STAR CLOTHING HOUSE—D. GUNDLING & CO.

"Don't You Hear 'Dem Bells."

School has begun. The boys will require the stimulus of new and becoming raiment. The vacation "knocks" out the boy's clothes, left them looking "seedy." Even if they're not exactly in that "fix," the chilly fall weather demands a change. In extending an invitation to parents to inspect our novelties in School Suits, we assure them that in selecting our new stock everything has been shunned that could not be conscientiously recommended for stylish appearance and undoubted quality. Most boys give their school "duds" a decidedly "rough-and-tumble" usage. Ours are made especially for such youngsters, and their "wear-resisting" qualities will save you hours of stitching and patching. He'd be a funny boy that we could not fit and please.
