WOLTERS IS NO SHRINKING VIOLET

Frank Chance Turns Coast Leaguer Over to Cubs for Another Try.

PASADENA, Cal., March 16.—"What me not make good with that team? You've got another guess coming."

Thus spoke Harry Wolters, turned over by Frank Chance from the Los Angeles Pacific Coast leaguers to his old team, the Chicago Cubs.

Wolters is the exception that makes the "Busher" breed run true to form. His is not the part of the shrinking violet, the bashful beau or the coy maiden. Oh, no! At the Cub headquarters in Pasadena the rest of the raw recruits are battling valiantly for regular jobs with inward prayer and considerable outward quaking.

And Wolters is battling, too. But none of this shy, retiring stuff for him.

"Well, I can't make a regular job with any team in the National League. I'm through with baseball," he said from the bench the other day.

"That is only one thing that will

HARRY WOLTERS

prevent me from becoming a Cub outfielder this year. And that is the story. If they don't pay me the money I'm worth to a major league club, I'll play somewhere else."

Wolters was regarded as the best outfielder in the Pacific Coast league in 1915, and also in 1916. He played wonderful ball in 1915, closing 357 for the Los Angeles team.

In 1916 business reverses took his mind off baseball, but even at that he hit up a batting record of .297. He hit a fortune of many thousand dollars. Experts agreed that he would have led the league but for his misfortunes.

Wolters was with the Yankees for

OLD KICKORY TONIC IS RICH IN IRON

RESTORES STRENGTH, VIM AND VITALITY IN A SHORT TIME.

Iron increases the red corpuscles in the blood, thereby making it richer and purer. As Old Kickory Tonic contains one of the very best forms of iron that the human system can easily absorb, it is not very long after you take it that you feel stronger and more vigorous. Besides the iron, there are extractions of a number of tonic and purifying herbs, roots and barks in Old Kickory Tonic. They tone the stomach, liver, kidneys and bowels, create good appetite and cleanse the system of poisons.

Old Kickory Tonic is not a patent medicine. It is made from the formula of a family of doctors, who for over a half century used it in their own practice. No other tonic they ever prescribed would give the same good results that their own preparation gave, so they always returned to it.

If you are weak and sickly, go to the drug store at once and buy a good big bottle of Old Kickory Tonic. Take according to directions and notice how quickly health and strength returns. Then ask your druggist for the lowest price on six bottles and continue the treatment until you are thoroughly well. You'll find it a good investment, for to be weak and sickly is the most expensive thing in the world.

Big G is effective in treating unnatural discharges, catarrhs, non-painful and will not irritate. Believe in it! P. C. Evans. Sold by Druggists. Parcel Post if desired—Price \$1, or 5 bottles \$4.12. Prepared by THE EVANS CHEMICAL CO., CINCINNATI, O.

several seasons but was sent back to the minors by Frank Chance when he injured his leg. Later, Chance resumed the management of the Los Angeles club, and confessed that he had made a mistake in dropping Wolters from the Yankee payroll, after watching the outfielder for a season with Los Angeles.

Chance believes that Wolters, playing in his old team, will set the National League on fire this season.

Manager Mitchell of the Cubs refuses to go on record at this early date with any definite dope.

It's too early, is all he will say.

But while the rest of the colts are running around on wobbly pins, playing poor ball part of the time because of nervousness and anxiety, Wolters is swatting 'em right and left with reckless abandon, and scooping 'em up with the ease of an old-timer.

"Yes," sez 'e, "when I can't make a job with any team in the National League, I'm through with baseball. I'll pack up my duds and look for something else."

UNION BARBERS STRIKE.

MORGANTOWN, March 16.—All the union journeymen barbers of Morgantown walked out on a strike at noon today as the result of a refusal of proprietors to grant recent demands for increased wages. The wage increase is based upon a raise by the union prices for hair-cutting and neck-shaving recently agreed upon by the union, although the proprietors declare they refused to accede to them. The local scale is based upon a percentage of the gross receipts over certain sum...

Short Slants at Sports

Hoyt, the giant who jumped center for D. & E., couldn't get up in the air high enough to keep "Hap" from getting the tip off.

The Commoner club, from Morgantown, is with us this evening. A basketball team from a club with such a name shouldn't be expected to put up a fight.

Dja ever maka date with yer girl to go downtown and only have 24 cents and know she wanted to see Zarrow's Review at the Hipp and you couldn't ask her to sit in the gallery? You might try Ed Worthington's plan.

Ed makes his girl walk and walk and walk and then when she's about ready to drop he says, "Let's go down to the postoffice," and so because she's too weak to talk back they spend a pleasant evening reading the numbers on the mail boxes.

OFFERS GOVERNMENT A MINE.

BUFFALO, March 16.—The Medical Association, of which Dr. Pierce is president, has placed at the disposal of President Wilson 25,000 acres of coal land at Pierceton, Ala., for the duration of the war. The coal mine, fully equipped with mining machinery, producing the very best steam coal, and 12 miles of railroad, is offered to the United States government for its free use in case of war.

SAVE NEGRO FROM MOB.

PIEDMONT, W. Va., March 16.—Wade Brown, a negro, aged 22, jailed here for assaulting 12-year-old Erma McIntyre, a white girl, in the basement of the Baltimore and Ohio railroad station, was rushed out of town when feeling arose to such an extent that it was feared the negro would be lynched. Great excitement prevailed, but the police succeeded in spiriting the negro out of town.

Y.M.C.A. ALMOST DEFEATED CHAMPS

D. & E. Was Just One Point to the Good When the Game Ended.

Fairmont "Y" last night all but defeated D. & E., state champions, at basketball, Weimer for the visitor, caging a goal that changed the score from 21 to 29 in favor of the "Y" to 22-21 in favor of D. & E., in the last twenty seconds of play.

Fairmont took a lead at the start, the first ten minutes of play seeing but one score made, then in a few minutes Fairmont had run the score up to 7 to 1, when the D. & E. boys began to get going and the half finished 13 to 12 in favor of the locals.

D. & E.'s victory was won on fouls, both teams caging nine field goals but D. & E. making 4 out of 8 tries, and Fairmont but 3 out of 10. In its floor work, and at times its shooting, the Fairmont team showed the best form of the season. Fairmont's guarding, in all positions, was the closest seen this year and caused D. & E. to have to take long shots, the majority of which failed. John Reed was particularly good at his shooting and caged two pretty ones under the board with one handed over the shoulder swings while closely guarded.

Since their showing last night, Fairmont is demanding a game with Gratton "Y" which every naturally is doing its best to prevent another game to decide the honors between the two teams. It is believed however, that a game will be arranged in the near future.

A little extra thrill was thrown in last night when "Biz" Dawson, last year's Clarksburg High boy, got his dander up and started fireworks with "Happy" Hawkins. Hawkins just took him gently by the neck and was cheer-

fully twisting his head off when other players persuaded peace. The score: Fairmont, 21. D. & E., 22. McClure F. Weimer Reed F. Cutright Hawkins C. Hoyt Ward G. Dawson Toothman G. Whetsell Field goals—Fairmont: McClure, 2; Reed, 4; Hawkins, 2; Ward, 1. D. & E.: Weimer, 3; Cutright, 2; Hoyt, 1; Dawson, 2; Whetsell, 1. Foul baskets—Fairmont: McClure, 2 out of 3; Reed, 1 out of 1. D. & E.: Whetsell, 4 out

KNIGHTS TO PLAY SCOUTS.

The Knights of St. Paul and the Jones' Scouts will meet on the East Side club floor at 6:30 this evening. The game is a regularly scheduled one of the boys' league and is expected to be a hard and well played contest.

NO STAFF FOR CORNWELL.

CHARLESTON, W. V., March 16.—Gov. John J. Cornwell will have no per-

sonal staff. Should the occasion demand the presence of a military escort, the military department may be called on to furnish it, but there will be no civilian military titleholders wearing sashes and gold braid.

Asked today for the governor's reason in not appointing a personal staff, James W. Weir, private secretary to the governor, issued a statement in which he said that the personal staff was an utterly useless appendage, and that "this is no time for tin soldiers."
