# WEAK KIDNEYS AND BLADDER TROUBLE

## Had to Pass Water Very Often Day and Night. Cured by the Great Kidney Remedy, Swamp-Root.

DR. KILMER & CO., Binghamton, N. Y.  
About two years ago I had a very severe case of kidney and bladder trouble. The pain in my back was so severe that I could not get up in the morning and at night I had to pass water very often day and night. I tried medicine and doctors without getting relief. I saw an advertisement in the Binghamton States Journal of Swamp-Root. I determined to give it a trial and bought a bottle. By the time I had finished the first bottle the pain had entirely disappeared from my back. The pain and frequency of passing water ceased. However, I continued to take the medicine, using about six bottles in all. That was over a year ago, and I have had no return of the trouble since.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease. Therefore, when through neglect or other causes, kidney trouble is permitted to continue, fatal results are sure to follow. We often see a relative, a friend, or an acquaintance apparently well, but in a few days he may be confined to his bed, or worse, a victim of the most distressing cases of kidney and bladder trouble. It stands the highest for its wonderful cures of the most distressing cases. A trial will convince anyone—and you may have a sample bottle sent free, by mail.
