barboursville Public Library is located in the school building and is open during the hours of 8 a.m. to 8 p.m. on weekdays, and 9 a.m. to 5 p.m. on Saturdays.
