Fishing time is here. John Smith was in town last Thursday.

Look at the date after your name on this paper.

A few cents spent for lime may prevent a case of fever.

Mrs. Ernest Dietz visited Guyandotte relatives Friday.

We noticed Thomas Skean on our streets last Wednesday.

If you know a news item don't forget to tell us about it.

Assessor P. Frazier was here from Wayne a few days ago.

Mr. and Mrs. C. W. Smith were Huntington callers last Thursday.

White wash your old fences and outhouses—if you cannot paint them.

Dan Sawyer of Huntington spent Sunday here with relatives and friends.

Mrs. W. H. Anderson, who has been seriously ill for several days, is improving.

The Prindle Furniture Co. of Huntington has a new ad. in this paper. Read it.

Mrs. J. R. Keese of Wayne was the guest of Mrs. U. S. Brown the latter part of last week.

P. J. Rigg of Buffalo was a business visitor to town last Wednesday and while here made this office a pleasant call.

An ice cream and box supper will be given at the Christian church on Twelve Pole Saturday night. All are invited to attend.

Peruse the new advertisement of Wood's (to the rescue) in this paper. Big bargains are offered by this firm. But see the ad.

Sow a few flower seeds. You know you like flowers and you should not expect your neighbors to spend money, time and labor and furnish them to you.

Rev. C. Cole of Logan, this state, was the guest of relatives and friends here last week. He is an applicant for postmaster at Logan. His Wayne county friends hope he will land the plum.

T. T. McDougal visited Cincinnati the latter part of last week and purchased a supply of racks and cases for the ADVANCE office, to take the place of those damaged by the recent flood.

Have numerous orders booked for later on, but let us get busy now—at once. C. V. DODGE, Painting and Decorating. Adv. 19mar4w. Kenova.

The following relatives were called here last week on account of the serious illness of Mrs. W. H. Anderson: Mrs. Josephine Groves and Mrs. Thomas, of Advance, Ky.; Mr. and Mrs. John Thomas and Mrs. John Kiser of Ironton; Mr. and Mrs. Wed Bartram of West Huntington.

We desire to direct attention to the advertisement in this issue of the Chamber of Commerce of Cincinnati, Ohio. The wholesale merchants of the "Queen City" offer to extend credit to all merchants and business men who suffered from the recent disastrous flood in the Ohio valley.

All the latest creations in Fine Wall Papers. Cretonnes to match all fine cut borders. Drop me a postal to Kenova and I shall be pleased to call and show samples. C. V. DODGE, Kenova. 19mar4w. Adv.

The town authorities have been cleaning up the streets and hauling off the rubbish, etc. Now they propose to enforce the ordinance against throwing tin cans, etc., on the streets and alleys. If you do not want to be arrested and fined (and we know you don't), do not disobey the ordinance. Mayor Jim Marcom will certainly fine you, if you are guilty.

Camden Park opens Tuesday, May 6, and despite the effects of flood is more beautiful than ever. A force of carpenters, painters and operators have been working on the water wheel everything in first-class order. The dance hall is in excellent shape and the Sophomore Orchestra,

the opening dance will be one of the best of the season.

A wise housekeeper begins housecleaning early and avoids hurry and worry. Allow me to assist you. C. V. DODGE, Painting and Paperhanging. Adv. 19mar4w. Kenova.

The Huntington High School Ball Team played the Ceredo High School Team at this place last Friday afternoon. Both teams played well, but the limited number of boys in the home team greatly handicapped them. If at first you don't succeed, boys, try again. The score stood 7 to 9, in favor of the visitors.

Doctors Bruns and Goff removed a needle from the back of the infant daughter of Mr. and Mrs. Dan Alvis of South Ceredo Wednesday. The implement had embedded itself in the lumber region to the left of the spinal column. It is presumed the needle got into the baby's flesh by being playfully jostled up and down by its sister. Had the implement remained there any length of time it would no doubt have caused the infant's death.

We learn that D. F. Peters, trainmaster on the Pocahontas division of the N. & W. Ry., has been appointed superintendent of the Detroit, Toledo & Ironton R. R. to assume charge at once. Mr. Peters formerly lived here, having married Miss Lucy Frasher of this place. His many friends in this community will be glad to learn of his promotion.

### Gould Hutchinson Killed.

One of the most tragic accidents of late years was enacted yesterday when Gould Hutchinson of Hampton City was killed by a B. & O. train at Lumberport, W. Va. Mr. Hutchinson, who was a conductor met death at a small town 7 miles east of Parkersburg. He was caught between two cars and so badly injured that he died in a few minutes after the accident occurred. The remains are in charge of a cousin, Will Hutchinson, who will accompany them to Catlettsburg this afternoon, arriving in Kenova on the 4 o'clock B. & O. train.

Mr. Hutchinson is survived by Mrs. I. B. Hutchinson, his mother, Mrs. Frank Tyree and Mrs. Sophia Tyree, sisters, and Lon Hutchinson, River Observer, of Huntington, W. Va., and Will Hutchinson of Ashland, brothers. The most pathetic survivor is the bright little son, Robert B. Hutchinson, who will only be 3 years of age in July.

Mr. Hutchinson was the son-in-law of Mr. and Mrs. R. H. Kilgore having married their daughter Francis Kilgore several years ago. Mrs. Hutchinson died in January.

Mr. Hutchinson was loved by all who knew him and his place can never be filled in many hearts. He was a dutiful son and brother, a loving and kind father loyal in all things. A good friend, a kind neighbor, and an upright citizen. —Sandy Valley Call, Apr. 24.

## WHAT TO DO FOR THE HEALTH OF KENOVA

BY DR. T. N. GOFF, PRESIDENT KENOVA BOARD OF HEALTH.

As a result of the overflow of the Ohio river, which no doubt contaminated the water supply of our city with overflow of vaults and sewer contents, steps should be taken to make the city as sanitary as possible by using oil freely and on top of this chloride of lime in the houses, yards, alleys and streets; cleaning up and keeping clean as the water disappears. After all of this we still are not through. We have to be content with our beautiful stagnant lakes and ponds—breeding places for the "cousins," the mosquitoes.

One case of typhoid fever in the hot summer months will attract the house or "typhoid fly," that is much stronger on wing than our above mentioned "cousins."

We are yearly losing hundreds and thousands of babies under two years of age by (this entirely preventable) intestinal filth infection. We formerly attributed this to contaminated water, milk and other foods. But recently evidence has proven that a large part of this filth contamination is distributed by the house fly. While milk makes one of the best mediums for germs, typhoid, etc., it is necessary for the milk distributors to clean up and keep clean.

If some large and easily seen enemy, some savage human foe, persisted in harassing our homes and cities, shooting poisoned arrows into our midst and causing one thousandth part of the diseases, suffering and death, we would rise up to a man and exterminate the enemy. We can do no less now, that we know our common enemy to be a pestiferous insect.

The problem is still before us. It is necessary to put all waste food most attractive to flies in some place where the flies cannot have free access, and better still, screen the garbage can with fly trap attached and trap them as fast as they come. A pair of flies beginning operations in April may be progenitors, if all were to live, of 191,010,000,000,000,000,000 by August. Is it not a simple, common sense proposition to catch this pair in April? To catch this pair every household absolutely must cooperate.

Now, there is practically only one way of salvation from this dangerous situation, and that is preventive treatment of our numerous coming diseases. As to typhoid fever, statistics show that the army and many of the larger cities have gotten great results from vaccination against typhoid fever infection. In the lever cases in which the prophylactic did not prove to be thoroughly immunizing, it was found that the virulence of the case was minimized. The duration of the immunity of anti typhoid vaccination is not yet determined, but is assuredly two and one-half years, and probably longer. In healthy persons it is a harmless procedure. All persons whose duty involves contact with typhoid fever should be immuned.

On keeping a city clean and healthful, the following "don'ts" should be widely circulated and enforced:

1. Don't throw anything on the sidewalk or street. Find a garbage can.
2. Don't tear up paper and scatter it anywhere.
3. Don't let any piles of ashes or rubbish stay in your back yard.
4. Don't mix ashes and garbage in the same can. Pigs don't like to eat old coal and clinkers.
5. Don't fill the ash bin or garbage can too full.
6. Don't chalk the sidewalks, fences, buildings or pavements.
7. Don't expect your city to become clean and perfect all at once. It will become an ideal city only when everybody does something every day to help make things better.—Kenova Reporter.

## Blood Was Wrong

All women, who suffer from the aches and pains, due to female ailments, are urged to try Cardui, the reliable, scientific, tonic remedy, for women. Cardui acts promptly, yet gently, and without bad effects, on the womanly system, relieving pain, building up strength, regulating the system, and toning up the nerves. During the past half century, thousands of ladies have written to tell of the quick curative results they obtained, from the use of this well-known medicine.

## TAKE CARDUI The Woman's Tonic

Mrs. Jane Callehan suffered from womanly trouble for nearly ten years. In a letter from Whiteville, N. C., she says: "I was not able to do my own housework. My stomach was weak, and my blood was wrong. I had back-ache, and was very weak. I tried several doctors, but they did me no good. I used Cardui for 3 or 4 months, and now I am in the best health I have ever been. I can never praise Cardui enough." It is the best tonic, for women.

Whether seriously sick, or simply weak, try Cardui.
