MR. BRADY DECLINES

The Republican Nomination for the State Senate and

THE CONFEREES ARE RECALLED

TO MEET NEXT TUESDAY TO NAME A CANDIDATE—MR. BRADY HAD BUSINESS AND OTHER REASONS FOR DECLINING THE NOMINATION — SENATORIAL COMMITTEE MET LAST NIGHT AND CONSIDERED THE BRADY LETTER.

Mr. Joseph C. Brady, who was named as the Republican candidate for the state senate at last Saturday's conference in this city, has declined to accept, and it will now devolve upon the senatorial conferees to consider and accept or refuse the declination.

After the nomination of Mr. Brady had been accomplished last Saturday, the committee of notification sent the following letter to the nominee:

WHEELING, W. Va., Sept. 25, 1898.

J. C. Brady, Esq., Wheeling, W. Va.

DEAR SIR:—At a convention held on Saturday, September 24, 1898, by the senatorial conferees, duly selected by the Republican party, in the First senatorial district of West Virginia, you were unanimously nominated as the Republican senatorial candidate for said district, to be voted for at the next general election, and the undersigned appointed a committee to notify you of such nomination.

We accordingly, take great pleasure in informing you of these facts. We know that your acceptance of the nomination will involve a personal, family and business sacrifice, but the fact of your unanimous selection for the position, without your having sought it, indicates how general is the desire that that sacrifice be made, and how wide is the feeling that your services will be needed in the upper branch of our legislature.

Very truly yours, E. D. MARSHALL, of Hancock County, SAMUEL JACOB, of Brooke County, B. S. ALLISON, of Ohio County, Committee.

Before he had received the notification, Mr. Brady, who is spending a vacation in Hampshire county, heard of the action of the senatorial conference through another channel, and on Tuesday wrote the following letter of declination, which was received yesterday by Mr. E. S. Allison, of the committee:

WAPPACOMO, Hampshire Co., W. Va., September 27, 1898.

B. S. Allison, Esq., Chairman Notification Committee.

DEAR SIR:—I presume it is unusual to decline a nomination in advance of notification, but I feel that no time should be lost, and therefore beg you to say to the conferees of the First senatorial district that, while I appreciate the honor conferred, and am most sincerely grateful, there are business and family reasons which absolutely prevent my acceptance of the nomination for senator for West Virginia, and if circumstances permitted would be delighted to serve her to the best of my ability. I feel that the Republican party can best serve the state, and therefore I love my party, so that it is hard for me to refuse an honor at its hands.

If there was any doubt as to the result of the election, and I say to them that I am not creating any embarrassment by declining, and most respectfully request you to have the convention reconvened to select another candidate. Please convey to your associates my sincere thanks for the confidence they have shown in me, and say to them that I will use my power to assist in the election of their nominee.

Truly and sincerely yours, J. C. BRADY.

Last night, at the office of Messrs. Ersking & Allison, a meeting of the senatorial committee was held for the purpose of discussing Mr. Brady's declination. It was decided that the committee had not the power to accept or refuse the declination, and, in accordance with the motion passed at last Saturday's conference empowering the senatorial committee to recall the conferees, the committee proceeded at once to call another conference for next Tuesday afternoon, at 2 o'clock, in the chamber of the first branch of council, city building. The conferees will then act on Mr. Brady's declination.

FOR HOUSE OF DELEGATES.

Mr. W. F. Brown, of Arroyo, Hancock county, was nominated as a candidate for the legislature, by the Republicans of Hancock and Brooke counties, at their convention, held at New Cumberland, yesterday afternoon. Mr. Brown had no opposition, and is a strong nominee in every sense. The Hancock-Brooke legislative district will be ably represented by him this winter.

TWO SOCIETY GIRLS

Will Assist in Raising Money for the "American Boy" Fund.

Master Elmer Bonnette and his associates in the "American Boy" battleship fund movement have succeeded in securing the services of two society girls, Misses Fannie Wheat and Sue Caldwell, to assist in making Wheeling's contribution to the fund large. They will contest for two rings that were recently donated to the boys.

THE FLETCHER CASE.

Yesterday, in the circuit court, Judge Hervey, the trial of the case of Mrs. Mary Fletcher vs. William Falloure's administratrix, was continued. A number of witnesses were examined. The plaintiff claims that her uncle, William Falloure, before his death, promised to will to Mrs. Fletcher certain property. Possession of one house was given, but the widow, who is the administratrix, refuses to ratify possession. The plaintiff now sues for \$2,500.

OVER THE NEW TRACK.

Last night the new track on South Penn street, Island, between Zane and Ohio streets, on the line of the Wheeling railway, was completed, and cars ran over the line during the evening. This completes the new tracks on the Island, and the road is now in a state of high efficiency.

A STRIKE AVERTED.

The heaters of the Riverside entered a claim for an advance thirty days ago. Yesterday a compromise was effected between the workers and the management of the mill by which a threatened strike is averted.

Matters of Minor Moment in and About the City.

Council meets this evening in special session.

Grand Opera House, to-night—Washington's Minstrels.

Opera House this evening—Cameron Concert Company.

The Auditorium Club will give a dance at the Pythian castle, Monday evening.

City officials, firemen and police officers will receive their monthly stipend this morning.

The chancel chapter of St. Luke's P. E. Church will give a chicken supper at the parish house this evening.

Last night a buggy collided with a bicycle ridden by Miss Palmer, of the Eighth ward. Miss Palmer escaped injury, but her wheel was badly wrecked.

Work was begun yesterday by the board of public works contractors on the eighteen-inch crock sewer, on Market, Ninth and Main streets, running to the river.

Central Castle, No. 1, Knights of the Golden Eagle, is enjoying a boom. Seven candidates were initiated Wednesday night, and fourteen applications for membership were received.

The Eighth ward engine house men answered a still alarm last evening, calling them to a blaze in Widship's row, South Wood street. The fire was extinguished before they got there.

In Squire Haberfield's court yesterday the case of threatening to do bodily injury, preferred by Maud Smith, against Harry Smith, was settled. The lunacy warrant was also quashed.

ABOUT PEOPLE

Strangers in the City and Wheeling People Abroad.

N. Nusbaum is a Clarksburg register at the McLure.

Colonel C. L. Skinner, the Fairmont hotel man, is in the city.

J. E. Watson, of Fairmont, yesterday registered at the Windsor.

Friend Cox and H. L. Lyon are New Martinsville citizens at the Howell.

Miss Margaret Thompson, of Lucille, O., joined the Island party which went overland to the West Alexander fair yesterday.

Misses Effie and Mary McCoy, of Middlebourne, and Mrs. J. A. Pierpont, of Sistersville, were among last night's arrivals at the Stamm.

Mrs. Lester West, of the South Side, has returned from a two weeks' visit to Cleveland, accompanied by her aunt, Mrs. Belle Alexander.

The many friends of Mr. G. G. Murdoch will regret to learn that he is confined to his home on North Market street, with a serious affection of the heart.

Col. Sam B. Harrison will be found at the McLure desk again, after October 1, to resume the broken thread of twenty years crying "Front" from behind the same marble slab. His three months' management of the Highland Inn, Somerset, Pa., has been very successful.

AMUSEMENTS.

Willie Collier and his company, in "The Man From Mexico," were greeted by a packed house in the Opera House last night. Collier has always been a favorite comedian with Wheeling theatre-goers, and his popularity waxes with time. The piece has been freshened and brightened since seen here last season, and made a pronounced hit. Of course, in this play, the star is the whole thing, but the supporting company, which includes some capable people, gets an edgewise chance once in a while.

CAMERON TO-NIGHT.

Cameron, the great soprano, supported by an exceptionally strong company, will appear at the Opera House this evening. This is one of the rare musical treats that reach Wheeling occasionally, and we can assure them a hearty welcome. Miss Cameron has a winsome face, pleasing manner, and above all a most marvelous voice, of wonderful range, power and sweetness, which she has under complete control.

Prominent in her support is C. Herbert Kerr, pianist and composer, late conductor of Hammerstein's Olympia, New York, and other large musical organizations. Mr. Kerr has no superior in adroit and skillful manipulation of the keys and the most difficult music comes rippling from beneath his wonderful touch with delightful ease.

Violinist Charles Higgins, also of the Pittsburgh Orchestra, is also a prominent member of the Cameron company. This season Mr. Higgins has added much romantic and soulful quality to his most brilliant playing, thus making him a most finished artist.

Daisy Kerr King has a rich contralto voice of marvelous purity, depth and compass, and is a well balanced mate for Cameron, their voices blending exquisitely. The other members of the company are equally competent and proficient and a rare musical treat is in store for those who attend, as this is unquestionably the strongest organization of its kind in America.

IRON AND STEEL

Reviewing the iron and steel market yesterday's issue of the Ohio Valley Manufacturer says: No change of conditions or of features, is to be noted. The markets are quiet, with a strong undercurrent of strength and confidence. Finished materials are in better demand at fair prices. New business is not developing very rapidly, but this is not disappointing, as the outputs of furnaces and mills have been sold ahead to satisfy the requirements now maturing. Prices seem to be acquiring increased firmness with every week's progress, but, under the control of the conservative element, they do not advance. Bessemer pig metal, \$10 50; steel billets, \$14.

A REAR END COLLISION.

Yesterday morning, about 3 o'clock, there was a rear end collision on the Baltimore & Ohio, at the mouth of the Peninsula tunnel. The freight which leaves the city at 3 o'clock every morning parted at the Central glass house, and the engineer was not aware of the fact until his section reached Mt. de Chantal. He reversed his engine and came back, but in the meantime engine No. 33, hauling a load of coal, had run into the rear section, which had got as far as the creek bridge, at the tunnel. Engine No. 33 suffered from the crash, but no cars were badly damaged. Traffic was delayed until after 9 o'clock.

THE CARROLL CLUB

Fall and Winter Season Begins Soon—The Prospects for a Successful One are Very Good.

The Carroll Club's fall and winter season will soon open in earnest, and while the programme has not been outlined in detail yet, the series of entertainments will be equal to the high standard maintained since this institution was launched on the sea of club life. The membership is steadily increasing and a further increase is looked for with the approach of cooler weather.

Probably no club can boast of a greater interest taken in it by the members. An average of thirty per cent of the members visits the club's quarters daily. This doesn't mean that the same members are included, but that every day sees this percentage of the club's enrollment within the club's four walls. Even in the heated term the attendance was remarkable.

Next Tuesday evening a gymnastic exhibition will be given, under the direction of Mr. Hugo Loos, who will organize a gymnastic class at the close of the exhibition. Mr. Loos and other gymnasts will figure on the evening's programme. "Gym" work will be made a prominent feature by the Carroll club this winter, and the fine apparatus on hand can be used to advantage. The club now owns the apparatus owned by the defunct Wheeling Athletic Club.

The Carroll Club's bowling league will be organized next week. The Dramatic club hasn't set a time for reorganization, but it is certain to figure later in the year.

BOYS' CLOTHING—D. GUNDLING & CO.

Boys' Clothing Once More.

There are two ways to make Children's Clothes—one is to make them so's they'll wear, and the other is to make them so's they'll wear out. The kind that wear are made to bring a customer back again. The kind that wear out are made to make a big profit on the first time a customer comes, for fear he'll never come back again. You can judge the kind of clothes we sell for boys by the way your neighbors talk. Whenever you see a small boy hanging from a nail on a roof or from a limb of a tree by his coat or pants—his folks buy his clothes here. It takes a step-ladder or a step-mother to take down a boy who wears Clothes from "The Star."
