“WONDERFUL!” SAYS MR. LAYNE.

AFTER TWENTY YEARS OF HARD
DRINKING FINDS RELIEF IN
THE McKANNA CURE.

For twenty years or more I have been addicted to the liquor habit in every conceivable phase of the term, and for a greater portion of this time it was my complete master, until I gave up in utter despair. From time to time I tried many advertised remedies for relief, but found no satisfactory results from same.

About six months ago my attention was directed to some very remarkable cures effected by the McKanna 3-Day Liquor Cure, then at Richmond, Va. With a great deal of reluctance on my part, and but little hopes of relief in my case, I was admitted to the treatment, and within a few days my desire and cravings for liquor, as by magic, had entirely left me, and I have not since had in any shape or form, the desire for same. Had a mountain been lifted from my shoulders I could not feel more relieved than at the present time, and am complete master of the present situation.

I have every reason to believe and feel that my cure is permanent, and that I shall never again take a drink. I have also observed the effects of the treatment upon a great many of my associates, who were terribly addicted to the drink habit; who are now sober and industrious men.

It seems most wonderful indeed, that a treatment so quick and unobtrusive to the system, should work such wonderful results, but nevertheless it is true.

I feel like a new man, sleep well, have a good appetite, and am able to look after my business. I am neither writhing for notoriety or pay, but that this may fall into the hands of some that know me, and are affected as I have been. Those who should like to rid themselves of this

trouble will find a speedy and permanently effective relief in the McKanna 3-Day Liquor Cure, now at Bluefield, W. Va., which is little short of a miracle, and a Godsend to humanity.

Very truly yours,
JOE LAYNE.
