AGED PROGRAM OF UNIVERSITY FINALS

Commencement Exercises of 1873.

The program for commencement week at West Virginia University for the year 1873 is probably as interesting to the few surviving members of this class of 13 as it is to others in the light of comparison with the program for 1921. Data concerning it is taken from the Morgantown Post of that date.

The exercises of 1873 were scheduled as follows: "Friday, June 13, 8 a. m., annual examinations commence; 7 p. m., anniversary of Parthenon Literary society; Saturday, 7 p. m., anniversary of Y. M. C. A.; Sunday, 3 p. m., sermon by President Martin; Monday, examinations continued; 7 p. m., anniversary of Columbian Literary society; Tuesday, 9 p. m., regent's prize contest; Wednesday, 2 p. m., meeting of historical society; Thursday, 9 a. m., commencement exercises; 3 p. m., military exercises; 7 p. m., president's reception."

The reporter refers to the military exercises as follows: "The annual parade of cadets was not imposing owing to the sparsity of their numbers, from what cause we did not learn; but their evolutions displayed an intimate knowledge of military affairs. Two large cannons were brought out in front of the building and excellent shots made at a target 300 yards away, every shot hitting the mark. The practice was good and the stampede of horses great."

Prof. J. S. Stewart, of the University book store, recalls that the salutatory address for his class, that of '77, was delivered in Latin by Thomas Hood, now a prominent Clarksburg physician. Dr. I. C. White, class of '72, and Dr. D. B. Purinton, class of '73, will represent the oldest classes at commencement this year, as the members of the first two classes, '70 and '71, are all deceased.

TO ENTERTAIN SENIORS. Principal and Mrs. Leo H. Miller will entertain the senior class of the high school tonight at their home in Boyd avenue. Music and games will be diversions and refreshments will be served.

NO. 5 DEFEATED.

The Legion team won its second game of the season when it defeated the strong team from Martinsburg, representing Hose Co. No. 5, last Monday evening on Miller field, to the tune of 11 to 6. This was a fast and snappy game from start to finish. Henson occupied the mound for the home team for the first eight innings, but after three successive hits off him retired in favor of Myers, who held the visitors for the remainder of the game. We started off in a blaze of glory. Moler, the first man up hit the first ball pitched for two bases and Newt McKee, who followed him, hit the very next ball for another two-bagger, scoring Moler with the first run of the game. Then Kirk McKee came through with a single and Newt made the score 2 to 0. Martinsburg scored a run in the next inning but that was all they could do until the eighth, when with the bases loaded, Fulk lifted the ball out of the lot, bringing their score up to 6, while the locals held their lead of 11 runs.—Shepherdstown Register.

COUSIN TO WED.

Messrs. Isaac and Perry Snyder, of The Hub, received invitations to the approaching marriage of their cousin, Mr. Leon Samet to Miss Rosa Ginsberg, of Baltimore. The ceremony will take place Sunday, July 3, at Lehmann's Hall, that city.

TO TRY FATHER.

A man named Tyson, residing near Johnsontown, alleged to have cruelly whipped his small son because the lad would not operate a barrow, is to be given a hearing before Justice Wolf today.

"CITIZENSHIP" WILL BE TOPIC

Definite assurance that she will be able to come was conveyed in a letter to the alumni management. She will reach the city on the night preceding the banquet and will be the guest of Mr. and Mrs. H. L. Alexander, Winchester avenue.

BRADLEY APPOINTED

Governor E. F. Morgan has appointed H. N. Bradley, assistant cashier of the Jefferson Bank and Trust Company, of Charles Town to a good position in Charleston. He has made him purchasing agent for the State Board of Control, a place of importance which carries with it an excellent salary. His duties require him to purchase supplies and materials for the various State institutions, some of the transactions running into very large sums.

RETURN FROM MOTORING TRIP

Dr. and Mrs. M. H. Porterfield, of West Burke street, have returned from a delightful vacation-motor trip. They first attended the commencement exercises at Maryland University, Baltimore, from which Dr. Porterfield graduated several years ago, and then proceeded to New York city. Near the great metropolis they visited his classmates, Dr. McGregor, now located at Patterson, N. J.

STIFFER FINES

At a short session of Cumberland city council, a change in the city ordinance was effected by the increase of fines for drunkenness, disorderly conduct, and using profane language on the streets. The minimum fine for violation of the above is \$10, the maximum \$100. With the adoption of heavier fines it is quite likely that the change will have a tendency to make possible violators of the law more careful.

IS GRADUATED AS NURSE

Miss Edna Roberta Sprecher, formerly of this city, was a member of the class of twelve graduated on Wednesday from the George Washington University Hospital in Washington as a trained nurse.

GIRLS! BLEACH UGLY FRECKLES

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion whitener. Massage this sweetly fragrant lemon lotion into the face, neck, arms and hands each day and see how freckles and blemishes bleach out and how clear, soft and rosy white the skin becomes.

EPSOM SALTS LIKE LEMONADE

If you want epsom salts, without the awful taste and nausea, ask your druggist for a handy package of "Epsomade Salts" which looks and acts exactly like epsom salts, because it is real epsom salts combined with fruit derivative salts, giving it the taste of sparkling lemonade. Take a tablespoonful in a glass of cold water whenever you feel bilious, headachy or constipated. "Epsomade Salts" is the much talked of discovery of the American Epsom Association.

DOUBLE PAY DAY JUNE 15

A double pay-day for holders of Liberty bonds falls on June 15 when the semi-annual interest on the first and fifth loans comes due. In West Virginia the total subscription to the first loan was \$12,147,700 and on this the interest will amount to more than \$240,000. The total subscription in this state to the Victory loan was \$24,190,900 and on this the semi-annual interest will be in excess of \$480,000.

It is suggested by the United States Treasury that if Liberty bond interest be reinvested in government savings securities the income yield on the original investment will be materially increased. In this federal reserve district the amount subscribed to the first and Victory loans exceeded \$334,000,000. On this the interest payment, due June 15, will be more than \$6,690,000.

COUNCIL GOES OVER NEW ROAD

Members of the City Council and Mayor Seibert yesterday made a trip of inspection over the street repair work being done by Contractor Small on West King street which has now been completed to the top of the hill on Rosemont, and found the progress very satisfactory. The work, it is understood, will be continued to the foot of Red Hill by the County Court agreeing to stand its share of the expense. Mr. Small will then move his force to High street and the two hills on East Burke for work, following which he will do some work on Winchester avenue.

ROADS OPPOSED.

Further evidence of the purpose of the railroads to oppose stubbornly any general decrease in freight rates was seen Thursday in Washington in the announcement from the Association of Railway Executives that the roads had rejected outright the pleas made for reduction by shippers of building materials.

GOLDEN IS DEAD.

John Golden, for many years president of the United Textile Workers of America, died Thursday in Brooklyn after an illness of several weeks. He was taken ill while attending a convention of textile workers in that city, and a general breakdown in health followed. His associates declared he was a victim of devotion to his work. Burial will be at Fall River, Mass.

AGED VETERAN SUCCUMBS TO INJURIES IN ACCIDENT

Romney, June 8.—William Montgomery, aged 84, Confederate veteran, who was injured in an auto accident while returning from the Confederate reunion here, died last night at Grace's Station. His stepson, Dr. Bryan, was driving the car and lost control while descending a hill. The machine upsetting, throwing both out, Dr. Bryan was but little hurt, but sixteen stitches were required to close a cut in Montgomery's leg.
