Solicitors Wanted

The Advance wants from one to three good, reliable men to solicit subscribers all over Wayne and the lower edge of Cabell counties. Good cash commission offered. Write or call on the manager for particulars, must have good references.

The masterpiece of art, a woman. The masterpiece of a nature a true friend.

The Kentucky mule never goes out on a strike. It's the other fellow at the rear end of the mule.

The Sifans of Tibet make their nurseries in the tops of trees. This is probably the birth place of the old lullaby about babies in tree tops.

When Solomon said a fool and his money were soon parted he must have just returned from taking his twelve hundred wives and family to a circus.

The blue ribboned manuscript and the graduating dress for this year will soon be over, but each coming year turns a larger and a better lot.

The Camden Interstate is not only bound by contract to have painted the trolley poles in Ceredo when first erected and used but to keep them painted. Is there such a clause in the lighting franchise? If not why not? If so both should be enforced now that Ceredo is going to put on a new dress.

NATION MAKERS

The Advance congratulates Superintendent Kimler, Professors Saunders, Thomson and all the teachers of the Ceredo Independent district upon their re-election for the next year to the places they now hold in the public schools. But it more heartily congratulates the pupils for they will have with them as instructors a corps of educators who not only know but perform their duties. To the board, the Advance will say well done thou good and faithful servants of the people and the public schools. Upon the teachers of the public schools rests the future of this nation as a republic. As the twig's bent the tree's inclined, so too are the minds of the youth of this nation. Upon the youth depend the future. Start them as they should go and rarely do they depart from it. Teach them that citizenship ranks partisanship. Teach them the duties of a true man. Teach them that while wealth is desirable from many standpoints that the higher life of man is not money making. Teach them that success in life means the accomplishment of high ideals—the betterment of mankind; the uplifting of the downtrodden and the amelioration of man from the bonds of ignorance, of vice, of sin and of wretchedness. Teach them that a true heart, a clean character and kind deeds are worth more than Norman blood or Saxon gold. Teach them above all things to do their duty, as men and women cheerfully and unflinchingly in whatever field of life their lot may be cast, be it in high or low places. Teach them to maintain their self respect without which they cannot have the respect of others. Aye, to sum it up teach them that life is real and that no one can live into himself nor so can he die; that the world is one piece of machinery and that every man and woman on it are parts of its works and only through their actions does it go awry. While upon the parents rests a fearful responsibility as to the future of the child and the future of the world yet upon the teachers rest tenfold more responsibility. This is enough indeed to cause the teachers to be thoughtful. Every teacher should remember that he is moulding the character of the youth of this nation and upon these youths rests the foundation of this nation—its weal or its woe.

In Ireland there are 211,000 widows as compared with only 88,000 widowers.

Driven To Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c, at W. M. Bloss' Ceredo; R. N. Williams, Kenova.

There are some positions that seem to require men who don't know very much.

That Throbbing Headache

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and build up your health. Only 25 cents, money back if not cured. Sold by W. M. Bloss' Ceredo; R. N. Williams, Kenova.

At the burial of a South London man his six dogs draped in black, followed the cortege.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T. J. McFarland Bentorville, Va. serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by W. M. Bloss, Ceredo; R. N. Williams, Kenova. Trial bottles free, regular sizes 50c, and \$1.00.

A man who picks another man's pocket is almost mean enough to write an anonymous letter.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by W. M. Bloss' Ceredo; R. N. Williams, Kenova.

We have a nice line of Ladies Oxford ties and Sandals at \$1.00 and \$1.25 per pair. "Custom made" at \$1.50 and \$2.00.

Brain-Food Nonsense.

Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy of all druggists. Price 25c and 75c.
