

and he was dismissed to the Presbytery of West Lexington. He will become pastor of the church at Wilmore, Ky., where the Rev. Dr. E. O. Guerrant was so long pastor. There will be an adjourned meeting of Mecklenburg Presbytery at the Charlotte, N. C., First church on Tuesday, November 8, 1921, at 2 P. M.

John E. Wool, S. C.

Fayetteville Presbytery, pursuant to adjournment, met, on the call of the Moderator, at Tarboro, N. C., October 19-20, 1921. Rev. J. K. Hall was allowed to resign the pastorates of Parkton, Lumber Bridge and Rex churches, and the pastoral relations were dissolved to take effect December 1, 1921, and he was granted a letter of dismission to King's Mountain Presbytery. Rev. C. B. Craig was elected to succeed Mr. Hall as trustee of Flora Macdonald College. The Superintendent of Home Missions was instructed to overture the General Assembly's Home Mission Committee in regard to securing aid for our work at Camp Bragg, which has been made a permanent camp. The following additional arrangements for evangelistic campaign were approved: Galatia, A. T. Laster; Raymond S. H., D. L. Jones.

On recommendation of the commission appointed to visit Shannon church, Presbytery decided to retain this church on the roll, and appropriated a sum of money to aid in repairing the roof. An effort will be made to reorganize the Sabbath school and hold an evangelistic meeting there in the near future. The Committee of Christian Education and Ministerial Relief was authorized to secure aid to the amount of \$300 for Mrs. J. McI. Wicker, and to the amount of \$150 for Candidate Knight. A loan of \$200, from the Gilbert Memorial Fund to West End church, was authorized.

Greensboro: The First church has recently received three new members by letter and two on profession of faith.

SOUTH CAROLINA.

Presbyterian College of South Carolina: Dr. W. H. Hudson, our returned missionary from China, recently visited the college and delivered two most interesting and inspiring addresses to the students. Every room in the dormitories has been taken this year. Our enrollment is something over 160. The new athletic field is about completed and is now in use. There are about thirty students in the college preparing for Christian work, most of them going into the ministry, but some preparing to be medical missionaries.

Columbia: Rev. Dr. W. H. Hudson, who has labored in China as a missionary of our Church for twenty-eight years, is now located with his family at 1609 Pickens Street, in this city. Under the direction of the Executive Committee of Foreign Missions, he will visit the schools and colleges of Texas, Oklahoma and Arkansas until about the first of December. After that date he will spend much time visiting the churches in the interest of Foreign Missions.

TENNESSEE.

Madisonville: Rev. General M. Turpin was installed pastor of this church on October 9th. The commission consisted of Rev. T. S. McCallie, D. D., of Chattanooga, who presided and preached the sermon; Rev. R. S. Sanders, of Sweetwater, charged the pastor, and Elder John M. Jones,

of Sweetwater, charged the people. On October 14th Rev. William H. Richardson, D. D., evangelist of Nashville, assisted the pastor in a two weeks' meeting in this church. God graciously blessed our efforts. There were twenty-six confessions and additions to the church. Nine children were baptized, the whole church revived, and the community strengthened. Dr. Richardson is an untiring worker and a consecrated servant of the Lord. The church is beginning to take on new life. The Sunday school is gradually growing, and the Christian Endeavor Society recently organized is doing a splendid work. The society sent Miss Louise Turpin, Miss Marie Lowry and John King Nicks to the State Christian Endeavor Convention at Cleveland, Tenn. They reported a splendid meeting and program. The new manse, located on College Street, is a credit to the church and community. It shows the spirit of progressiveness that is taking hold of the people. We are much encouraged and look forward to greater things.

G. H. Turpin, Pastor.

TEXAS.

Longview: The First Presbyterian church is delighted at having secured the services of Rev. R. M. Hall, D. D., who has accepted their call and will enter actively upon the work of the pastorate the first of November. For several years Dr. Hall has been the Assembly's Regional Evangelist for Texas. Previous to that time he was for many years pastor of the First Presbyterian church of Galveston.

Greenville: Rev. Thomas L. Green, D. D., was on October 10th installed as pastor of the First Presbyterian church. The commission of Presbytery consisted of Rev. E. M. Munroe, D. D., Rev. B. E. Wallace, D. D., and Judge E. M. Bramlette. By special invitation the Rev. J. Leighton Green, of San Antonio, brother of the pastor, preached the sermon, and in the absence of one of the commission, also delivered the charge to the pastor. Recently Mr. E. R. Brown was ordained and installed as ruling elder, and Messrs. S. N. Bunch, Richard G. Holder and C. E. Shields were ordained and installed as deacons. The work is being well organized for the fall campaign, and renewed interest is being manifested in all departments. Ten have been added to the church since the coming of the new pastor.

El Campo church is making rapid progress under the leadership of their pastor, Rev. Charles H. Dobbs. He returned from a vacation at the middle of September and found the church still active. New members have been received every Sunday since his return, and the Sunday school is having a fine attendance and much interest particularly in Bible memory work. The pastor conducts a Bible drill or preaches a ten-minute sermon at the close of each session of the school.

Bryan: At a recent meeting of Brazos Presbytery Mr. Allen C. Fuller, one of the choice young men of this church, was received under its care as a candidate for the ministry. Mr. Fuller is now pursuing his studies at Austin College. A number of the young people of this congregation have heard the call to Christian service. Three of our young men are under care of Presbytery as candidates for the ministry, and two others have signed cards enrolling themselves as recruits for life service. Both pastor and people are grateful

for these and other signs of God's presence amongst us.

Wm. N. Sholl, Pastor.

WEST VIRGINIA.

Kenova: Another step toward efficient co-operation for meeting the needs of the entire community by the churches was taken recently at Kenova, when a District Sunday School Association was organized on Thursday, October 20th. The spirit of the union meetings in Kenova during the summer carried over into this meeting and the adjoining town of Ceredo united with Kenova in this work. A house-to-house canvass will probably be taken soon to determine the exact situation so that everybody may be reached by the churches in a systematic way.

Hillsboro: Oak Grove church has experienced the blessing of a gracious revival under the preaching of Rev. J. McD. Lacy, Assembly's evangelist. Rev. R. L. Simpson leading the service of song. Mr. Lacy preached twice daily for two weeks, and there has never been better attendance on the preaching of the gospel in Hillsboro than we had during this meeting. The interest increased throughout. Between thirty-five and forty made profession of religion. Last Sunday we received into the church twenty-four on profession of faith as a result of the meeting, and we believe more will yet come. Among the number were four heads of families. A heartening experience it was to welcome a whole family, consisting of father and mother and eleven children, except the oldest child, who was already a member. We are all saddened at the intelligence of the death of Mrs. Absalom Sydenstricker, a former member of this church, who forty-one years ago went out from this community as a missionary to China with her husband. Our sincerest sympathies are with the sorrowing relatives both at home and in the Far East.
