GERMANS SARCASTIC OVER CONFERENCE

Berlin, Nov. 21.—(By The Associated Press.) German official quarters continue conspicuously reticent in discussing the Washington conference, beyond approving the arrangement itself, as reflecting the sentiments of the German government.

THE SINGLE TRACK MAN

There is a man in our little town. So careful and thrifty, they say. He counts every seed in his garden in spring. And he's all his tools when he puts them away.

BRAND DEFENDS

institutions of liberty and justice are secure to all peoples. There is no moral obligation of the defenders of liberty and justice. We understand the difficulties. What we have heard from the representatives of France is not a new strategy. It is a determination to understand.

We had a meeting with a delegation of the French Chamber of Deputies, headed by Secretary Huchon. He stated the question will have a place in our discussions. The expressions of the French Chamber of Deputies will be taken into consideration.

Admiral Balthus, speaking in his turn, expressed the profound sympathy of the Japanese people for the French Republic and the French Republic. He stated that the Japanese desire to see the maintenance of order within.

Statement of Policy.

Both Mr. Balfour and Admiral Balthus made the day's development seem to indicate that the limitation of land armament would be difficult to establish and although the subject was referred to a committee of the whole for future consideration there was apparent no intention to hasten the discussion of details.

Premier Briand's Address.

Washington, Nov. 21.—Premier Briand, in the course of his lengthy speech, said today that a volume has been published in Germany which he still enjoys great authority in many German circles and which is followed by a great part of the elite in Germany.

CUTICURA HEALS ITCHY ERUPTIONS

On Scalp, Burned Badly. Hair Came Out. "Small, sore eruptions broke out on my scalp and itched and burned so badly that I scratched them, causing them to run together and make larger eruptions. My hair was dead and brittle and came out in clumps."

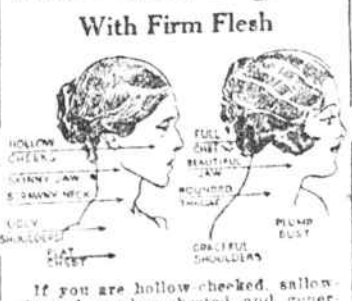

Cuticura Soap, Ointment and Talcum are all you need for all eruptions. Bathe with Soap, Sootch with Ointment, dust with Talcum.

Intelligent policy. It is the cornerstone of every form of future. And the future of the German people. And the future of the German people. The German people need a better plan. The German people need a better plan. The German people need a better plan.

There is something new in Germany. There is something new in Germany. There is something new in Germany. There is something new in Germany. There is something new in Germany.

Germany is not a country. Germany is not a country. Germany is not a country. Germany is not a country. Germany is not a country.

France began to demilitarize as rapidly as possible and the period of enforced military service was reduced from three to two years. The result has been to leave the three military classes to two.

Mr. Balfour, who followed the French Premier, reviewed Briand's address and said: "Mr. Briand appears to have some fears lest France should feel herself in moral isolation. That would be a tragedy indeed."

There are many problems which we do not know how to solve. But we must not be afraid. We must not be afraid. We must not be afraid. We must not be afraid.
