AN ANOMALOUS POSITION

Occupied by Minister Thurston, of Hawaii—Secretary Gresham's Position. WASHINGTON, D. C., Nov. 23.—It would probably not distress Minister Thurston if Secretary Gresham were to send his passports. This would admittedly be an act of war and would place the administration still further on the defensive.

A brilliant private hop was given by the Premier club last night at its hall on Main Street. Several members of Holiday and Stephens Posts, G. A. R., went down to Belleaire last night and attended an enjoyable campfire given by Spangler Post.

A very enjoyable and artistic concert was given in St. Luke's parish house, on the island, last night, under the direction of Prof. Hammond, leader of the choir.

NEW PENSION ORDER

Concerning Claims Under the Famous Act of June 27, 1890. WASHINGTON, D. C., Nov. 23.—Commissioner of Pensions Lochran today issued the following important order simplifying the bureau work in the adjudication of claims under the famous act of June 27, 1890.

"Pension certificates issued under the second section of the act of June 27, 1890, will no longer specify particularly disabilities. In such certificates, when the maximum rating of \$12 per month is allowed, the certificate will state the applicant is unable to resort to manual labor.

"Where less than the maximum rating is allowed the certificate will state that it is for the partial inability to earn support by manual labor. Whenever in case of a pension granted under said section at less than the maximum rating, a higher rating subsequently sought, the application for such higher rating shall be considered and treated as a claim for increase and not as a claim because of a new disability, and the increase, if allowed, will commence from the date of the medical examination showing the increased disability."

WINDOW GLASS SCALE

Signed by the Hartford Company—More Plants to be Operated. PITTSBURGH, PA., Nov. 23.—President Eberhart, of the window glass workers' union, received word today that the scale had been signed by the Hartford City Glass Company. The firm will blow on the night of November 27. The Hartford City plant is the third largest concern of its kind in the country.

In the northern district the scale has been signed by the United Glass Company. The firms have completed arrangements to operate its two plants at Cleveland and New York. The news of the intended resumption was a surprise to the window workers, as the firm had declared early in the fall that their two plants would not operate in the winter.

The Flint Glass Fight

PITTSBURGH, PA., Nov. 23.—The Flint Glass Workers' Union has settled down to a long fight. The members of the organization declare that they have no hope of a settlement with the United States Glass Company. They have no notion of making any overtures to President Bagaley and say they do not expect that the company will propose a settlement.

CARNEGIE'S NAIL MILL

Shuts Down Indefinitely on Account of the Low Price of Nails. BEAVER FALLS, PA., Nov. 23.—At noon today the Carnegie steel company posted a notice that this evening at 6 o'clock the nail mill would shut down for an indefinite period. This includes both the day and night turns, and throws between 250 and 300 men out of employment. The company assigns no cause for the action except that the present price at which nails are sold does not justify them to continue running.

SPANISH ANARCHISTS

More Arrests—A Woman With Incendiary Documents in Her Lodgings. MADRID, Nov. 23.—Arrests of Anarchists continue to be made throughout the country. An important arrest, the police think, was made at Barcelona in the person of a woman, Teresa Clarament. Fifteen thousand inflammatory pamphlets and books were seized in her lodgings. Four other Anarchists were arrested at Barcelona, charged with being the persons who placed a dynamite bomb in front of the mayor's house.

A Favorite in Kentucky

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in cases of whooping cough. For sale by Chas. R. Goerz, Will W. Irwin, Chris. F. Schneef, Chas. Menkemeller, Wm. E. Williams, S. L. Brice, A. E. AN EXCITING RUNAWAY

A Horse Creates a Big Commotion on Fifteenth Street. Last night when Otto Cappel was putting his team away in his stable on Woods street, north of Fifteenth, one of the horses ran away with only the tongue of the wagon attached to him. He tore down Fifteenth street at a fearful pace, narrowly missing Mrs. C. P. Brown as she came out of her front door. He then ran on down the middle of the sidewalk, and narrowly missing several children, whirled and ran the pole through the large plate glass window at Albert Schane's, breaking it to pieces. Soon after the horse was caught and taken back to the stable.

Successful Events last Night

The supper given at the Arion hall last night for the poor of the city, under the auspices of the Conference of St. Vincent de Paul, was a brilliant and gratifying success. The attendance was large and the fine supper on many compliments. The Opera House Orchestra added to the attractions. Seven hundred people were fed during the evening, and over \$300 was cleared by the conference. Protestants as well as Catholics liberally patronized the affair.

The supper at Mrs. Metcalf's, on East Fifteenth street, last night, under the auspices of the Women's Union Benevolent Society, was also a success, and the ladies of that organization found their commendable efforts on behalf of the poor crowned with the appreciation of the public.

A brilliant private hop was given by the Premier club last night at its hall on Main Street.

Several members of Holiday and Stephens Posts, G. A. R., went down to Belleaire last night and attended an enjoyable campfire given by Spangler Post.

Physical Training

Prof. E. B. Warman's lecture this evening at the Young Men's Christian Association on "Scientific Method of Physical Training" will be full of valuable suggestions. Professor Warman's versatility is well known. He is deserving of the high reputation he enjoys. It is hard to say in what he excels, but physical training is his favorite subject. He is a fine specimen of manhood and a firm believer in physical training. The lecture will not only interest young men who are interested in systematic exercise, but will be of great benefit as well as pleasure to business men and ladies. The professor will give an exhibition of Indian club swinging at the conclusion of the lecture. He swings nine-pound clubs with ease, skill and grace. Tickets are 25 cents. Seats can be reserved at the Y. M. C. A.

Unpleasant Divorce Proceedings

An interesting divorce suit has been settled at New Cumberland. Five years ago David Gallagher married his second wife, and after living together a short time, they separated, the husband it is stated being to blame. He attempted to get a divorce and tried to dispose of his property, but his wife opposed him, and he lost his case, and \$300 alimony was granted the wife. Gallagher moved to Missouri and secured a divorce, his wife failing to appear. With this divorce he showed up at New Cumberland and presented the documents, but the authorities dashed his hopes to earth. His Missouri divorce was declared invalid, and he was ordered to pay his wife \$500 alimony and \$80 a year as long as they are husband and wife.

Rev. Mr. Dornblaser's Successor

At a congregational meeting of the English Lutheran church, it was decided that Rev. Mr. Dornblaser should continue as pastor until Sunday, December 10, and he was requested to celebrate communion on that day. The church council mentioned several names of eligible pastors. The congregation asked the council to recommend a pastor after investigating the records of all the candidates. It was considered best to select the one whose past work and recommendations from people known in the church showed best, rather than to make a choice from the impressions made by "trial sermons."
