Another Call Will Likely Go Out For More Men Tomorrow.

WORK SPEEDILY DONE

Comparatively Small Number of Men Rejected for Physical Disability.

The local draft board No. 2 which has had its headquarters on the third floor of the First National Bank building at Mannington, practically completed its work of summarizing the first call for the new army on Saturday when it considered 117 cases. Of this number 35 were called for service, ten were rejected because of physical disabilities, sixty-eight were exempted and four cases were held open for further consideration. Another call will go out probably tomorrow.

The summary of the complete list that has been called before the board on the first call shows that 229 cases were considered, 13 cases are still open for investigation, 25 were dismissed because of physical disability, 125 were exempted because of dependents, 68 were recommended for service and 18 failed to appear for the examinations. The work was carried on in the fastest manner possible at the same time respecting the seriousness of the work and the great amount of care exercised in deciding on each individual case.

The complete classification of all the men examined Saturday is as follows:

At Mt. Zion Sunday White Oak Camp, Woodmen of the World held memorial and unveiling ceremony. At 11 a. m. Rev. D. H. Perkins preached a very inspiring sermon in memory of the deceased members of the order whose number about 30. Talking for his text "Am I my brother's keeper?" The sermon was very appropriate and was much appreciated by the very large audience which came from far and near.

The Mt. Zion choir led by Mr. Ezra Morgan sang some very delightful selections. At 2:30 o'clock the grove was almost full of woodmen from Fairmont and from all over that section of the country. Also members of the family of Leslie Vandiger and his wife and friends and neighbors. The bugle call was sounded by Earl Smedley of the uniform rank promptly at 2:30. The crowd assembled and marched to the grave. After a song by the Mt. Zion choir entitled "Beautiful Flowers of June Time," the unveiling ceremony was carried out to a letter by unveiling officers of the camp J. C. Phillips, Bruce Morgan, W. C. Dougherty, Russell Phillips and C. G. Brown.

WOODMEN OF WORLD UNVEIL MONUMENT

Interesting Ceremony at Mt. Zion Church by White Oak Camp.

The day was in all a very enjoyable one.

The oration which was given by Hon. B. F. Ramage of Fairmont was a master piece, dwelling on the line of fraternalism and the Woodmen blessing the forest for pure lives and happier homes. The talk was very much appreciated by the members of the order and the many friends of Mr. Ramage. The beautiful poem entitled "Oh, why should the spirit of the mortal be proud?" was read by H. T. Jones of Fairmont.

(By Associated Press) SPRINGFIELD, Ill., Aug. 13.—Thirty-two of the 40 coal mines in Springfield district, representing a daily output of 40,000 tons are shut down today as a result of strike among drivers and motormen and 10,000 diggers are in enforced idleness. J. T. MILLER, WELL KNOWN OIL MAN DIES NO SUNDAY

End Came at His Fairmont Avenue Home After Brief Illness.

J. T. Miller, a prominent citizen of the city and well known throughout the state as a successful oil operator, died on Sunday morning at 8 o'clock at his home on Fairmont avenue after ten days serious illness.

Mr. Miller had been suffering from sciatic rheumatism and complications for some time and two weeks ago was preparing to go to Mt. Clemens, Mich. However, a short time before he was to have started for the depot he was stricken with paralysis. For several days his condition was very critical, but he had rallied to a considerable extent and strong hopes for his recovery were entertained. Saturday night, however, he was taken worse and continued to grow worse until the end came.

Members of his family, including two daughters, Mrs. Floyd Holtgel, of Norfolk, Va., and Mrs. Frederick Blome, of Baltimore, and a sister, Mrs. Sam Cochran, of Robinson, Ill., arrived here on Friday and Saturday and were with him when he passed away.

Mr. Miller was aged 58 years. He was born in Clarion, Pa., and was a son of the late Mr. and Mrs. Robt. Miller. He was prominently known throughout the state and in Western Pennsylvania as an oil operator. For the past twenty years with the exception of a few years when he resided in Parkersburg, Mr. Miller had been a resident of this city. He was interested in a number of business enterprises and owned considerable property, among which property is the Grand opera house which he conducted for a season. He also was proprietor of the James Specialty company.

Mr. Miller is survived by his wife, who was formerly Miss Anna O'Neill, of Clarion, Pa., and of the eight children born to the union seven survive. A daughter, Miss Ruby Miller, was drowned several years ago in the Monongahela river. The surviving children are Ernest Miller, Mrs. Floyd Holtgel, of Norfolk, Va., Mrs. Frederick Blome, of Baltimore, the Misses Myrtle and Garnett Miller, William and Thompson Miller. Ernest Miller is now a patient at Cook hospital where he underwent an operation last week, and William Miller is also ill at the family residence. Mr. Miller is also survived by his sister, Mrs. Cochran, and three brothers, William, of Salem, W. Va., John, of Clarendon, Pa., and Peter, of Hermosa, Cal.

The deceased was a member of the Ostris Temple of Shriners of Wheeling and of the Clarksburg Masonic lodge. He was also past grand master of the Ancient Order of United Workmen.

Funeral services over the body are announced to be held on Tuesday afternoon at 3 o'clock from the residence. Interment will be made in Woodlawn cemetery by the local lodge A. F. and A. M. Undertaker Musgrave and Son in charge.

Concerning Your Telephone

Numbers

THERE is an occasional wrong connection made by every operator, but the percentage of such wrong numbers is not large.

Our service observation figures show that in spite of numerous causes, there are only 19 wrong connections, including those which are the fault of the calling party, out of every 1,000 calls.

Very few people do their work with such a high percentage of efficiency.
