THE ELECTION.

To-morrow's Electoral Battle is Exciting Much Interest.

THE REPUBLICAN CANDIDATES

Are Strong, Without Exception, and That There will be Anything but a Pronounced Victory for that Ticket is Not Believed—The Clean and Efficient Administration of the Municipality's Affairs is the Party's Best Argument.

The city election takes place to-morrow and the interest felt in the electoral contest is becoming quite pronounced. It is believed that a very heavy vote will be cast, perhaps the record for municipal elections will be broken.

There is not the least doubt, if the Republican vote is out, but that the Democrats will be whipped decisively. That party is making just such a one-man contest as it waged last fall when Councilman Irwin fell short on the sheriffalty by such a close margin. This time the

Chief of Police Bennett.

Demmies are centering their strength on their candidate for mayor, ex-Chief of the Fire Department Frank J. Healy. It is said they are willing to trade almost anything for a vote for Healy, but this time the Republicans are thoroughly wide-awake and will not be caught in such a trap.

Nearly all of the election booths have been taken out of City Clerk Dannenberg's hands by the election officers, and the few not taken already will be given out to-day.

The prospect of Democratic defeat is so obvious even to the Democrats themselves, that they have not put up any candidates for the offices in the gift of the councilmanic caucus of the party successful at the election.

Aside from the fight for the mayoralty the Democrats have centered their contest for councilmen in two or three wards. They are making strenuous efforts to elect their councilmanic tickets in the Fifth and Sixth wards, but their prospect for success in either is not bright.

The Republican candidate for mayor, Mr. John Randolph Butts, of the Third ward, has made an excellent campaign and will poll his full party vote. His record as a member of the first branch of the city council, is a sterling testimonial to the character and ability of the man, and will have its effect in the election to-morrow, notwithstanding the Democrats are making a hard fight to down the Republican candidate.

The administration of the police department under Chief Thomas D. Bennett for the past two years, has been so satisfactory to the citizens of Wheeling that he will receive the votes of hundreds of Democrats to-morrow, in addition to the unbroken support of his own party. Some are predicting that Captain Bennett will receive the largest Republican majority of the day.

Mr. Charles H. Watkins, the candidate for city clerk, has made an enviable record during his two years' service as assistant clerk under Mr. Dannenberg, and will poll a tremendous vote to-morrow. His campaign of "scrap" has been most effective. Mr. Watkins is a capable accountant and would make as good a clerk as he has made an assistant clerk, which is saying a great deal.

Mr. John W. Norrington, the present efficient wharfmaster, is a candidate for re-election, and there is little doubt but that he will be triumphantly re-elected.

In every ward the councilmanic candidates are making a vigorous canvass, and although it would be a good deal to expect such a large Republican majority as there is in the present council, it would not be at all surprising.

MORE COLD WEATHER

But Not so Cold as Monday's—The Day's Record.

Wheeling experienced another spell of extremely cold weather yesterday, but it was not nearly so cold as Monday's. The supply of natural gas continued very good, much to the satisfaction of householders. On account of frozen pipes some of the industrial establishments did not employ full forces.

The record of the temperature at Schnepf's was as follows:

6 a. m.	2 below	5 p. m.	13 above
7 a. m.	2 below	6 p. m.	13 above
8 a. m.	2 below	7 p. m.	13 above

MANY ARE SUFFERING

From the Extremely Cold Weather—An Appeal to the Public by the West Virginia Humane Society.

The extremely cold weather of the past three days has beben the cause of much suffering among the destitute of the city, who are not prepared for the rigorous weather and its consequent demands for fuel and heavy clothing.

Mrs. John K. List, president of the West Virginia Humane Society, called at the Intelligencer office last night, and stated that the society has been called upon in numerous cases to extend aid in the way of clothing and fuel and food, but has not been able to do all that should be done. An appeal for aid from the public is made by Mrs. List, and all donations should be sent to her at 821 Main street.

Heavy clothing and provisions are especially needed in the work of extending relief, but money will be received gladly. There are many cases of destitution and suffering that the Humane Society has already relieved, but unless a generous public comes to its assistance, there will be much suffering that cannot be alleviated.

Margie and Elsie.

Margie West and Elsie Duff, two frail inmates of an East Wheeling house, appeared before Squire Fitzpatrick last night. The former swore out a peace warrant for Miss Elsie, who, she claimed, was constantly beating her. Miss Duff gave $50 bond. A charge of assault and battery was dismissed.

Matters of Minor Moment in and About the City.

Grand to-night—Pete Baker in "Chris and Lena."

The Top mill which has been idle since the early part of the month, will resume to-day.

A pig roast at Gus Dueker's saloon, corner of Twenty-sixth and Chapline streets, attracted a large crowd last night.

Manager C. R. Tracy has about completed the work of placing synchronized clocks in the several ward school houses.

The heaters in the Belmont iron works have been considerably delayed in their work during the cold snap of the past few days.

In another column will be found the advertisement of property for sale by Edward W. Brues, who can be addressed at Moundsville.

Henry Vocke, a tester in the Riverside tube works, became sick yesterday at noon, and was removed to his home in the Eighth ward.

The first annual ball of the Bavarian Society was held last night at Arion hall. The members and their friends spent a very enjoyable evening.

An infant child of William Seabright, an employe of the Riverside bar mill, died early yesterday morning at the family residence in North Wheeling.

Although there is lots of ice around the city, there is but one spot suitable for skating. It is out Boggs' run and is the daily resort of large numbers of skaters.

The Udora Circle, a German beneficial organization, gave a masquerade ball at Mozart hall last night. A large crowd was present and enjoyed themselves until an early hour.

"The Willing Workers" of the Wesley M. E. church, will give a phonographic entertainment in the church on February 8. An improved Edison phonograph has been secured, and a rare treat is promised the public.

ABOUT PEOPLE.

Strangers in the City and Wheeling Folks Abroad.

B. R. Blackburn, of Parkersburg, is at the Windsor.

Mr. William Harper, of Twenty-fifth street, is seriously ill.

Miss Mary Murray, of Weston, is a guest at the McLure.

James A. Martin, of Fairmont, was at the McLure yesterday.

Chancellor A. C. McKeever, of Bethany college, is in the city.

N. E. Seal, a Sistersville merchant, put up at the Stamm yesterday.

Congressman C. P. Dorr arrived in the city from Pittsburgh last night.

H. S. Whit was a visitor from Wateman, who was at the Windsor yesterday.

Rev. F. H. J. King, of Sherrard, was in the city yesterday on his way to St. Louis.

Mrs. Franz Berger, of Twenty-seventh street, has recovered from the grip and is able to be out.

D. A. Dorsey and William Boyle were Moundsville citizens who stopped at the Howell yesterday.

Mrs. Rev. Dieckoff, of Findlay, Ohio, is visiting her mother, Mrs. George Carroll, of South Jacob street.

Rev. John F. Woods and wife, of Moundsville, left over the Pennsylvania road for St. Louis last evening.

Polk Miller, of Virginia, the celebrated southern entertainer and exponent of plantation folk lore, was in the city for a few hours yesterday, and registered at the Stamm.

Bold Theft.

One of the cheekiest bits of thieving so far performed by the light-fingered fraternity was that committed on Monday evening at the residence of Mrs. Brandfass, in Manchester. She had just finished the family washing, when three men walked boldly in, and coolly gathering up the household articles of wearing apparel that had been washed, walked out. The police were notified shortly after and found the men's tracks in the snow, over the hill back of Reymann's brewery, and continuing to Caldwell's run, where they were lost. No arrests have been made yet, but the thieves are supposed to belong to Wheeling.

He Was Lucky.

Lieutenant Supler, shortly before midnight last night, discovered a man lying almost unconscious in the doorway of Mr. Joseph Elson's house, on Chapline street, opposite the city building. The officer soon learned the man was a stranger, and besides being intoxicated was nearly frozen. When he got thawed out at the police station, he gave his name as R. S. Dunn. He comes from near Lafferty, Ohio, and had a considerable sum of money in his pockets. Mr. Dunn has reason to be thankful that he still has the money, and did not freeze.

Good Blood

Is essential to health. Every nook and corner of the system is reached by the blood, and on its quality the condition of every organ depends. Good blood means strong nerves, good digestion, robust health. Impure blood means scrofula, dyspepsia, rheumatism, catarrh or other diseases. The surest way to have good blood is to take Hood's Sarsaparilla. This medicine purifies, vitalizes, and enriches the blood, and sends the elements of health and strength to every nerve, organ and tissue. It creates a good appetite, gives refreshing sleep and cures that tired feeling. Remember,

"THE HOLY CITY"

Given in Fine Style by the Wheeling Oratorio and Bellaire Choral Societies. Many Wheeling Vocalists Participated.

A magnificent audience greeted the Bellaire Choral and Wheeling Oratorio Societies at the Elysian theatre in Bellaire last night for the great musical event of the season. The Wheeling Oratorio singers and especially, the soloists from this city rendered their parts with exquisite taste and fairly captivated the audience, while the Wheeling society's chorus added imposing force to the Bellaire Choral society, making it decidely the greatest musical event ever witnessed in Bellaire. The musical genius of Alfred P. Gaul was never better displayed than in the ladies' chorus, "List, the Cherubic Host," and other selections in "The Holy City."

The programme as rendered was as follows:

OPERA HOUSE ORCHESTRA

Promenade Concert and Ball to be Given at Arion Hall, February.

One of the enjoyable pre-Lenten affairs will be the annual promenade concert and ball given by the Wheeling Opera House Orchestra, at Arion hall, on the evening of February 3.

The great attraction of this event is that every year some novelty is sprung that has not been anticipated by those who always look forward to this event with the most pleasurable anticipations.

This year the members of the orchestra promise to make the function one of the events of the season, and as a consequence great preparations are making to excel all former accomplishments.

In the first place the orchestra, "per se," will offer some of the most tuneful numbers it has yet presented to the public, and that means a great deal. The concert programme has not been completed, but it is known that several exceptional solos have been arranged for that will be sure to please the "listening throng."

The Opera House orchestra never does anything by halves; it runs the whole gamut of hospitality and the scale of good-fellowship and the extra tickets for admission to Arion hall on the evening of February 3, are eagerly sought.

The full concert and ball programme will be published in the Intelligencer as soon as it is completed.

TO A HIGHER PLANE.

A Timely Suggestion to the Musical Organizations of Wheeling.

To the Editor of the Intelligencer.

SIR:—When will the musical societies of Wheeling awaken to the necessity of giving to the citizens the opportunity of hearing a finished artist? Do they not see that the demand is becoming very pressing for such an occasion?

If the different organizations feel that they cannot undertake the financial responsibility singly, why do they not join in bringing to our city some one of world wide reputation? The united effort would succeed. The work being done by the different musical clubs is highly commendable, and the members should feel much encouraged from every standpoint, but, what do they hear to arouse ambition, give them a higher aim, and a high ideal? We are very much behind the artistic reputation of even small cities not far distant. They have Steveking in Cumberland, and have engaged him for a second recital. He passes Wheeling. In Parkersburg they have had Corinne Moore Lawson a number of times, besides numerous piano recitals.

In Pittsburgh on Friday evening, the great Teresa Carreno, will be heard. She has been here a number of years ago, but, how long shall we have to wait for her return? There is William Sherwood and Leopold Godowsky and Genevra Johnstone Bishop and Mrs. Genevieve Clark Wilson in Chicago, besides an array of musical talent from which it would be hard to choose. There is in Cincinnati a supply of finished musicians. Can we not hear some of them? Are we to have no Rozenthal, Fannie Bloomfield Zeisler, Adele Aus Der Ohe, or Davies Watkins Mills, Bisphaue or any of those who are delighting the musical world? Is the season going to pass and leave so much undone? The artists of Chicago are only mentioned because they live comparatively close, and it would certainly not be risking a fabulous sum of money to bring some one of the number here. No risk, no gain.

We need an incentive to work. Some one with overwhelming virtuousity.

It would surely be a benefit to those who are seeking improvement, and a pleasant remembrance to those who desire only entertainment. Let it be remembered that those named are not mentioned to excite criticism. Which musical club will be the first to bring about a new state of affairs? Hope they will not be so long prospecting that all the artists will have gone to their summer quarters. TECHNIC.

Wheeling, Jan. 26.

A Rare Treat.

The citizens of Wheeling have a rare treat in store for them in the coming of Miss Katharine Oliver, who will give an entertainment on February 5, under the auspices of the managers of the "West Virginia Home for Aged and Friendless Women." Miss Oliver is of Scotch descent and possesses a thorough knowledge of Scotch dialect. She soon wins the sympathy of her audience by her graphic portrayal of Scotch character. All admirers of Maclaren's writings, those who have smiled at the pointed sayings of "Jamie Soutar," longed for the same sweet spirit that animated the soul of "Marget," or have followed with the humble friends of "Dr. McClure," through the snow drifts to drop a tear upon his grave, will live it all over again in Miss Oliver's vivid impersonation of these characters. The recital will take place at the music rooms of Milligan, Wilkins & Co., Friday evening, February 5. Those present will not only be highly entertained, but will have an added pleasure in the consciousness of giving their aid to a worthy object.

DO not let your dealer palm off on you any new remedy for colds. Insist on having Dr. Bull's Cough Syrup.

THE LAKE ERIE

Legal Muddle Has Been Cleared in the Courts.

THE FORTY-SIX FREIGHT CARS

That Have Been in Sheriff Richards' Custody Have Been Turned Over to the Receivers—The Claim of the Huron Dock Company was Settled, and the Attorney for the Company Authorizes the Sheriff to Relinquish Possession of the Cars.

The novel legal muddle which was created by the action of the Huron Dock Company in garnishments issued from the Ohio county circuit court against the Wheeling & Lake Erie Railroad Company for the settlement of the claim of $6,700 held by the dock company against the Wheeling, has been cleared, being settled out of court.

It will be remembered the action was taken on Saturday January 16, when Sheriff H. C. Richards, of Ohio county, attached and took possession of forty-six freight cars of the Wheeling & Lake Erie, found on the tracks of the Wheeling Bridge & Terminal Railroad Company. Since then the sheriff has retained possession of the cars which were guarded day and night by two deputy sheriffs.

The settlement of the difficulty, as stated, took place out of court, and the first intimation was when Sheriff Richards received a request from Mr. W. H. Hearne, counsel for the Huron Dock Company, requesting that possession of the cars be relinquished by the sheriff. The case was formally dismissed from the circuit court of Ohio county on motion of Mr. Hearne.

The terms of the settlement arrived at by the contending corporations were not learned.

THE OLD SOLDIERS

And Their Friends were Out in Force at the Woman's Relief Corps' Entertainment Last Evening.

The second of the series of three entertainments, given by the old soldiers of Wheeling and Benwood, to raise funds for the state encampments, which are to be held in Wheeling in April, was given in Odd Fellows hall last night, by the Woman's Relief Corps.

The evening's entertainment consisted of a supper and bazaar, and was a success in every particular. Notwithstanding the cold weather, the attendance was good, and the patronage bestowed upon the various booths was also good. The committee will doubtless realize a goodly sum. Supper was served from 7 o'clock to 9, and the ladies in attendance were kept busy replenishing the wants of the inner man. A tasty and substantial meal was spread, and the onslaughts on it were so strong that some of the provisions ran short before "lights out" was sounded.

There were three booths tastefully and elaborately decorated in the national colors, and a museum, the latter containing a varied assortment of curios. The refreshment booth was liberally patronized, as was the "domestic" booth, but the "fancy" booth did not do quite so well. Many homemade articles for household use were disposed of at the domestic booth. There was but one lottery scheme, "a chance for a nicket for the doll." So the visitor was not plundered, as is so often the case at bazaars.

The famous Girls Drum Corps, of Bellaire, made excellent music and did much to add to the enjoyment of the evening.

Much credit is reflected on the committee of arrangements, which worked hard that the balance might be found on the right side of the treasury. The following ladies of the various corps constituted the committee:

Holliday corps—Ella Connelly, Susan Stringer, Jennie Morris, Julia Taylor, Della Taylor, Theresa Wise and Ida Cox.

Stevens corps—Lizzie Weldman, Rose Bryson.

Hancock corps—Elizabeth Whiteman, Kate Thomas.

This evening at the Odd Fellows hall, U. S. Grant Camp, Sons of Veterans, will give an oyster supper, followed by a dance. The boys expect to have even a more successful affair than those given by their fathers and mothers. Supper will be served from 5 to 9, and dancing will be from 9 to 2. Prof. Long will furnish the music, and a very pleasurable event will doubtless mark the closing of the three nights' entertainments given by the boys in blue.

PECULIAR POISONS

Generated in the Human Body—The Result of Imperfect Digestion of Food.

Every living thing, plant or animal, contains within itself the germs of certain decay and death.

In the human body these germs of disease and death (called by scientists Ptomaines), are usually the result of imperfect digestion of food; the result of indigestion or dyspepsia.

The stomach, from abuse, weakness, does not promptly and thoroughly digest the food. The result is a heavy, sodden mass which ferments (the first process of decay) poisoning the blood, making it thin, weak, and lacking in red corpuscles; poisoning the brain, causing headaches and pain in the eyes.

Bad digestion irritates the heart, causing palpitation and finally bringing on disease of this very important organ.

Poor digestion poisons the kidneys, causing Bright's disease and diabetes.

And this is so because every organ, every nerve depends upon the stomach alone for nourishment and renewal, and weak digestion shows itself not only in loss of appetite and flesh, but in weak nerves and muddy complexion.

The great English scientists, Huxley, said the best start in life is a sound stomach. Weak stomachs fail to digest food properly, because they lack the proper quantity of digestive acids (lactic and hydrochloric) and peptogenic products; the most sensible remedy in all cases of indigestion, is to take after each meal, one or two of Stuart's Dyspepsia Tablets, because they supply in a pleasant, harmless from all the elements that weak stomachs lack.

The regular use of Stuart's Dyspepsia Tablets will cure every form of stomach trouble except cancer of the stomach.

They increase flesh, insure pure blood, strong nerves, a bright eye and clear complexion, because all these result only from wholesome food well digested.

Nearly all druggists sell Stuart's Dyspepsia Tablets at 50 cents full sized package or by mail by enclosing price to Stuart Co., Marshall, Mich., but ask your druggist first.

SUFFER NO MORE NOW!

Paine's Celery Compound is Working Miracles in Curing Disease.

Paine's celery compound is working miracles in the cure of disease!

So says a recent article by the foremost medical essayist in Boston.

"Nothing shows more conclusively," he adds, "the astonishing capability of Paine's celery compound than the thoughtful, open-minded class of people who use it and recommend it, both in public and among their closest and dearest friends and relatives. Among us (physicians) there is no longer any hesitancy in recommending this greatest remedy without stint of praise."

About the same time the above article was published there appeared in the Boston Journal the following letter from David K. Chasser, of 452 Windsor street, Cambridgeport, a suburb of Boston:

"I take great pleasure in testifying to the extraordinary merits of Paine's celery compound. For some time past I have been under the treatment of two well-known local doctors, but their combined efforts proved of no avail. I have been for years a harsh skeptic in regard to advertised medicines, but having suffered excruciating pains in the head, which the doctors informed me were due to neuralgic symptoms, I determined to try Paine's celery compound, on the advice of a friend.

"To my surprise I found an entire change going on after taking a little over three bottles and I began to feel like a new man. I have for the past ten or twelve years suffered from pains in the back and other symptoms of derangement of the kidneys and bladder, and have spent many sleepless nights in consequence, but now I sleep sound, thanks to the common sense which induced me to try Paine's celery compound. I will ever praise the marvelous potency of this valuable medicine, and at any time will be glad to give personal testimony at my address, should any sufferer care to call, as I consider it selfish to keep such a blessing housed up, and think the proprietors of Paine's celery compound deserving of more thanks than I can convey in words, for making me a new man."

A word to other sufferers:

Go to your druggist for a bottle of Paine's celery compound, and allow him to sell you nothing else!
