"Buy It In October"

B-z-z-z-z-z Z-z-z-z-z-z Z-z-z-z-z-z
"Bee" Early for These October "Buys"

Why is Harrison's Store Different in October?

Why different in July—in January—March (No, it's no riddle!) Most folks this store is different from most other stores, because we do business differently. We turn our stocks (which means selling the total merchandise on hand) more often than like any concern we know of in this section of West Virginia. Our automatic policy of quick renewals makes it necessary that we turn our stocks quick. Quick stock turn over means never things constantly that can be sold at a closer margin of profit and small profits means a greater volume of business and a greater volume of business means that you folks are now getting a liberal slice of the profits during our great "Buy it in October" campaign because it stands to reason that the more business we do the lower we can make the price, now, doesn't it? Come in tomorrow and see if we do practice what we preach.

RAILROADS TAKE MUCH OF OUR COAL

Car Shortage For This District Continues to Increase Rapidly.

The compiled figures of coal loaded by the 92 mines reporting to the office of the Central West Virginia Coal Operators association office in this city for the third week in September are very interesting, and, in the opinion of Secretary D. R. Lawson, undoubtedly discloses one of the main reasons for the serious shortage of bituminous coal among industrial plants. Out of a total of 2,482 cars loaded during the week the Baltimore & Ohio Railroad took 1,174 of them, or 47 per cent of the entire tonnage of these 92 mines, for their own use. Continuing Mr. Lawson says: Even the foregoing statement does not tell all to the uninitiated; before we arrive at the proper number of cars applied on commercial business we must deduct the number of arbitrary and assigned cars, such as cars placed for loading fuel for railroads other than the Baltimore & Ohio and cars assigned for loading to Lake Erie ports. These amount to 581 cars, which leaves but 727 cars for these 92 mines for commercial loading for one week as compared to 1,102 cars for 90 mines the previous week. The combined capacity of these 92

Gardening Popular at the High School

Over a hundred percent increase is shown in the agriculture departments enrollment of the High School over that of last year according to figures just compiled by that department. At this time 162 students are enrolled in this department as against an enrollment of 61 last year. Gardening on an extensive scale as well as intensive scale will be indulged in as spring approaches and already plans are in the making for big crops from this department. The department is under the personal supervision of E. M. Musgrave.

Virtues Bred by Work.
 Being forced to work and forced to do your best will breed in you temperance and self-control, diligence and strength of will, cheerfulness and content, and a hundred virtues which will never know.—Charles Kingsley.

MANNINGTON

Represents League.
 Prof. C. L. Broadwater represented Mannington High at a meeting of the Monongahela Valley High School Football league held in Morgantown Saturday. Mannington's schedule, showing but two games at home, follows: At home October 6, Buckhannon; October 13, Clarksburg. Abroad, October 29 at Morgantown; November 3 at Shinnston; November 17 at Weston.

Red Cross.
 All knitters for the Red Cross are asked to return finished work and unused yarn as soon as possible to the local headquarters in St. Andrews Episcopal church.

Registered at Bartlett.
 Those registered at the Bartlett are: J. E. Myers, Mansfield, O.; L. T. Morgan, Baltimore, Md.; W. C. Graham, Toledo, O.; Jas. Hickman, Jr., Pennsboro; O. E. Bethel, Lee Duvall, E. F. Kleebe and C. H. Black, Wheeling.

After Games Will Go West.
 Charles Barlow will leave tomorrow for Okmulgee, Okla., where he has accepted employment. He will stop over in Chicago en route, where he will witness the world's series ball games between the White Sox and Giants.

METHODIST PASTORS ARE RETURNED HERE

Diamond Street Church Will Have Two Ministers During Term

Rev. C. E. Goodwin has been returned here as pastor of the First Methodist Episcopal church, by the annual conference which has just closed its sessions at Clarksburg while Rev. W. D. Reed was returned as associate pastor of the Diamond street M. E. church and J. E. Wells was sent here as active pastor of the Diamond street church. Rev. Mr. Reed will retain his residence here and act as associate pastor. Rev. O. C. Phillips who resides on the East side was made supply pastor for the Highland avenue church. THINGS WOMEN WEAR

This store **Loultney's** continues opens at 8 A. M. to close at 5 P. M.
CORRECT DRESS FOR WOMEN

Cleverly Designed Blouses That Reflect Smart Taste

THESE new blouses are distinctly different. For wear with tailored or dressy suits they are very appropriate.

Georgette Crepe, Georgette trimmed with dainty satin, Crepe de Chine, washable satin or taffeta with high necks. Taupe, navy blue, canary, grey, all the favored colors are found in this collection. No particular style is more desired than another. Simple plain designs, some trimmed in Irish lace and flit, others in which the jabot effect is brought out, all are equally sought and in good taste.

The price range is reasonable, running from \$3.75 for the plainer models to \$10 for the finest silk materials.

Catarthal Deafness May Be Overcome

A Simple, Safe and Reliable Way That Calls for No Ugly trumpets, phones or Other Instruments.

To be deaf is very annoying and embarrassing. People who are deaf are generally mighty sensitive on this subject. And yet many deaf folks carry around instruments that call attention to their infirmity. Therefore, people who are hard of hearing, who suffer from head noises, or who are actually deaf from catarhal trouble, will be glad to know of a simple recipe that can be easily made up at home for a few cents cost that is really quite efficient in relieving the disagreeable deafness and head noises caused by catarhal.

From any drug store get one ounce of Parmitin (double strength) about 90c worth. Take this home and put it to a simple syrup made of ¼ pint of hot water and four ounces of ordinary granulated sugar. Take a teaspoonful four times a day.

This treatment should by tonic action reduce the inflammation in the middle ear that a catarhal condition would be likely to cause and with the inflammation gone the distressing head noises, headaches, cloudy thinking and that dull feeling in the ears should gradually disappear. Anyone who suffers from catarhal, catarthal deafness or head noises should give Parmitin a trial. It is pleasant to take and is quite inexpensive.

CATARRH VICK'S VAPORUB

For head or throat Catarrh try the vapor treatment

THE GREAT DIVIDE

The woman in the prime of life need not dread to meet the loss of her youth when grown up elderly. While some charms diminish, others should replace them—charms of experience, cultivation, wisdom. The great physical changes met between the fortieth and fiftieth year are indeed serious, and are not always well borne. In the strain of modern life, few women are in condition to meet these changes without some apprehension of deranged health. But with the excellent help of Lydia E. Pinkham's Vegetable Compound, that old, trust-worthy woman's medicine, a woman may confidently expect to enter later life as well and robust as ever.

Be Sure to Hear NORA BAYES

Sing These Stirring War-Time Songs

One is a song of pathos—"Good Bye and Luck Be With You, Laddie Boy!" And the other is George M. Cohan's lilting and energetic song, hit "Over There."

Together they make a Victor record that brings you a combination of patriotism, sentiment, "pep," melody—and the bright, refreshing art of the "one and only" Nora Bayes.

A record for red-blooded Americans.
 Victor double-faced Record 45130. Ten inch \$1.00.

"Aloha Oe" and another favorite played on the saxophone

H. Bennie Henton draws from his saxophone a peculiar, song-like tone that makes this Victor Record most agreeable to the ear. "When You and I Were Young, Maggie" is the second number on the record. Conway's band accompanies the soloist in both selections.
 Victor double-faced record 18,344. Ten-inch, 75c. Come in and hear them.

CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"CALIFORNIA SYRUP OF FIGS" CAN'T HARM TENDER STOMACH OR BOWELS.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleaning" is sometimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

TO ENFORCE BONE DRY LAW.

WHEELING, W. VA., Oct. 2.—The rigid enforcement of the Reed "bone dry" law will begin in the Northern and Federal district of West Virginia. It was announced here yesterday. All deputy United States marshals have received orders to arrest all persons bringing into the state liquor in any quantity even less than a quart a month, which is permitted by the state law. Persons who have been convicted of violation of the West Virginia prohibition law will, at the expiration of their sentence, be tried by Federal authorities on the charge of violating the Reed amendment.
