# LAXATIVE for Aged People

THE BANE of old age is constipation. The bow-  
els become weak and unable to perform their  
functions without aid. For this purpose only  
the mildest and gentlest laxative should be used.  
The use of harsh cathartics aggravates the trouble  
and makes the constipation worse. Chamberlain's  
Tablets are a favorite with people of middle age  
and older on account of their gentle action.
