GET OUT YOUR PEARLS

NEW YORK, Sept. 25.—How are your pearls? Is their luster as lustrous as of yore?

Because if it's not, there's a lady coming to these states who'll make them shine again.

She's Tortola de Valencia, Spanish dancer of Moorish ancestry. She once wore the historic pearls of Catherine the Great, at command of the czar of Russia. For the czar was a superstitious czar, and he took as gospel truth the story that Tortola was one of those gifted orientals who, by wearing tarnished pearls, could return their lost luster from her vibrant skin.

Whether the Russian royal heirlooms ever regained any luster, the cables ne'er have told. But Tortola left Russia without any attempts on her life, so it's safe to say the czar was satisfied.

In Spain her fame as an oriental dancer led Alfonso to command her appearance at the Madrid court. After that she danced in all capitals of Europe. She's said to trail a string of broken hearts as long as Gaby Deslys.

She's coming hither in October to dance for Dillingham and Ziegfeld in "Miss 1917."

TORTOLA DE VALENCIA

will be entertained on Wednesday afternoon by Mrs. Earl Dancer at her home on Maryland avenue.

Women's Auxiliary Meeting. Members of the Women's Auxiliary of Christ Episcopal church will meet at the residence of Mrs. C. L. Shaver, on Fairmont avenue on Tuesday afternoon at 3 o'clock. A prompt attendance is desired.

Workers Meeting.

There will be a meeting of the Guild of the Central Christian church at the home of Mrs. Winnie Jacobs in Fairmont avenue Tuesday evening. All the lady workers of the churches are requested to be in attendance as there will be work for all.

Alaska's Greatest Treasure.

Of all the treasures in Alaska, the seals are probably among the most valuable. Unlike mineral wealth, they need never run out, for, in consequence of their powers of reproduction, they can yield under reasonable control a large and continuous revenue for an indefinite future.

CURED A "GROUCH" BY INTERNAL BATHS

Mr. Joseph A. Weis writes Dr. Chas. A. Tyrrell of New York as follows:

"On the 15th of June, 1915, I purchased a 'J. B. L. Cascade.' The results it has produced are simply marvelous. For 20 years I used Cathartics, but have used nothing but the Cascade for almost a month. I feel like a new man; I want to be pleasant to everybody. Before I used Cascade I was a grouch. Did not like anybody and could not be pleasant."

If you bathe internally with the "J. B. L. Cascade" you will find yourself always bright, confident and capable. Poisonous waste in the lower intestine makes us bilious, blue, dull and nervous. Internal baths are Nature's own cure for constipation—just antiseptic warm water properly applied. Drugs force nature—the "J. B. L. Cascade" gently assists her.

It is produced by Charles A. Tyrrell, M. D., of New York, who has specialized on Internal Bathing for 25 years, and will be shown and explained to you by Fairmont Pharmacy Company, who will also be glad to give you free on request an interesting booklet called "Why Man of Today is Only 50% Efficient" which covers the subject in a very thorough way.

Clip this out as a reminder, and ask for the booklet the first time you are in the neighborhood.

FINDS SPAGHETTI CORES.

MINK CREEK, Idaho—Archie Drum, prospecting in the mountains, ran a silver from a lightning-blasted tree in his hand. The surgeon who extracted

it found Drum had unwittingly made his fortune by running into a clump of bogusbogus trees, found only in Peru, and the wood of which is used for spindles, or cores, on which spaghetti is wound and left until dry.

WOMEN OF VIRGINIA

Basic City, Va.—"I was in bad shape with womanly trouble and was all run-down and confined to bed. The doctor was attending me three times a day but I was getting worse. I heard of 'Favorite Prescription' through a friend who had been benefited by it. I could hardly raise my hand and could not sit up in bed. I began taking the 'Prescription' and the first bottle gave me strength. I kept it up until six bottles were used. I was then able to do all my work. I doubt not that the use of it saved my life. When I begin to run down now I take a little and it always helps me and builds me up at once."—Mrs. J. W. PADGETT, Commerce St.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—new and then just to keep in the pink of condition. 10c and 25c per box. All druggists.
