Rutherford, familiarly known as "High Pockets," was unanimously elected as town sergeant. His name was the only one before the council for the position. The selection will be well received by a large majority of the people of town, as he made one of the best officers the town ever had when he filled the position before.

Dunleith, W. Va. The Central Graded school at Buffalo creek closed Friday, March 31. Preparations had been made by the teachers to give an entertainment and quite an enjoyable afternoon was spent. Visitors came from Ceredo, Kenova, Portsmouth and Huntington in addition to the ones in the immediate vicinity. All present expressed themselves as well pleased with the exercises. Most of the teachers of Ceredo district were glad when the last minute passed for their schools to close. Some are going to school while others will return to their respective homes to spend their vacation. It has also been rumored that several will embark upon the sea of matrimony. Another keep house to herself than teach for one more year. The epidemic of love seems to be contagious as it is spreading throughout the district.
