NEEDS VIEW OF DEMOCRATS

We observe a curious sounding account of the political realignment in Henry county, Virginia, under the new constitution as given in the McDowell Times, a paper published at Keyport, West Virginia, in the interest of the county union. We are inclined to believe that the account is a distortion of the facts. We venture the assertion that such instances are traceable to other sources than county seat removals.

This is the part of the state where the new constitution is very evident. The new constitutional committee of Virginia has practically eliminated all the colored voters in this section. The political conditions are worse than in 1896. The men who have heretofore been Republican leaders and who have gathered their nests with a few government positions from which they are feared, have become an unscrupulous partisans for those who served as political standbys by which those pretended Republican leaders, hypocrites and traitors, could ascend the ladder of success and they today are living in ease and perfect contentment, despite the fact that the income of the year when by which few voters are here, an entire change of voters are to be made. There is no article in the "New York Times" which "politics" is stilling from those to whom with a least cowardly look there are but few colored voters there are to vote for them.

The new constitution of Virginia is anything but pleasing to the negro. It has removed him from public office, and from the Republican party in that state, and independent of the negro vote and from the historic negro standpoint "the political conditions are worse than in 1896." The new constitution is not a "beneficial" measure as before the Reconstruction of the country. All voters as all negroes are allowed to vote in Virginia who are able to make application for registration in their own handwriting, or are possessed with as much as \$200 (twenty dollars) property. The right to suffrage in Virginia is "white" result of all. The restrictions which willfully the ignorant and bigoted class whose selfishness is a dangerous element to the community.

The Republican party in Virginia is an old party to return to all conditions. It is not a party which is to be feared. It is a party which is to be feared. It is a party which is to be feared. It is a party which is to be feared.

Michigan Day AT "JIMFOWN." Norfolk, Va., Oct. 29.—William Allen Smith was the orator of the day at the Michigan celebration at the Jamestown exposition today. Addresses were also delivered by Gov. Fred Warner and Senator Julius C. Burrows, of Michigan, Gov. Swanson of Virginia, and President Harry St. George Tucker of the exposition company. The program for the day also includes a military parade and review this afternoon, and a reception by the Michigan Jamestown commission to Governor Warner and official party at the Michigan building this evening. John T. Rich, of Detroit, president of the Michigan celebration, presided at today's exercises.

Although Michigan was the last state to make an appropriation for a building and exhibit at the exposition, its representation is among the best of the western states. The Michigan exhibit has proved one of the most popular on the grounds, and the horticultural, forestry and mineral exhibits have attracted much attention among visitors at the exposition.

An American and a Scotchman were speaking of the intense cold in the north of Scotland. "Why, it's nothing at all compared to the cold we have in the States," said the American. "I can recollect one winter when the sheep, jumping from a hillock into a field, became suddenly frozen on the way and stuck in the air like a mass of ice."

"But, good heavens, man!" exclaimed the Scotchman, "the law of gravity wouldn't allow that!" "We don't do things by halves at home," replied the other. "The law of gravity was frozen, too!"—Philadelphia Ledger.

Several years ago, an eminent surgeon lived the operation and lived several months. This woman had no use for Rydale's Stomach Tablets. But every one whose stomach is diseased or deranged does and will find these tablets a perfect remedy, no matter what form.

A CERTAIN CURE FOR CROUP—USED FOR TEN YEARS WITHOUT A FAILURE.

Mr. W. C. Holt, a Star City, Ind., resident merchant, is enthusiastic of his purchase of Chamberlain's Cough Remedy. His children have all been taken with croup and he has used this remedy for the past ten years and though they much feared the cough, they had it always felt safe upon trying when a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was taken with severe attacks of croup and this remedy never failed to afford a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is a successful cure for croup and whooping cough. For sale by The White Pharmacy.
