

**SPRING TERM 1907**

The West Virginia Wesleyan College calls attention to its approaching spring term. The term will open March 13th and close June 15th. The new college building, with its very modern furniture and educational equipment, provides unusual facilities for work in all departments. The new laboratory is especially attractive. In addition to the regular college, preparatory, normal, engineering, music, commercial, elocution and art courses, special spring courses have been arranged for public school teachers, and those preparing to teach. Classes in the common branches will be formed for all who seek them. A large enrollment is anticipated. The ample buildings, large faculty and the facilities for boarding young men and women enable the school to care well for all who come. The new chapel, with a capacity for two thousand persons, is elegantly furnished. The conservatory of music, Prof. Benson, director, offers music in all kinds. The school is under Christian auspices, and in a town absolutely free from saloons and other menacing evils. Catalogues and all information may be promptly procured by writing President Wier, Beckhannon, W. Va.

Does coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember. In Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha coffee. If your stomach, heart or kidneys cannot stand coffee drinking, try Health Coffee. It is wholesome, nourishing and satisfying. It's safe even for the youngest child. Sold by all dealers.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by all dealers.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant and safe syrup, called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for croup alone. It does not claim to cure a dozen ailments. It's for croup, that's all. Sold by all dealers.

To stop a cold with "Preventives" is safer than to let it run and cure it afterwards. Taken at the "sneeze stage" Preventives will head off all colds and grippe, and perhaps save you from pneumonia or bronchitis. Preventives are little toothsome candy cold cure tablets, selling in 5 cent and 25 cent boxes. If you are chilly, if you begin to sneeze, try Preventives. They will surely check the cold, and please you. Sold by all dealers.
