

AN EXCITING RACE.

Cornell Wins the Great Inter-Collegiate Boat Race.

ESTABLISHES A NEW RECORD.

Pennsylvania Crew Second and Columbia a Bad Third--Details of the Contest--Base Ball Games Played Yesterday--Other Interesting Sporting News.

New London, Conn., June 25.--One of the most exciting races ever rowed on the Thames river took place this afternoon over the three-mile course between the Cornell, University of Pennsylvania and Columbia University eight-oared crews. Cornell won after a hard contest, in the fast time of 14:27 1/2 seconds. University of Pennsylvania was second by four lengths; time 14:45. Columbia was a bad third, being five lengths behind the Pennsylvania crew and eight lengths behind Cornell. Cornell's time establishes a new record, the previous best time being 14:43 over the same course by the same crew last year. The surprise of the day was the unexpected poor showing made by the Columbia crew. The feature was the remarkably close race between Cornell and the University of Pennsylvania, each of the two crews holding the lead at times before the first mile had been rowed, and for two miles it was impossible to name the winner. The conditions for the fast time were excellent. The water was smooth. A strong current was running and a favorable wind also assisting.

At 3:30 o'clock the crew came in sight, Cornell and Pennsylvania on their tugs, while Columbia paddled down in their shell. With very little delay the crews backed up to their stake boats, and were at once given the word. The Pennsylvania got the best of the start, and their boat jumped a few feet to the front with Cornell second, while Columbia, besides making a poor start, seemed to lose at every stroke. In the first ten strokes Cornell's boat shot up even with Pennsylvania, and for an eighth of a mile they were so close that a lead could not be fairly credited to either crew. Nearing the half mile flag the Pennsylvania boat forged nearly half a length ahead of Cornell, with Columbia two lengths behind and hopelessly out of the race. Coming up to the navy yard, about three-quarters of a mile from the start, the Pennsylvanians increased their lead to nearly a length. Cornell here made a grand start and their boat gradually crept up alongside of the Pennsylvania crew, and as the boats neared the mile flag, Cornell sent their boat up on even terms with the Pennsylvanians. For a few seconds the Pennsylvania boys held their position, the boats being bow and bow, while Columbia had lost another length. All of the crews were pulling in splendid form, the two leading crews sending their shells through the water at a fast rate of speed, while the Columbia boat settled and seemed to lag after each stroke. From the one mile to the two-mile flag the race between Cornell and Pennsylvania was most exciting. It was the decisive point of the race. The time for the first half mile was 2:29, and for the first mile 4:43. Cornell has now won thirteen straight races.

BASE BALL GOSSIP.

John T. Bush is booming the idea of a new national agreement. John Ward is continually being caught off bases this season. Yale beat University of Pennsylvania 8 to 5 Tuesday, earning three runs off Bowman. Moran, late of the Louisvilles, pitched a winning game for the New Havens Tuesday. The East End Gyms beat Mansfield 2 to 0 yesterday, Mansfield getting four hits off Thompson. Back Ewing has a "glass" arm, and may take Jim Mutrie's place as manager of the New Yorks. They say Pittsburgh will try for Shugart and Grim. The latter is now playing third for Milwaukee. Frank Shugart, who is playing a phenomenal short stop in the West, is a Pennsylvanian. He hails from Luthersburg, Clearfield county. He first

began professional play in a local league in that section, and was then with Du Bois.

Arthur F. Clarke, the catcher of the New York Giants, was married Thursday evening to Miss Adele Furbush, daughter of George E. Furbush, of Charlestown, Mass.

John Reilly, of Cincinnati, is amusing as an outfielder. High flies keep him circling around like the leader in a drove of trained elephants trying to keep time with a circus band.

Lowe, of Boston, distinguished himself in the second half of the fifth Tuesday, when he caught on Clements and retired Thompson on the plate and Myers at second by hard and accurate throwing.

Mark Baldwin's nerve is objectionable to some directors of the Pittsburgh club. There are not a dozen men playing ball who can go up and strike a club official for his rights with as much coolness as Baldwin.

There is one Pittsburgh team which is a good one. It is the Pittsburgh, Kan., club, which has been playing winning ball, and is considered one of the best clubs in the Southwestern League.

The New York Board of Aldermen have decided that the bleachers in New York must be covered. The Aldermen are mad because the managers of the Polo Grounds refused to supply Aldermen with season tickets this year. The club's counsel says that the Board has exceeded its authority in the present instance.

Uprising of Convicts Prevented.

SAN FRANCISCO, June 25.--When Warden McHale took charge of San Quentin prison recently he ordered a careful search made of the premises, which revealed that a large quantity of arms, ammunition and provisions had been secreted, probably by friends of the convicts, to enable them to escape. It was found also that a perfect code of signals exists among the convicts and it is believed that there was a well planned plot for an uprising among the 1,400 convicts to overpower the fifteen guards in immediate control of the prison. Warden McHale has provided stringent measures to provide against such an emergency.
