ANOTHER TIE GAME IN THE CITY LEAGUE

Railroaders and Bottle-makers Put Up a Splendid Exhibition.

Real baseball featured the game last evening between Owens and the B. & O., which resulted in the score being tied, 2-2, at the end of the seventh, when it was necessary to call the game because of darkness. Gilmore had a snafu the best of the pitchers battle, allowing the Owens boys but three hits while five were secured from the famous Poe.

The railroaders drew first blood getting their two runs in the second. Belt first up hit safely and Mackay followed with a hit. Shriver and Mills each sacrificed, scoring the two runs. Gilmore was safe on first on an error but Madden fled out retiring the side.

In the fourth the Bottle Makers tied the score. Steel struck out after which E. Boice was safe on first when Madden dropped his fly in left. A. Bunner was safe on first when Shriver booted his infield hit. J. Bunner hit safely and E. Boice scored. Conley and DeBolt struck out and the side was retired. Both teams made bids for runs in the remaining innings, both getting men as far as third, but neither could score.

Doymakers Will Play Printers Tonight

Mid-West and the West Virginians clash tonight at South Side Park and a good game is promised. Mid-West is going to fight to get out of the cellar position and the Printers are determined to start a winning streak. The usual strong attraction for tomorrow afternoon is expected to bring out a record bunch of fans. At two p. m. Mining Machinery and Monongah Glass cross bats and when that battle is ended the fight starts all over again when Watson Building and the Wholesalers come together.

Idamay is Preparing for Laor Day Games

two game series with Clarksburg at Clarksburg Sunday and Labor Day, and when the Ida May tossers leave for the Harrison county invasion they will be in top of the season form. The Clarksburgers paid Idamay the compliment of selecting its team to be the attraction for their big Labor Day game and the fans are promised a real diamond battle.

Norwood Team to Play at Idamay

It is doubtful if there is another team in the county which has a better record than the Idamay team in the number of games won this season. Idamay has been very active, playing every Sunday and having played a number of games on week days.

The team this year under the management of "Port" Knight has played a total of seventeen games and of this number they have lost but four. Twelve games have been won and one game earlier in the season tied with the Norwood park baseball team of Clarksburg.

The Norwood team of Clarksburg, the same team which has defeated the Consumer Fuel company nine times this season as well as most of the other stronger teams in this section of the state has proven easy money for the Idamay outfit. Four games have been played between the two teams, three of which have been won by Idamay and the fourth tied.

TENNIS TOURNEY STARTS NEXT WEEK

Men's Singles Will Be Opened Tuesday Evening.

Monday of next week is Labor Day and for that reason the Y. M. C. A. tennis tournaments will not start until Tuesday, September 2.

The first tournament to be held is that of the singles for men which will begin Tuesday evening. Entrants will be drawn and matched up for the tournament before that time in order that the tournament may start as scheduled.

There has been quite a bit of interest manifested in the singles for men and a number of the better players of the city have already affixed their names to the registration list at the "Y." As expected most of the better players were among the first to get their names on the list, although it is feared that there are other good ones holding back to the very last.

All those desiring to enter should see to it that their names are put on the list some time this week if they want to be sure of getting a place in the tournament. This applies to both the men's singles and the tournament of mixed doubles.

Some of the better players who have already registered for the singles include Paul Fleming who is said to be a very competent player; Edward S. Winfree, another tennis player of ability, and R. W. Lamon, another clever player. Carlisle Small, who has quite a reputation locally as a tennis fiend, is entered in the tournament as well as Samuel Rock, his side partner. Rock and Small, it will be remembered, captured the double tournament which was held last spring between the members of the various high school classes. William Lehman is also entered in the tournament and is expected to make a good name for himself. Then there is the signature of M. L. Clevett, physical director of the Y. M. C. A., who should be a good tennis player if he is not. Clevett is putting on the tournament and the winning of a trophy or two would well pay him for the time he has spent in organizing the tennis players.

Bellaire to Play the Consumers

Manager Rothlisberger, of the Consumers ball team at Downs, has made arrangements for a game with the Bellaire, Ohio, team on Blackshere park Sunday afternoon beginning at 3 o'clock.

This promises to be one of the best games seen at Blackshere park this season. The Buckeye players are a strong organization and they have been playing fast ball this year.

The Consumer team will get in shape to resist a real attack and it is expected that there will be a large turnout at the game.

Carolina to Play Monongah Sunday

Carolina is to play Monongah at Traction Park Sunday, the game beginning at 3 o'clock, and the fans are looking forward to a rather unusually interesting game.

Bobby Hood will play with the Carolina aggregation and there is more than a possibility that there will be other new faces in the line up, all of which will add to the uncertainty and general interest of the contest.

Sharon, Pa. Swept By Costly Blaze

SHARON, PA., Aug. 29.—Fire, which for a time threatened to sweep the entire business section, destroyed five buildings and damaged several others here this afternoon. The loss is estimated at a quarter of a million.

The blaze of undetermined origin, broke out in a three story building in State street occupied by Wallis and Carley, contractors and spread to adjoining structures. Other buildings burned were occupied by C. H.

Yeager and Co., dry goods, the Sharon College of Commerce, McCrorery Five and Ten Cent Store and S. A. Kennedy, tailor.

To every child having a hundred freckles or more, a Rockford, Ill., movie house is offering a free matinee ticket for a performance of "Freckles," a dramatization of Gene Stratton-Porter's novel.

House-building is being hastened in London with the end of a machine that turns out a solid concrete block 21x12x3 inches, each minute.
