### "Gets-It" for Corns Sure as Sunrise

New Plan. Corns Shriveled, Vanish.

Until "GETS-IT" was born nobody was ever sure of getting rid of a corn. Corn treatments nearly all contained the same ingredients, only some were liquid, some plasters, some

Yanks Deeds had a limp. He had to ride a pony—

He put some "GETS-IT" on his corn. And called it "O' younky!"

"wrappers" and some in salve form. Now comes "GETS-IT" with a newly discovered formula—the corn cure on a new principle and a simple plan that never fails. This is why "GETS-IT" has grown in three years to be the biggest-selling corn cure the world has ever known.

There's no more need of fusing with corns, no more digging or cutting. There's nothing to press down on the corn, nothing to inflame the flesh, to "pull" the corn or cause pain. Put two drops of "GETS-IT" on it in two seconds. That's all. For any corn, callus, wart or bunion. "GETS-IT" is sold by druggists everywhere. See a bottle or send direct by E. Lawrence & Co., Chicago.

the President the Democrats should not forget that the recent eclipse of the sun was mighty hard on business.

As Christmas time approaches, we wonder how many are thinking of the desolation and suffering of the millions of orphans made homeless and fatherless by the ruthless hand of the European war. In the press of the cry of the little ones for their lost homes and slain fathers.

The cry is finding an answer in the hearts of many who are curtailing their use of luxuries to send Christmas cheer across the seas. The Santa Claus expeditions, which are being fitted out by Uncle Sam to carry happiness and health to the orphans in stricken Belgium, is finding many responses and ready sacrifices.

Many have perfected plans for an entertainment and Christmas tree, at the Mt. Hood Church. Christmas eve, and indications are that every child who considers a well-filled Christmas tree essential to holiday happiness, will be able to have one as elaborate as in previous years.

Oh, God, the pity of it—the shame. A day is set apart for prayer in the cause of peace, and we send shiploads of provisions for the starving orphans in foreign lands, while big business ships materials to murder men and cause more misery. If with peace in one hand, and the instrument of murder in the other is in keeping with the spirit of Him who nineteen hundred years ago brought peace on earth and good will to men, we fail to see it.

## KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
