A WHEELING HORSE,

Owned by Mr. Henry Schmulbach, Wins at Lexington.

WAS THE RICHEST TROTTING RACE

Ever Contested for in the World, and Was Won by Benzetta in Three Straight Heats—Mr. Schmulbach Pulls Out $1,000 as Third Money. The Races at Oakley and Morris Park Tracks—Other News of Sport.

Yesterday at Lexington, Ky., the richest stake ever contested for by trotting horses was run off and local interest in the event was accentuated from the fact that an animal owned by a Wheeling man was entered. This was Celaya, the property of Mr. Henry Schmulbach. Quite a colony of Wheeling people were present and saw the race, including in addition to Mr. Schmulbach, Messrs. A. M. Hamilton and Charles Horstman. The horse did very well, taking third place and securing $1,000. The following is the story of the contest:

LEXINGTON, KY., Oct. 9.—The richest trotting stake ever provided in the world was that of the Kentucky Futurity, which was trotted here this afternoon in the presence of 8,000 people. The weather was clear and cool, with a slight wind blowing. The track was very fast. Of the nine three-year-olds that faced the flag, E. W. Ayers' chestnut filly Benzetta, by Onward, dam Buela, by Harold, was the favorite over the field. She was unlucky enough to draw the outside position and acted so badly in the excessive scoring that it looked as if Gus Macy, her driver, would never get her away. Coming down for the fifteenth time, he got ready, and although she got off in the last division, before a furlong was trotted was mistress of the situation. Rich in Hambletonian blood, her gait was pure and faultless and without being struck a lick, she swept past her field of brilliant younsters and before the half mile pole was reached, was leading by full two lengths. She was never in trouble and came home an easy winner with four lengths to spare.

The second and third heats were simply processions and are not worthy of describing, as Benzetta so far outclassed her field that it was no contest whatever and she won the stake easily. The speedy bay colt Futurity, by Hindar Wilkes, and the black colt Axinite, by Axtell, made a pretty fight in the second and third heats for the $3,000 second money, Celaya having finished second in the first heat. Hindar Wilkes colt proved the speedier of the two and won second place, while Axinite, although finishing third in the second and third heats, lost the thousand dollars that went to the third horse, it being given to Celava, a chestnut filly by Allandorfe. Nellie A., the sensational Wilkes bay filly, which up to to-day had won more money than any filly of her age in the world, disappointed her backers in failing to get a piece of the money. The unfinished 2:26 class from yesterday was won by Sadie Allen quite easily.

The first regular race on the programme, the 2:14 class, was a red hot contest, Billy Bolton taking the first two heats, Wistful the third and Token the fourth, fifth and sixth. The fourth and last race, for the 2:18 class pacing, was unfinished, the favorite Pattie D., winning both heats. Summary:

2:26 class, trotting, purse $500—Josie Allen first; Ollie K. second; Prince Edsell fourth; Dick Richmond fifth; Julia Coulter sixth; Ella Belmont seventh; Katie McGregor eighth. Time, 2:17¾, 2:19¾, 2:20.

2:14 class, trotting, purse $1,000—Token first; Billy Botton second; Wistful third; Cocoon fourth; Answer fifth; Margrave sixth. Time, 2:17¼, 2:10, 2:21¾; 2:15¼, 2:14¼.

Kentucky Futurity, value $31,180, for three-year-olds; worth $22,430 to first horse:

Benzetta	1	1	1
Futurity	9	2	2
Celaya	2	4	6
Axinite	6	3	3
Nellie A	3	6	5
Lyric	4	5	4
Alkoran	8	7	8
Billy Parks	7	8	7
Norvandine	5	dr.	

Time—2:16¾; 2:16¾; 2:14¾.

2:18 class, pacing (unfinished)—Pattie D. won first two heats. Time, 2:13¾.

Morris Park Races.

NEW YORK, Oct. 9.—The chief features of the racing to-day were Maid Marian's five furlong record run and the victory of Black Hawk in the handicap of five furlongs, at odds ranging from 100 to 200 to 1, while as high as 300 to 1 was laid by one or two venturesome bookmakers. Jack of Spades was the favorite, at 7 to 5, with Declare, John Cooper and Peacemaker about equal second choices. The start was long delayed, and when the flag finally fell Black Hawk got a long lead with Keefe on his back and the boy kept him well to the front. The colt won handily, with Jack of Spades second and Peacemaker third. After the race there was an almost entire absence of people back of the bookmakers' stands. One man in particular was much excited, for he had bet $100 to win $7,500. Several were seen who had secured odds of 200 to 1 for small amounts, and one man was gleefully cashing a ticket calling for $1,200 for $3. Summary:

First race, five furlongs—Maid Marion won; time, 1:56¾. Second, six furlongs—Sufficient won; time, 1:10½. Third, Dunmow stakes, six furlongs—Magian won; time, 1:10½. Fourth, three-year-olds, serial handicap, five furlongs—Black Hawk won; time, 58 seconds. Fifth, mile—Live Oak won; time, 1:39½. Sixth, mile—Setauket won; time, 1:39¼.

The Oakley Races.

CINCINNATI, Oct. 9.—Two favorites, two second choice horses and Bourssie, a 30 to 1 chance, captured the five purses offered at Oakley to-day. The track was fair. Summary:

First, mile and twenty yards—Semper Lex won; time, 1:44. Second, mile—Philopena won; time, 1:43½. Third, handicap, mile and a sixteenth—Plutus won; time, 1:48½. Fourth, thirteen-sixteenths mile—Miss Lily won; time, 1:22. Fifth, five furlongs—Bourssie won; time, 1:03¼.

Three Race Meets.

The bicycle boys are already considering plans for the racing season of 1895, and it is probable that three race meets will be given under the auspices of the W. A. W. It is proposed to hold an A meet in May, a national circuit meet in August and an another A meet in September. Next year it is not probable that the neighboring towns of Steubenville and Wellsville will attempt to hold meets, and Wheeling would draw heavily from those communities.

Bowling League Meets.

To-night the board of managers of the Wheeling Bowling League will meet at the McLure for the purpose of adopting the schedule for the coming double championship season and to transact other important business, which demands the presence of every member.

SOUTH SIDE BOWLERS

Organize Their League, Elect Officers and Adopt Schedule.

Last evening at Knoke's hall, on the South Side, the representatives of the various South Side bowling clubs met and an organization to be known as the South Side Bowling League was effected. It was decided to open the season on October 22, the same date that has been selected for the opening games of the W. B. L. A schedule was adopted, and officers elected as follows:

President—Henry Schnebe.
Vice President—J. W. Kemple.
Secretary-treasurer—Will C. Handlan.

The J. W. Kemple, Harvest Home and Schmulbach brewery clubs will bowl at Fette's alleys, and the other five clubs of the league will bowl at Mozart Park.

WHEEL POLITICS

Is Quite Lively This Fall—Two Candidates for Chief Consul.

While the big political campaign is warming up all around, there is another campaign that is at least equally warm. The term of Jason C. Stamp as chief consul of the West Virginia division of the L. A. W. is about to expire, and the election of a successor is now being held. It is done by a mail vote and the polls close at Chicago on the fifteenth of next month. There are two candidates in the field, Mr. Stamp, the present incumbent, and Charles H. Geiger, president of the Wheeling Athletic Wheelmen. Each is making an active campaign and every vote in the division will be out.

Foot Ball on Saturday.

The Vigilant foot ball club, of Martin's Ferry, and the Marietta club will play on the Island fair grounds next Saturday at 2 o'clock.

THE EPWORTH LEAGUE

Beautiful flowers decked the rostrum, and the word "Welcome" was hung in league colors between the arches in the rear, and below hung an Epworth League badge, transparent, which was very beautiful.

THE WORD "WOOL"

Only Refers to the Hair of the Sheep. Other Hair Duties Go Into Immediate Effect.

WASHINGTON, D. C., Oct. 9.—Secretary Carlisle to-day received from Acting Attorney General Maxwell, an opinion in which he holds that the word "wool" as used in the woolen schedule of the new tariff act refers to the hair of the sheep only, and that the new and lower duties on goods made of the hair of other animals went into effect on the signing of the act.

Immediately on receipt of this opinion, Secretary Carlisle sent the following telegram to all collectors of customs:

"The attorney general has rendered an opinion that the word 'wool,' as used in paragraph 297 of the new tariff act, referred to hair of sheep only, and that the new duties under schedule K upon articles made of the hair of the other animals went immediately into effect when the act took effect.

"Customs officers will be governed accordingly. Instructions of August 27 remain unchanged. Collector will liquidate all entries covering goods classified contrary to above instructions."

Down Go Wages.

GAS CITY, IND., Oct. 9.—The hot roll department in the Moorwood tin plate mills closed down indefinitely to-day. The owners of the mill say they cannot run the roll department unless a reduction of 25 per cent in wages is made, and the men refused to accept this. Three hundred men are idle in consequence.

KNIGHTS OF PYTHIAS.

The Grand Lodge at Huntington—A Good Attendance and a Fine Parade.

Special Dispatch to the Intelligencer.

HUNTINGTON, W. VA., Oct. 9.—There are hundreds of Knights of Pythias here from all over the state and the first days session of the twenty-fifth annual meeting of the grand lodge Knights of Pythias of the state opened this morning amid the most favorable auspices. Ninety-six lodges reported as being represented. Mayor Neal delivered the address of welcome and turned over the key of the city to Grand Chancellor F. H. Lang, of Clarksburg. Chancellor Lang responded neatly and then the lodge went into executive session.

Sixty-five past chancellors were admitted as members of the grand lodge. Black Prince and Ohio Valley, of Wheeling, Washington and Hope, of Parkersburg, were each given two representations, as they had over 150 members. All the grand lodge officers were present and a great deal of routine business was disposed of.

A parade took place this afternoon over the principal streets and it was a handsome affair. As Parkersburg division refused to enter the competitive drill, Ravenswood division was the only one to enter, there being sixteen men under command of Capt. W. E. Hoyt and two lieutenants. Col. T. E. Hodges, Major W. H. Banks and Capt. Robert L. Archer were the judges, and they awarded the division the prize of $100, the company making a percentage of 95. There were thousands of people on Third avenue this evening to see Captain Baker and his men, of Parkersburg, drill, and it was the grandest sight Huntington ever witnessed. The election of officers will probably take place to-morrow. Grand Vice Chancellor Cyrus W. Hall, of Charleston, will be made grand chancellor. Hon. W. M. O. Dawson arrived to-night, and will address the Knights and citizens to-morrow evening on Pythianism.

The celebration was begun by the ringing of the Columbian Liberty Bell, which was carried about the city and rung at the statues of Lincoln and Grant in Lincoln Park, on the site of old Fart Dearborn, at the Columbus monument on the lake front, at the city hall and the board of trade. This afternoon the First Regiment I. N. G. took possession of its new armory and begun a three day's military fete with a parade through the business portion of the city. The Marquette Club, the Union League club and one of New York gave banquets to-night.

Trusted Man Gone Wrong.

HAMILTON, ONT., Oct. 9.—Fred Filgiano, cashier of the Grand Trunk railway freight office here, has suddenly disappeared. Until the auditors working on his books have completed their labors the amount of Filgiano's alleged defalcation cannot be stated, but it is understood this will reach nearly $150,000. Filgiano has been cashier for fifteen years. Over a million dollars annually passed through his hands.

BUDA PESTH, Oct. 9.—Count Herrmann Zichy, a member of the lower house of the Hungarian diet, has written a letter from New York to his constituents, saying that he has emigrated to America in order to start a new life. BELLAIRE.

All Sorts of Local News and Gossip from the Glass City.

Ex-Gov. J. B. Foraker has consented to make a few speeches in Eastern Ohio and the probabilities are that the county committee will secure his presence in this section. Joseph Benson is a great card among the workers of the party, and as he will most likely be out for United States senator to succeed Mr. Brice, he would be a drawing attraction just at this interesting period.

The steel works start up this morning after an idleness of three days. The blast furnace produces only about one-half the iron necessary to keep the steel plant in full operation, so that it runs only half time. Half time and wages reduced from 30 to 50 per cent is the situation with the workmen there in these times.

The First National Bank published its statement yesterday in compliance with the call of the comptroller of the currency. It shows that the loans and and discounts do not amount to as much as the deposits, to say nothing of the capital stock, surplus, etc. There seems to be plenty of money if there was demand for it.

William Oliver has been released from the county jail. He was sent up for jumping on cars and was released on a writ of habeas corpus on a flaw in the proceedings before the mayor, which consisted in the railroad company, the aggrieved party, not making the charge against the boy.

The voters of this township, outside of the city, will vote on local option at the election in November. This was brought about by reason of a proposition to start a saloon on Pultney bottom. Mead township will also vote on prohibition.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Logan Drug Co.'s drug store. Regular size 50c, and $1 00. 3

THERE is no medicine so often needed in every home and so admirably adapted to the purposes for which it is intended, as Chamberlain's Pain Balm. Hardly a week passes but some member of the family has need of it. A toothache or headache may be cured by it. A touch of rheumatism or neuralgia quieted. The severe pain of a burn or scald promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which insures a cure in about one-third of the time otherwise required. Cuts and bruises should receive immediate treatment before the parts become swollen, which can only be done when Pain Balm is kept at hand. A sore throat may be cured before it becomes serious. A troublesome corn may be removed by applying it twice a day for a week or two. A lame back may be cured and several days of valuable time saved or a pain in the side or chest relieved without paying a doctor bill. Procure a 50 cent bottle at once and you will never regret it.

"Trust Those Who Have Tried."

Catarrh caused hoarseness and difficulty in speaking. I also to a great extent lost hearing. By the use of Ely's Cream Balm dropping of mucus has ceased, voice and hearing have greatly improved.—J. W. Davidson, attorney at law, Monmouth, Ill.

I used Ely's Cream Balm for catarrh and have received great benefit. I believe it a safe and certain cure. Very pleasant to take.—William Frazer, Rochester, N. Y.
