Y.M.C.A. FIVE ON ITS WAY TO KEYSER NOW

Determination to Win is Important Part of Their Baggage.

The Y. M. C. A. basketball team will leave at 12:30 o'clock today for Keyser, where this evening it will meet the strong Keyser Collegians. Tomorrow evening it will be in Cumberland, Md., where it will play the Cumberland Y. M. C. A.

With no exceptions whatever, the Keyser Collegians now have by far the best record of any basketball team in the state. They are predicted by many as being an easy winner of the 1917-18 state basketball championship.

Despite the good record made by the Keyser team, the Y. M. C. A. five is going to Keyser with no other expectation than winning. It is said that the Keyser team has won every game played on their home floor this year by a margin of 36 points.

HIGH SCHOOL SCRUBS MAKE THEIR BOW

Team Under Assistant Coach Carpenter to Visit Clarksburg

The high school scrubs is the latest basketball team to be organized in Fairmont. The team is under the charge of Assistant Coach L. V. Carpenter.

The scrubs will play their first game at Clarksburg on Saturday evening against the Washington Irving high school second team. While the scrubs are playing in Clarksburg, the regulars will be playing the Huntington high school team on the Y. M. C. A. floor.

Many of the best substitutes will remain in Fairmont on Saturday to reinforce the regulars, if such is necessary. There are about twenty candidates out for the high school team, which still enables Coach Carpenter to have a wide selection as to whom he will take to Clarksburg.

The scrubs played the regulars on the Y. M. C. A. floor yesterday evening and made a real good showing. It is very likely that other games will be booked for the second string men.

NICHOLS AND ADAMS LEAD IN JUNIOR C. 83.

Company Honors Went to Machine Gun and Coast Artillery.

Monthly reports from the Junior B and Junior C companies in the Y. M. C. A. War contest show the Machine Gun Company and the Coast Artillery as the lead. Nichols wins high honors in the Junior B company while Adams is high in the Junior C company.

In the Junior C company, Adams scored 95 points and is entitled to the rank of corporal, company emblem and high individual honors. The following recommendations have been made: That Nichols, J. LOOK OUT SAMMY—SHERRY AND TOM ARE OUTAFTER YOUR SCALPS!

"Battroz for today's game, for Camp Gordon, Sherry Smith and Jenkins." And the Sammies who face this battery will have cause for apprehension, for Camp Gordon is already planning to build its baseball club around two world series stars, Sherry Smith, formerly of the Brooklyn Dodgers, and Joe Jenkins, of last year's champion White Sox.

Jenkins didn't get into the world series last year, mainly on account of

a rather well known person by the name of Ray Schalk, but he was considered one of the finest young catchers in the league and would have been a regular with many another club which did not possess a Schalk.

Smith was the leading hero of the 1916 world series when he pitched and should have won a 14-inning game against the Red Sox, the game being thrown away by Robinson's erratic infield.

If Sherrad Smith and Jenkins can

hold their own in the big leagues baseball players in the other camps are wondering what they are likely to do with the sandlotters which probably will compose the bulk of the camp teams.

There's one team down east, however, that even Smith and Jenkins can be leery of. It's from the Boston Naval Reserves and in the lineup will be Jack Barry at second base, Ernie Shore for the first string pitcher, Mike McNally at short and Chick Shorten in the out-

field.

Very few of the camps will be slighted when it comes to good ballplayers in the spring. Men are being called from the big league ranks every day and perhaps 200 major and minor league players are already in service.

Connie Mack lost 15 players, most of them youngsters. Cleveland gave Guisto, Torkelson, Evans and De Berry to the service. Boston lost in addition to those named, Gannor, Hoblitzel and Duffy Lewis. Detroit and Chicago were not hard hit. St. Louis lost Baby Doll Jacobson and one or two other youngsters. Washington lost Lavan, bought from St. Louis and the Yankees must do without Wally Pipp.

Many stars have gone from the National League. Hank Gowdy was the first and Maranville has also joined from the Braves. The Giants lose Dave Robertson and Brooklyn Sherrad Smith, Cadore and Cue or two others.

HEALTH HINTS

Blank was a busy member of his lodge. He found time, however, to make hurried sick calls. He dropped in on one member who was low with pneumonia then hastened to talk over affairs with another member who while not ill was plainly run down and in poor condition. Shortly afterwards the latter was taken down with pneumonia.

For this reason people should visit homes where pneumonia patients are confined only in the most urgent cases of necessity.

ANNOUNCEMENT OF A CHANGE IN POLICY

THIS business was founded on the principle that a high class tailor-made suit of clothes could be produced at a given low price, providing the volume was sufficient to enable the buying of materials direct from the mills, tailoring them in large, modern shops, and selling the finished garments direct to the consumer.

That this basic idea was sound is proven by the remarkable growth and success of the business.

But, old established business methods must be changed to keep pace with these abnormal times. We are, therefore, now compelled, through sheer necessity, to suspend our traditional "No More, No Less" policy.

The present unsettled conditions in the woolen market and the uncertainties of the future make it imperative that we adjust this business to produce garments of three definite standards of quality instead of one.

On and after, Monday, January 21st, 1918, this will, therefore, be our copyright, trade-mark and only prices:

ESTABLISHED 1867

ALL SUITS \$18 \$21 \$24

ALL OVERCOATS \$18 \$21 \$24

MADE TO ORDER

We will center our efforts, for the present, in the production of our usual high standard clothes at \$21, showing the largest assortment of woollens at this price.

The \$18 and \$24 garments are included so that we may center our efforts upon either of these lines, as the market conditions may warrant, without going to the trouble and expense of changing all our advertising, and, to satisfy the man disposed to pay more or less than \$21.

In making this announcement we are following our time honored custom of taking the public into our confidence, having implicit faith that the people appreciate our endeavors to make them the best possible clothes for the money, at all times.
