**To Subscribers.**  
We cannot discontinue your paper until all arrearages are paid. Don't ask us. Don't say stop my paper until I get what I owe paid up etc. In no case can we do this. It is a general rule we have to adopt to protect ourselves.  
When you do not want the paper any longer, pay up and stop it. Don't have your postmaster drop us a card that it is not taken out of the office. If you were publishing a paper you wouldn't want us to do you that way.  
When you move from your present post-office don't fail to notify us at once of the change, giving your former post-office as well as your new one. This is absolutely necessary.

ISSUED BY  
**THE BALTIMORE & OHIO RAILROAD,**  
GUIDE TO WASHINGTON.

The Passenger Department of the Baltimore & Ohio R. R. has issued a Guide to Washington, which in many respects exceeds all other guides published, both in artistic appearance and careful description of points of interest in the Capital City. The front cover of the book is embellished with a handsome steel engraved portrait of the "Star" of Washington. The reverse cover bears an American flag in the grasp of an eagle. The inside pages contain recent photographs of all the Government buildings with correct information concerning them, together with other interesting features of the city, and the very latest map. Copies will be sold at the principal Ticket Offices of the Baltimore & Ohio R. R. for ten (10) cents cash or will be mailed to any address on receipt of fifteen (15) cents in stamps on application to the undersigned.

**"REASONS WHY."**  
"Reasons Why" is a forty-two page pamphlet giving in condensed form the important facts concerning the Baltimore & Ohio R. R. It is an argument setting forth the claims of the railroad for public consideration. This artistic booklet contains many half-tones and drawings illustrating the history, scenic charms, the development and progress of the railroad, and the superior service afforded to patrons. Single copies can be obtained of Ticket Agents, or will be mailed to any address on receipt of two (2) cents in postage stamps on application to the undersigned.

When the quantity of food taken is too large or the quality too rich heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating indicating that you ate too much, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. For sale by R. Ney Williams, Kenova; W. M. Bloss, Ceredo.

THE bucking automobile is an old story, but Prof. Porter, of Lafayette college, had an experience with an automobile that turned a somersault and scalded him. This sort of thing is what prevents the addition of an automobile to our outfit.

You can never cure dyspepsia by dieting. What you need is plenty of good food properly digested. Then if your stomach will not digest it, Kodol Dyspepsia Cure will. It contains all of the natural digestants, hence must digest every class of food and so prepare it that nature can use it in nourishing the body and replacing the wasted tissues, thus giving life, health, strength, ambition, pure blood and good, healthy appetite. W. M. Bloss, Ceredo; R. N. Williams, Kenova.

SOUTH CAROLINA and the Federal government have a dispute over the question of whether the State is legally required to pay the U. S. special tax as wholesale and retail liquor dealers. Exemption is claimed because the dispensary is conducted by the State, but U. S. officials contend that as the State is in the liquor business it must comply with laws for the regulation of that business, just as individuals are compelled to do.

**THE NEW YORK WORLD**  
Thrice-a-Week Edition.  
The Most Widely Read Newspaper in America.

Time has demonstrated that the Thrice-a-Week World stands alone in its class. Other papers have imitated its form but not its success. This is because it tells all the news all the time and tells it in a partial, whether that news be political or otherwise. It is, in fact, almost a daily at the price of a weekly and you cannot afford to be without it.

Republicans and Democrats alike can read the Thrice-a-Week World with absolute confidence in its truth. In addition to news, it publishes first-class serial stories and other features suited to the home and fireside. The Thrice-a-Week World's regular subscription price is only \$1.00 per year and this pays for 156 papers. We offer the World and this paper both one year for \$1.65. The regular subscription price of the two papers is \$2.00.

ACCORDING to reports, Mrs. McKinley has acquired a comfortable fortune through some mining claims in Nevada, inherited from her father, as well as her usual health. We trust the reports are true. No good fortune is too great for that little woman.

THE business interests of the country know that the Republicans in Congress can be trusted not only to enact any tariff legislation that may be needed, but to head off any attempts at tariff tinkering that would be likely to prove injurious.

**The Best Lintment for Strains.**  
Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. Huntington was visited by another destructive fire last Wednesday. At noon on that day fire broke out in the Fitzgerald Patent Prepared Plaster Works, and the buildings were totally consumed. The plant had not been in active operation for a year or more, and a portion of the same had been used by T. M. Carr as a planing mill and paint establishment. The loss will reach near \$20,000, with about \$8,000 insurance.
