IN A RECEIVER'S HANDS.

The James Vick Seed Corporation in Embarrassed Circumstances. ROCHESTER, N. Y., Sept. 17.—The Flour City Bank this morning levied on the property of the James Vick (seeds-men) corporation on a chattel mortgage of \$85,000 held as collateral security. An application for a receiver will be made this afternoon and the corporation will be dissolved. The liabilities will amount to between \$175,000 and \$200,000, and the assets, if an advantageous sale of the valuable real estate owned by the firm is made, will be more than sufficient to cover liabilities.

Brice was Mum.

CINCINNATI, O., Sept. 17.—Senator Brice during his stay here had very little to say on politics. He had been to Oxford to attend the inauguration of President Thomas, of Miami University, on the completion of the scientific hall, to which the trustees voted to give his name in recognition of his large contributions. Coming to Cincinnati he went to the Queen and Crescent office, where he was engaged in railway business.

Editors Shoot Each Other.

SUPPLER SPRINGS, TEXAS, Sept. 17.—E. M. Tate and Everett Moore, respectively editors of the Hopkins county Echo and the Alliance Yindicator, who have been vigorously attacking each other for some time, met in the street and began a fist fight, which terminated in both drawing pistols. Moore received five bullet wounds and lived but a few hours. Tate received but one slight wound and is under arrest.

possession of the Santa Edwige gold mine, over which he has had three years litigation. The mine is located at Jesus Maria, and has produced already from \$10,000,000 to \$15,000,000 of gold. The ore assays \$200 to the ton and is king for millions.

BASE BALL MAGNATES

Trying to Save the National Game—An Important Peace Conference. NEW YORK, Sept. 17.—The men who control the destiny of the National League of base ball clubs met here today, to put an end to the war which threatens the destruction of the national game. The American Association is a thorn in the side of the National League and the magnates of the latter organization are determined to get rid of it at all hazards.

It is considered almost a sure thing that the Chicago and Boston clubs will play a world's championship series this fall. There is too much money in such series to allow trifling differences between the League and Association to prevent it.

An Injustice Corrected.

The INTELLIGENCER is in receipt of a letter from Mr. J. C. Hoge, of Mt. Pleasant, Ohio, the owner of Kentucky Bird, in which he says that the telegraphic reports of Tuesday's races at Homewood, Pittsburgh, did his horse injustice. In the report Kentucky Bird was given twelfth place in the third heat of the 2-38 trot. Mr. Hoge says that in the first two heats he did not even drive for a place, but let the others fight. When the third heat was given for the third heat he was fully ten lengths back, but he "mowed the gang down one by one," trotted the mile in 2:20 1/2 and would have won the heat had he not been fouled on the upper turn. This is a good showing for a four-year-old colt in a field of twelve old seasoned campaigners.
