OPENING OF THE PALACE

Furniture Company's Place of Business Yesterday.
The opening of the furniture emporium of the Palace Furniture Company yesterday afternoon and last night, was an event that drew large crowds of expectant customers to the new establishment. The building, at 1115 Main street and 1116 Water street, had been filled with a most complete and up-to-date stock of furniture, carpets and household goods, in all grades and styles, making the stock one that excels for assortment, quantity and quality. The new firm certainly had a most successful opening day, which warranted the pleased smiles that were noticed on the faces of the managers.

From the Hospital.

Brakeman Barber, of the Wheeling Bridge & Terminal Company, who was injured by falling from a car, a short time ago, was taken from the City hospital to the Baltimore & Ohio depot in the city ambulance, yesterday morning. There is no hope of his recovery and he was taken to his home in Pittsburgh to die.

Yesterday another of the hydrophobia suspects was started on his journey to New York for treatment at the Pasteur Institute. He was Albert Speidel, of the South Side, one of the several who were bitten by that mad dog on the morning of January 23. Speidel was accompanied to the Pennsylvania station by several of his friends, who, with the Intelligencer man, who purchased his railroad ticket, sent him on his journey in a very cheerful mood. Like Freese, he will receive a fifteen days' course of treatment at the Pasteur Institute.

Interest has now centered in the concert at the Grand Opera House this evening, for the benefit of the Intelligencer's hydrophobia relief fund, which is to be given by "Musical Wheeling," for many of the representatives of the musical colony have freely volunteered their services and make an array of talent that is sure to result in nothing but an excellent entertainment.

The tickets are now on sale at a number of places in the city, and seats can be reserved at the music store of Milligan, Wilkin & Company. Already there has been a large advance sale, but there are a number of first class seats not yet taken. People desiring to attend a first class entertainment and at the same time contribute to a noble effort in charity, should not fail to occupy a seat at the Grand to-night.

She Will Recover.

Corinne Riley, the inmate of an East Wheeling house, who tried to bid adieu to the world by means of morphine, on Sunday night, will recover. Her attempt, which was exclusively published in yesterday's Intelligencer, was nearly successful, and the doctors who had been summoned at 9:30 o'clock that night did not cease their efforts to bring her to life until 7 o'clock yesterday morning.

MRS. A. INVEEN, residing at 720 Henry St., Alton, Ill., suffered with acute rheumatism for over eight months. She doctor for it nearly the whole of this time, using various remedies recommended by friends, and was treated by the physicians, but received no relief. She then used one and a half bottles of Chamberlain's Pain Balm, which effected a complete cure. This is published here, because she wants others similarly afflicted to know what cured her. The 25 and 50 cent sizes for sale by druggists.

PETER CLAUS, corner of Zane and Huron streets, has his Ice Cream parlors open for the season. All orders filled on short notice.

THE NEW WAY.

A GREAT SUCCESS FOR FITTING ALL KINDS OF EYES WITH GLASSES.

Our new scientific method of examining the eyes and fitting glasses without putting drops in the eyes and making the patient blind for a week, or having the eye sit for hours looking at charts and trying to fit themselves until they become so bewildered they cannot tell what they can see. We fit the eye for examination without depending on the patient and know when they are fitted correctly. Consultation and examination free.

Brings You Satisfaction

This Spring—a greater—a richer—a fuller satisfaction than ever—a satisfaction that grows out of redoubled effort—a satisfaction that is realized in increased values and decreased prices—a satisfaction that comes with a larger variety—a wider service—a satisfaction that is found only in perfection.

Men's Clothing. Boys' Clothing.

Our stock of Spring Suits and Spring Overcoats barely crowds in our first floor. It is tailored, so. The best of the best hands in the craft can turn out. We have thought of you with your whims, and you of the extra stout and extra slim size, whose belt you would have to untie to be fitted. Just take our nice Suits and Overcoats and compare 'em with anybody's, in every way—workmanship, material, trimmings, fit, price. If anywhere in Wheeling you find as satisfactory at anything like our prices, come back and get your money. Suits \$5 to \$25. Spring Overcoats \$5 to \$15. Dress Trousers \$1.50 to \$6.00.

If you would only take a look around first you'd come back here and buy, with so much greater appreciation of our values and varieties, you'd understand better just what we mean by lower prices and better qualities and larger assortment. Our eyes are on our Boys' Clothes from the very beginning of the making and to the end of the wearing, too, for our guarantee goes with 'em when you buy them. If they waver in their service, giving back, they are to come to us and back the money is to go to you. Short Pants Suits \$1 to \$3. Long Pants Suits \$3.50 to \$15. Novelty Suits \$1.25 to \$6. We're sole agents for the Mrs. Hopkins Knee Pants and Golf Combination Suits.

Easter Scarfs. Free.

To-morrow we shall open what we've had designed and made up especially for Easter. As strong in the 25c and 50c grades as anybody else at 50c and 75c. Stronger in variety.

To every purchaser in our Boys' and Children's Wear Department during this and next week we shall give one of the latest and greatest craze, The-Coon-in-the-Hole-Puzzle. Lots of fun in 'em, boys.
