The Handlan Libel Suit. In the circuit court yesterday, before Judge Campbell, the libel suit of W. M. Handlan vs. Frew, Campbell & Hart, was put on trial to a jury. The testimony for the plaintiff was finished and that for the defense begun, and the judge adjourned court until Monday morning.

On Antietam Battlefield. W. N. Ingersoll, the agent of the United States Express Company, has been appointed by Governor McKinley one of the commissioners to locate the position of the Ohio regiments at the battle of Antietam. He will join the commission here on next Tuesday and go to the battle ground.

Another Sawmill Scene. Last night "The Limited Mail" was given at the Opera House. This made the fourth play this week with a saw mill in it, but none of them except "Blue Jeans" saws wood. It will soon come to be that every "realistic" play, to be a success, will have to advertise "positively no fake saw mill scene shown."

To Put Life in the Club. At a meeting of the Fort Henry club stockholders, held at the club house last evening, it was decided to reduce the initiation fee to \$10. This is done to bring into the club members who are desirable, but might be deterred from entering its membership by the higher initiation fee charged. The stockholders, of course, retain control of the property and affairs of the club.

A Very Sad Death. Yesterday Mrs. Mattie Dickinson, wife of H. M. Dickinson, of Broken Bow, Nebraska, died at the City Hospital. She had been married but a few months, and her death was peculiarly sad. She came from her western home recently to attend the funeral of her father, Mr. James Hutchinson, who lived just west of Bellaire. She was taken ill a short time after her arrival, and brought to the hospital, where a severe operation had to be performed, but even this could not save her life.

Common Sense Should be used in attempting to cure that very disagreeable disease, catarrh. As catarrh originates in impurities in the blood, local applications can do no permanent good. The common sense method of treatment is to purify the blood, and for this purpose there is no preparation superior to Hood's Sarsaparilla.

Hood's PILLS cure constipation by restoring peristaltic action to the alimentary canal.

The indications are that the Opera House will hold the largest and most select audiences of the season during the coming week. One thousand tickets have been sold for the "Witch of Endor" and the run on them is not abating in the least.

REPUBLICAN SUGGESTIONS.

Meetings to be held in All the Wards This Evening. The Republican suggestion meetings to name candidates to be voted for at next week's primaries for Republican nominees for council will be held at 7:30 o'clock this evening. The places of meeting will be as follows: First ward—Vigilant Engine House. Second ward—Market Hall. Third ward—Republican Club Room, Odd Fellows Hall. Fourth ward—Police Court Room. Fifth ward—Corner Main and Twenty-first streets. Sixth ward—Republican Club Room. Seventh ward—Rose Home. Eighth ward—Republican Club Rooms.

There were four in the field, but two withdrew, and there were never any other aspirants.

For chief of police ex-Chief Thomas D. Bennett, John C. Devine, W. M. Clemans and Capt. Robert Cowan are the contestants, while for what master there are three applicants, Adam Everett, George W. For the City Council. SIR—I beg space in your valued columns to ask the voters of the First ward to canvass the merits of Mr. S. M. Rice for the position member of the first branch of the city council.

If the Republican voters of the First ward nominate and elect Mr. Rice, they will be represented by a man of the most sterling integrity, untiring energy, who will work with an eye single to the public prosperity. PRO BONO PUBLICO. Wheeling, Dec. 7.

The Modern Mother has found that her little ones are improved more by the pleasant laxative, Syrup of Figs, when in need of the laxative effect of a gentle remedy than by any other, and that it is more acceptable to them. MEN'S SUITS AND OVERCOATS—THE HUB CLOTHIERS.

The Hub's Incessant Perseverance!

Keeps the people's store unwavering in the lead. With one hand we sense the public pulse, and with the other hold control of the market. The first to know the popular want, the quickest to meet the demand, armed with the greatest stock we've ever had, and incomparable policy of progression and straightforwardness that is honest, not on the surface, but through, we are going to force the fighting. Business has been good, but we're going to make it better. Prices have been low, but we will lower them to the bargain line—temptations thrown in your way at a time when you will yield eagerly to the inviting values.

Men's Suits and Overcoats. MATCHLESS FOR THE MONEY!

At \$10 we have got three styles of Men's Kersey Overcoats that are not discounted by anybody's \$10 line. They're good enough to be the \$15 Overcoats. Strictly all wool, in Black, Blue and Brown, lined with A 1 quality of serge, and all the seams silk sewed, all sizes, and a first class fit. \$10.

We've just put in stock a line of Thren and Four Button Cutaways and Sack Suits, made up of fine Imported Clay Fabric, and made up, too, as well and as thoroughly as any \$20 Suit on anybody's counter. Nothing is dressier than Clays, and these are made to perfection. They are big gains at \$15.

That boy, bless him. Mamma's darling is our darling, too. We know them—know their taste, know they want pockets, want style, and want to be men. We have got just what they want, just what mamma and papa want at mamma and papa's prices. Boy's Double Breasted Suits, double cut knee and seat, (we know that boy), strongly sewed for service, five to fifteen years. Each \$2 75.

BOYS' CLOTHES.

From the lack of stock in some stores, it would seem as if they made a side issue of Boys' Clothes, kept because they had a call now and then. We're in it for all the business we can get, catering to every desire and to every purse, carry a variety that makes it more than equal to any four-carry a finer line than any can boast, many lower prices than any of them.
