Mrs. Harding Sits Beside Body Delivered Into Keeping of Nation for a Day as Simple Service Is Observed; Doors Then Opened for Waiting Thousands

WASHINGTON, Aug. 4—Under the vast dome of the Capitol, with low spoken prayer and the tenor of words of old hymns, Warren G. Harding was given the final resting place in the short years of his leadership for the glory of the flag that was the bidding of Europe.

As simple in its dignity and its high faith in the goodness of God as the man whose nameless service was marked, the solemn service was held at the Capitol to honor the memory of the late President. The service was held in the rotunda of the Capitol and was attended by many of the nation's leaders.

The thousand seats that surrounded the casket were filled with those who were present and those who were unable to attend. The service was marked by the simple, disinterested faith of the nation.
