GO IN FOR TRACK AT THE UNIVERSITY

Interesting Schedule Has Been Arranged for This Season.

The university track team will enter five big meets this season, making it the biggest season at track sports ever undertaken at the university. Interest in the cinder track has expressed itself formerly and it is believed among the devotees of track athletics at the school, that a new day for that class of sport has opened in West Virginia.

Always before the track team has been a minor part of the school's athletic representation, but with some excellent material in this summer, it appears that the splendid sports of running and sprinting and hurdling, the discus and the other forms of Grecian contest, will come into their own.

The schedule of meets is as follows:

April 27-28 — Send team to the Penn relay races. Three other men will enter carnival of events.

May 5—Ohio University at Athens. (Dual meet.)

May 19—Team entered at Western Pennsylvania field and track meet at Pittsburgh.

May 30—(Morning)—Wesleyan at Morgantown. (Dual meet.)

June 2—Pitt at Morgantown. (Dual meet.)

Practically all of last year's men excepting Stevenson are in school and working hard in preparation for the season. Frenzel, who holds two state records and has been a consistent point getter for the varsity in the past several years, has not yet returned from Huntington where he was called several weeks ago by the sudden death of his father. He is expected back, however, within a short time. In addition to the squad of veterans, there are some excellent freshmen candidates in school.

The relay team which will go to Pennsylvania will include Harry Anderson, Lane Anderson, Rowley, and a fourth man to be chosen from DeForest, Trotter, Miller, Latterner and others. Aspirants are now working out.

Making Progress in Bowling Tournament

SOME VERY INTERESTING SINGLE MATCHES WERE ROLLED LAST NIGHT.

More good scores were made in the "Y" bowling tournament last night. The semi-finals have been reached in the singles and the first round of doubles will be rolled tomorrow night. Brown had high single of 175 and Kendall high three game total of 433 while Kendall and Barnes made the best match total, \$20. The scores were as follows:

Blickley, 336; Linn, 323.
 Brown, 365; Morrow, 326.
 Barkalow, 338; Anbracht, 289.
 England, 338; Wrascoe, 289.
 Stanhagen, 358; Miller, 222.
 McDougal, 290; Dollison, 295.
 Hawkins, 328; Mills, 315.
 Barnes, 386; Brown, 355.
 Blickley, 354; Heintzelman, 241.
 Barkalow, 339; Rollins, 252.
 Stanhagen, 339; Dollison, 278.
 Hamilton, 392; England, 362.
 Hawkins, 377; Bell, 323.
 Barnes, 387; Kendall, 433.
 Blickley, 333; Barkalow, 282.

Wesleyan at Last Wins a Ball Game

GREENFIELD, S. C., March 23.—West Virginia Wesleyan won her first game of the southern trip here yesterday afternoon when Furman University was defeated 7 to 4 in an interesting and well played game. The Furman twirler was not in form and the Wesleyan clubbers banded him all over the lot. Wesleyan's field work, while brilliant in spots, is still a little ragged, five errors being marked up against them in yesterday's game. The score:

R. H. E.
 Wesleyan 011 120 002—7 14 5
 Furman 200 200 006—4 4 2
 Batteries: Lentz, Morrison and McClure; Truluck, Boling and Cain.

Short Slants at Sports

Fairmont Normal is determined to stage a comeback on baseball, and from the reports of Manager Harry Watkins, she's going to do it.

Cupid Blickley is spending every idle moment standing around on street corners persuading would be mariners to purchase canoes. It is expected he will take a brand of life insurance on the side and sell his victims insurance along with the craft.

Wesleyan's baseball team has had a hard time getting started but now maybe will keep going.

It would appear as if the university was taking a little more than usual interest in track this year from her schedule.

The university baseball team is wounding into the best nine that has ever represented the school, say some fans who have just returned from Morgantown.

CHAMPS OF LAST YEAR MAY BE DUBS THIS YEAR

By PAUL PURMAN
 (The West Virginia Special Sport Writer Touring the Major League Training Camps to Size up the Teams as they Prepare for the 1917 Campaign).

HOT SPRINGS, Ark., March 28.—The spectacle of a National league champion falling in one year to the second division is a consummation not remote in the older league this year. It is doubtful whether Wilbert Robinson can build up a ball team which can get above fifth place due to three influences—holdouts, poor catchers, and unreliable pitchers.

When I saw the Dodgers here three valuable men, two infielders and an outfielder, were holding out, and the indications were that two of them, Zach Wheat and Mike Mowery, might not sign.

What was the most valuable outfielder on Robbie's team last year and one of the greatest players in the game. Mowery, financially independent, was a clever infielder, a dangerous hitter and a good base-runner. Mowery's salary was cut this season and he says he will not report.

With one or two exceptions the team that fell in defeat to the Red Sox last year was mediocre. It is scarcely improved this season.

Robbie is putting too much dependence on old timers—players who have served their time and may go back any day.

For pitchers he has Sherrod Smith, one of the heroes of the world series, perhaps the greatest southpaw in the league. He has Pfeffer, who should have a good season, and then there is Marquard, erratic as usual; Coombs, who is fast going back; Wheeler Dell, an in-and-out; Appleton who has never shown very much; Cheney, and two youngsters who look better than any of the rest with the possible exceptions of Smith and Pfeffer.

The youngsters are Cadore, sent by the Robins to Montreal early last year where he won 25 and lost 14 games, and Durning with Portland in the Eastern league last season.

Cadore is a big righthander with speed, curves and change of pace. Durning is a southpaw—the kind of a southpaw a manager likes to find—a sidewheeler with control.

The catching staff is as weak as any in the league. Otto Miller probably will do the bulk of the receiving. He is a mediocre. Chief Myers, old, slow and flat-footed, will help. Myers may be a dangerous hitter this year—mark, I do not say he will be, but there is that possibility. Jack Schneider, last year with Macon and Atlanta, will be tried. He hit about 350 with Atlanta in 12 games but the major part of the season, playing with Macon, his average fell to .250.

Robbie also has a find in the outfield—Hickman, a youngster, who Otto Miller declares can throw strikes from the outfield. Robbie will need him if Wheat doesn't sign, for the outfield doesn't look very strong with Hy Myers and Jimmie Johnson as regulars.

If Mathewson can do anything with the Cincinnati club, Robinson will be fortunate to remain in the first division.

BOYS' LEAGUE GAMES.
 The Jones Scouts and the East Park Scouts will clash this afternoon on the East Side club floor in a game of the boys' league which was postponed from Monday night. The league schedule is drawing to a close and interest is getting keener in every contest.

More to the Purpose.

22 TRYING FOR THE NORMAL NINE

Expected That the Number of Candidates Will be Increased.

The first regular practice of the Normal school baseball team was held yesterday afternoon following a meeting of candidates for the team, the practice having to be held in doors because of the rain of the morning making the South Side diamond too wet to play on.

Twenty-two candidates reported for practice and this number is expected to be swelled at least a dozen by late arrivals for the spring term. Many players who expect to be in the Normal this season are now teaching school and will not be able to leave their charges for a week or so.

The team is making arrangements to start batting practice at South Side park this afternoon, and a practice will be held every day from this time forward. On days when the weather will not permit of playing outdoors, the boys have a place in the Normal building where they can work.

HOW GOOD THAT MUSTEROLE FEELS!

It Gets to That Sore Spot Like Magic

A-a-h! That's delicious relief for those sore muscles, those stiff joints, that lame back.

Musterole is a clean, white ointment, made with the oil of mustard and other home simples.

It does the work of the old-fashioned mustard plaster, minus the plaster and minus the blister!

You simply rub Musterole on the spot where the pain is—rub it on briskly—and usually the pain is gone. No muss, no bother. Just comforting, soothing relief—first a gentle glow, then a delightful sense of coolness. And best of all, no blisters like the old-fashioned mustard plaster used to make.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, eczema, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet and colds of the chest (it often prevents pneumonia).

In-law, Enid, were visitors at the Mud Lick school Tuesday.

Mrs. Valley Hawkins, Mrs. Emma Miller and daughter, Leota, and Mrs. Denzel Carpenter were among the visitors at Mrs. Millie Hayhurst's last Thursday.

Many of our people attended the last day of Shaw school last Friday and were well entertained.

Miss Wilma Rogers was visiting at her sister's, Mrs. Thelma Carpenter, Saturday last.

Miss Enid Carpenter and sister, Ramah, Ephraim Hayhurst and Denzel Robe, were callers at Denzel Carpenter's Saturday.

Mrs. Margaret Morris was calling on Mrs. Rebecca Hayhurst Saturday afternoon.

Miss Arzelia Hupp, Miss Effie, Mary and Martha Hayhurst were visiting at Virgil Brown's Sunday.

Mrs. Hilda Summers was calling on Mrs. Maggie Carpenter Monday.
