REMOVING THE REPTILE. party near Cedarville, where she then resided.

The party was given on a farm, and in a spirit of fun she drank out of a bucket which was used to hoist water out of the well.

Years passed on, but the snake continued to make its abode in the young woman. Once when she ate honey it crawled up into her mouth and part way out between her lips.

Late Saturday night she was seized with a choking sensation, which continued periodically during the night, and early Sunday morning the snake crawled out of her mouth several inches.
