THE WOOD PLANT

To be Sold by the Receivers the Ruling of Judge Hervey.

THE ORDER ISSUED YESTERDAY

At a Special Term of the Circuit Court—George E. Boyd Made Special Commissioner to Ascertain the Liens on the Property of the Wood Brothers Planing Mill Company, its Debts and Other Matters.

An important order was handed down by Judge Hervey, of the circuit court, yesterday afternoon, bearing on the litigation that has followed the assignment of the Wood Brothers' Planing Mill Company. The judge decided the matter at a special term of the circuit court held Wednesday.

The order is a part of the case of W. W. Wood and others vs. R. W. Kyle and other creditors of the Wood Brothers' Planing Mill Company. The court orders that the receivers, George D. Maxwell and Edward Wagner, sell the real estate of the Wood Brothers' Planing Mill Company at auction, from the north door of the court house. The property is specified, and is as follows: Lot 4 in square 4 of Sprigg & Ritchie's addition, located on Chapline streets, South Side, on which is located the large brick planing mill property of the company; also lots 9 and 10 in square 33. The receivers are directed to see the personal property, book accounts, the old Alhambra rink and other belongings of the company. The receivers are directed to advertise the sale two weeks; the terms are to be at least one-half cash and the balance in two equal payments, six months and twelve months after the date of the sale. The personal property must be sold for cash.

By the terms of the order, George E. Boyd is appointed special commissioner to ascertain the following:

- First—The debts of the Wood Brothers' Planing Mill Company.
 - Second—Liens against the company and the order of their priority.
 - Third—Whether the lien held by Theodore Wagner is valid, and whether it has been prosecuted by suit as required by law.
 - Fourth—Any other matters deemed pertinent by the commissioner or the parties to the suit.
- Commissioner Boyd is directed to give notice of the time and place of beginning his proceedings.

FIRST PATERNITY CASE

In the Criminal Court Results in a Verdict of not Guilty.

The first paternity case tried in the Ohio county criminal court came up yesterday, being styled the board of commissioners of Ohio county vs. Herbert Bowman. The county commissioners are technically the plaintiff, although the real plaintiff is the complainant, Miss Caroline F. Degarmo. A number of witnesses were examined during the day. The defense produced so many witnesses who told a story entirely at variance with that of the plaintiff that the jury was out only a few minutes, and returned with a verdict of not guilty. Mr. Bowman, who is the postmaster at Valley Grove, this county, and a respectable and prominent citizen, was overwhelmed with the congratulations of his friends. The case was so sensational in its character that it attracted a large number of spectators from the neighborhood of Valley Grove.

Tribute of Respect.

The last tribute of respect and love that one brother who survives another, can pay to the departed is to give vent to those feelings, which are born in the human heart and only make themselves known in the hour of distress. The members of Wheeling Lodge No. 28, of the Benevolent and Protective Order of Elks have lost a brother in the sad death of Milton B. Mabis. We feel that our loss is however overshadowed in the bereavement his immediate family have suffered. We condole deeply with the sorrow stricken mother in the hour of mental suffering, and our fondest hope is that she may find that the lapse of time will to some extent, at least, soothe the ragged edge of grief. With her we sympathize most deeply. As to ourselves we will ever remember our departed brother, as one who had just attained the prime of his manhood, and who with all of the prospects of a life time before him, was in the mysterious doings of that Divine Providence, to which we bow in humble deference, called from this life. We will remember him, as a true gentleman and an Elk in all that this implies, and to the end that his virtues may be written on the tablets of our memory, we the members of this lodge of Elks lovingly inscribe this tribute to him who has gone.

RALPH A. HEYMAN, GEO. W. LUTZ, J. B. HANLAN, Committee.

Resolved: That the foregoing tribute of respect to the memory of Brother Milton B. Mabis, be spread upon the minutes of Wheeling Lodge No. 28 Benevolent and Protective Order of Elks; that a copy be given to the bereaved mother of the deceased; and that the same be published in the daily newspapers of Wheeling, West Virginia.

Get On the Inside.

If you want to see what's going on at a circus you'll naturally GET ON THE INSIDE. You won't stand outside the tent and wonder. If you want to get an office, there's always a ring—get on the inside. If you want to know about what a suit of clothes is made of, get on the inside—turn up the coat lining and look at the back of the goods—look at the linings—look at the finish—look at the stitching. A good piece of goods is often made up into a poor suit of clothes. The suits that we are selling at \$10 are elegantly lined, made up and finished. All these suits are self-faced to the armholes. Lots of new suits to look at in the window—but you'd better get on the inside, where you can also get a glimpse of the elegant life size portraits which we are giving away absolutely free. The artistic workmanship is demonstrated in our corner window, where we exhibit some portraits of well known citizens for your inspection.
