Read What Mr. P. R. Smith has to say. Mayer Drug Co., Oakland, Md.

GEN. LEMMON—I wish to express my appreciation of the merits of your "Catarrh cure." I have suffered with catarrh for 8 years, and can truly say that it has given me more relief than any other medicine I have tried.

It has cured Mr. Smith of one of the worst cases of catarrh on record, with a heavy discharge of the throat. One bottle is guaranteed to cure.

There are signs that the Kansas Populists are hoeing more corn and talking less politics across the fences.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Old friends are best, no doubt, but a young friend of the other sex, if she be beautiful and amiable, is a very good substitute for an old one.

ABOUT ICE.

YOU WANT TO USE THE PURE ARTICLE.

It is a Matter Worthy of Attention.

The season is now at hand when the consumption of ice is quite large, and when that article is not only a luxury but in many cases, a necessity.

Too much care cannot be exercised in getting ice that is absolutely pure in every particular. Ice that is taken from stagnant ponds contain the germs of disease and is dangerous to the health of the consumers.

In the cholera epidemic in New York last year, the most prominent Physicians recommended the use of artificial ice as it is devoid of all elements of danger and none but pure water was allowed to be used.

The company has spent several thousand dollars this season in improving their property and it is now one of the most complete institutions of the kind in the country.

The water used in the manufacture of their ice is pure clear spring water. This is turned in distilled before being frozen, and it is absolutely impossible for any impurity to remain after the water has gone through this process.

The company commenced manufacturing ice March 27, and besides furnishing their customers are storing the remainder and now have several hundred tons in their storage house.
