

STATE FAIR RACES.

Entries Closed Last Night With Large Fields Assured

IN EVERY RACE OF THE WEEK.

MOST OF THE OLD FAVORITES AND MANY TROTTERS AND PACERS THAT ARE NEW ON THE STATE FAIR GROUNDS TRACK—THE WORK OF THE SPEED SUPERINTENDENTS HAS BEEN EXCELLENT—BUSY SCENES ON THE GROUNDS NOW.

Entries for the state fair races have closed, and the Intelligence this morning gives the entries for every race of the week of the big fair, commencing Tuesday and concluding on Friday afternoon. It will be seen that there are large fields in all of the scheduled races, an assurance of exciting sport. Many of the old-time favorites are among the entries, and many pacers and trotters that have not been on the local track. The association is able to secure more numerous and better fields this year on account of the fact that the West Virginia and Ohio state fairs do not conflict in their dates this year. The work of Speed Superintendent "Bob" Anderson, Secretary Hook and other officials interested in the racing will be appreciated by the horse-racing public. The entries are as follows: TUESDAY, SEPTEMBER 6.

STAR POINTER FAILED. Yesterday in an Attempt to Equal His 1897 Mark.

READYVILLE, Mass., Sept. 1.—On the same track on which he made the record time last year, 1:59 1/4, Star Pointer to-day again tried for a world's record...

THE ENORMOUS CROWD saw a mile made in less than two minutes, and it is safe to say that with slightly better conditions the record would have again gone down before the great stallion.

STAR POINTERS. Yesterday in an Attempt to Equal His 1897 Mark. The track, however, was in good shape and there was no wind, so it was decided to go for the record.

With a running mate, Pointer made the quarter in 29 1/2, which gave encouragement and with the half in 59 it looked as if he would do something to the record. The terrific pace was kept up to the three-quarter pole, which was reached in 1:28 1/4, and then came the question of endurance.

THE ENORMOUS CROWD saw a mile made in less than two minutes, and it is safe to say that with slightly better conditions the record would have again gone down before the great stallion. An hour before Pointer came out it rained softly for a few minutes and when at 5 o'clock McCleary drove onto the track, the drops were still coming down.

The afternoon's sport was the best of the week and drew the largest crowd ever seen at Readyville, fully 10,000 people were present.
