Have Sold More Silks and Dress Goods

during the past three weeks than we thought it possible to sell in such a limited time. True, we have LARGE stocks and MODEST prices, and these make the selling of great quantities a NECESSITY. Read further, you may want some of these:

Waist Silks===

pure and simple—consisting of styles, weaves and colors which were specially designed, dyed and woven for THIS PURPOSE ALONE. COULD be used for other purposes, but are pre-eminently suited for waists. Styles by the hundred at any price.

THE Colored Dress Goods

stock we present to your notice this spring represents a combination of GOOD TASTE and UNSTINTED MEANS. Nothing too choice—nothing too fine for our patrons. Can suit you at any price you choose to pay, whether it's 25c or \$4.00 yard.

Senechal

is the name of a lustrous new black silk of medium weight. Weave—similar to Gros de Londre. Finish—similar to satin Luxor. Both sides of this silk are finished alike. Prices in easy buying range.

Black Goods

also have a very strong following, particularly CREPONS. One never seems to tire of this weave, so prolific in diverseness. It's a fabric which wears beyond expectations and always looks dressy. Mohair, Wool, Silk and combinations of these in both light and medium weight. 48c to \$4.50 yard.

Ready-to-Wear Department.

It takes time to perfect anything new—even a new style. That's why the first products are generally faulty—lack this or that detail. For this reason, find it's to our advantage to wait until the experimental stages have been safely passed. That time has arrived and we now take pleasure in announcing the receipt of a goodly portion of our UP-TO-DATE Suits, Jackets, Children's Reefers, Skirts, Waists, Petticoats, etc. Better examples of fine tailoring nowhere.

New line of long French Net Ties in Ivory and Butter.

When you feel that you have tried everything and everyone, consult us. A daily occurrence is the surprise shown by the benefited patients at our office.
Do you have headache? Do your eyes water? Do they smart or burn? Does the print run together when reading? Feel as if seen before the eyes? Do things appear double or mixed up? Have a desire to rub the eyes? Twitching? Does the light pain them? For any trouble of your eyes consult us. During this month we devote much time to children's eyes. We make glasses at popular prices (one reason for our popularity)—make a careful examination free of charge. The best proof of our success is the number of recommendations from our old patients.

\$1,300,000
In Cash Received by two Local Banks Yesterday, Destined TO FATTEN BANK ACCOUNTS
Of Stockholders of the Aetna-Standard Iron & Steel Company, who Have Sold out to the National Steel Company—Much Clerical Work is Necessary Before the Money can be Distributed to the Stockholders.
The City Bank of Wheeling yesterday received the largest single deposit ever made in its career of many years—it was a cash deposit of \$500,000, as well as the same amount of stock of the new National Steel Company, or \$1,900,000 in all.
The First National Bank of Bridgeport, received, it is said, about \$350,000 in cash and about the same amount of stock of the National Steel Company—\$700,000 in all. Likewise, this was the largest single deposit ever made at the Bridgeport bank.
The First National Bank of Bellaire is due to receive a deposit of the same proportions as that received by the Bridgeport bank, but it had not arrived yesterday.
All of this money, about \$1,650,000 in cash and practically the same amount in stock of the National Steel Company, comes to the three local banks in payment of the deal by which the National Steel Company acquires the great plants of the Aetna-Standard Iron & Steel Company. In round numbers it is said the consideration, both cash and stock, figuring in the deal is \$3,200,000. The company is capitalized at \$3,000,000, of which \$1,000,000 is in preferred stock and \$1,000,000 is common stock.
Of the 20,000 shares of Aetna-Standard stock, 17,000 were deposited with the City Bank of Wheeling; about 6,500 with the First National bank, of Bellaire, and about 6,500 with the First National bank, of Bridgeport, for the purpose of closing up the deal with the National. A representative of each bank went to Chicago last week with the stock certificates. These representatives were Ambrose S. List, of the City bank of Wheeling; Wilbur Tallman, of the First National bank, of Bellaire, and J. B. Loe, of the First National bank, of Bridgeport. They went through the formality of turning in the money and stock of the National in the proportions mentioned above. Mr. Loe has already returned with his money and stock, and Messrs. List and Tallman are expected back to-day. The money for distribution from the City bank came ahead of Mr. List. It is supposed the money for distribution from the First National bank, of Bellaire, will reach that institution to-day. The money will not be distributed to the stockholders before the early part of next week. In the meantime a vast amount of clerical work must be gone through with, including the making out of checks to the individual stockholders, etc. Some of the stockholders (but not many) are taking all cash; others are taking half cash and half stock, and some, it is said, take all stock.
