A South Bend Watch Frozen in Solid Ice Keeps Perfect Time

Your jeweler has a costly chronometer which he expects to keep absolutely perfect time.

He places this chronometer under glass, in a perfectly horizontal position and at an even temperature.

He disturbs it just as little as possible because he knows, probably from experience, that it would be easily affected by change of conditions, and such a chronometer, carefully guarded and cared for, WILL keep time to the minutest fraction of a second.

Every adjusted South Bend Watch must, before it is sent out to your jeweler, keep perfect time second for second with one of these master timepieces — BUT—It must keep this chronometer time under the conditions of every-day

life. Indeed, it must stand, before leaving the factory, without failure in the slightest degree, tests that are twice as wearing as any watch ever received in ordinary use.

It is baked in an oven heated to 100 degrees Fahrenheit and kept for hours in a refrigerator at freezing point and must not vary even a second.

You might freeze it in a block of ice without affecting its timekeeping qualities in the slightest degree.

Every South Bend Watch must also keep perfect time in every position and not be affected by the jars and jolts of railway trains, horse-back riding, auto-

mobiling, etc. We guarantee them to be perfect timekeepers. Sold by all first-class dealers.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith

in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
